**10 December 2013**

## **ASX RELEASE**

### **Completion of Acquisition of Romea Training**

The Directors of Site Group International Limited ("Site", ASX:SIT) are pleased to announce the completion of the acquisition of Romea Training (Romea) as announced on the 1 November 2013.

As part of the acquisition 2,000,000 Site shares have been issued and will be escrowed for up to 3 years. A further performance incentive of up to 3,000,000 Site shares have been issued subject to achievement of revenue milestones at the end of year 3 post the transaction.

An Appendix 3B will follow this announcement.

The acquisition of Romea provides Site with a platform to deliver the same courses under a new training arm called Site Energy Training while utilising existing Site Skills Training facilities and operational and administrative teams. Site Energy Training will be a specialist division to provide training across the full spectrum of the energy sector, including upstream, downstream processing, through to power generation and HV/LV transmission.

By overlaying the significant capabilities of Site's client base and existing facilities with the training competencies of Romea, Site will have a competitive advantage as a premium provider in energy related skills training.

#### **About Site Group International Limited**

Site Group International (ASX: SIT "Site") is an ASX listed company providing Australian accredited and non-accredited training programs that are specifically tailored to employer needs. Training is delivered through high quality facilities in the Philippines (Clark Freeport Zone) and in Australia through Site Skills Training. Site Skills Training has major training facilities in Perth, Gladstone, Darwin and Landsborough. At these locations our experienced team assesses, up-skills and trains industry experienced candidates in the mining & processing, oil & gas, construction, camp services, hospitality and logistic sectors.

In addition, Site delivers on-site training for clients and major projects throughout Australia and countries such as PNG, Indonesia, Singapore, China, UAE, Azerbaijan and others.

The strategic location of our 300,000m<sup>2</sup> facility at Clark Freeport Zone in the Philippines allows the company to deliver Australian standard training in a low cost and controlled environment. This facility has the capacity to complete large scale residential training programs customised to meet client specific requirements. The facility is currently delivering training and assessment services to a multi-national oil and gas company under a long term contract with a specific focus on health and safety. All vocational training is delivered with tailored job specific English language and cultural sensitivity training. In addition vocational training in areas such as fabrication, heavy diesel maintenance and refrigeration mechanics is delivered.

Site also delivers workforce planning solutions through Site WorkReady. Site WorkReady achieves “ready to work” international employees through an end to end “Source-Train-Deploy” service utilising the training and assessment facility at Clark Freeport Zone. Working closely with their clients the Site WorkReady team identifies workers, completes assessment services and develops appropriate training. Employment candidates receive instruction in English, workplace health and safety systems as well as employer orientation training to support their transition to employment.

Site Group International is an emerging Australian company with a strategic business model run by an experienced board and management team.
