## Appendix 4C and Quarterly Activities Report

The Directors of Site Group International Limited ("Site", ASX:SIT) have released the Appendix 4C quarterly cash flow for the quarter ended 31 March 2022.

The results for the quarter saw revenues of \$1.6m with an EBITDA loss of (\$0.4m). The cash position of Site at the end of the March quarter was \$0.2m. Operating cash for the quarter was a net outflow of (\$0.5m) as the company prepares for the completion of the Clark property transaction.

### Clark Land

On 7 March 2022, the company announced the signing of a non-binding term sheet for the sale of 62.5% interest in the Company's subsidiary company Site Group Holdings Pty Ltd (SGH), the holder of the Clark lease replacing the original term sheet signed in August 2021.

The term sheet provides that subject to due diligence to its satisfaction and all other conditions precedent being satisfied (including shareholder approval), the investor group will pay a total of USD\$10m to subscribe for the 62.5% interest in SGH. The transaction will also include a loan of USD\$1m to SGH provided by the investors. Site will retain the balance of 37.5% of SGH.

The investor group includes the related party investor, Punta Properties ("Punta"), an entity associated with Site's Chairman, Mr Alcantara, substantial shareholders of the group including EGP Capital ("EGP") and Armada Investments ("Armada") as well as Stara Investments Pty Limited ("Stara") a company associated with Mr Paul Weightman.

As part of the agreement completion of an independent expert's report is required. Site expects that report from Advisory Partners will be completed in early May

The transaction remains subject to Site obtaining shareholder approval pursuant to Listing rule 10.1 and Chapter 2E of the Corporations Act, and as such Site will hold an extraordinary general meeting to allow shareholders to approve the transaction. It is anticipated this will occur in June 2022.

### International Training

The reopening of international borders is leading to a significant lift in enquiry for utilisation of the Clark facility in the Philippines. Site is in discussion with historical customers, Fieldcore and OceanaGold regarding recommencement of training at Clark which is expected in June/July.

Further to the previously announced extension of contracts in the Kingdom of Saudi Arabia (KSA) at the existing NCTC for 3 years, Site is expecting to announce a further significant skills training contract in a new Saudi jurisdiction expanding the operations in the country. Site's Executive spent 2 weeks in KSA in late March with a positive response to previously indicated project wins. Site expects to announce these in June 2022.

## **Site WorkReady**

The Site WorkReady business continues to experience growing enquiry and demand for workers in industries in Australia and New Zealand. It is anticipated the demand will continue, due to the growing shortages of skilled workers.

## **ACCC / Litigation**

The full bench hearing in the Federal court for Site's challenge to the decision in the litigation with the ACCC is scheduled for 4-6 May 2022.
