

## 22 June 2018

ASX: AVB ('AVANCO' OR 'THE COMPANY')

## **Clarification regarding delisting process**

Avanco Resources Limited refers to the letter to Avanco shareholders which was released to the ASX on 20 June 2018.

That letter included a statement that OZ Minerals is now in a position to seek to delist Avanco.

Avanco notes that the ASX will require Avanco to comply with certain conditions before it will delist Avanco without requiring Avanco to obtain shareholder approval for the delisting if the OZ Minerals shareholding remains below the compulsory acquisition threshold. These conditions include that remaining shareholders are given at least 3 months' written notice of the nominated time and date for Avanco to be delisted.

Avanco advises that no request has been made to ASX to delist Avanco at this stage, and no time or date has been nominated for Avanco to be delisted.

Avanco will keep shareholders updated on any proposal to delist Avanco.
