Saudi Contract Extension

The Directors of Site Group International Limited (“Site”, ASX:SIT) are pleased to announce the signing of an extension of the Training Services Agreement (“Agreement”) with Abdulali Al-Ajmi Company (“Al-Ajmi”) to service the National Construction Training Center (NCTC) in Eastern Province, Kingdom of Saudi Arabia for a further 2 years.

NCTC has been operating since September 2017 servicing the training needs of construction companies across the Kingdom. The College has trained over 2,000 trainees in 9-month programs across Welding, Pipefitting, Electrical, Instrumentation and Safety with 100% of graduate employment.

The contract extension is for a minimum of 1,000 further students with the training program extended to 12 months duration. The value of this contract is circa AUD\$7.5 million.

Site’s CEO and Managing Director Vernon Wills said, “This contract extension for NCTC is validation of Site’s commitment to workforce nationalisation and reflects Site’s objectives for the development of national workforces that are competent and safe. Reports from employers about our graduates are very positive, and this is a large reason for the contract extension from the Kingdom of Saudi Arabia government.”

Authorised for release by the Board.
