Market Update

The Directors of Site Group International Limited ("Site", ASX:SIT) wish to advise that, as announced to the market on 6 August 2018, the Australian Competition and Consumer Commission (ACCC) has commenced civil proceedings against Site, subsidiary Productivity Partners Pty Ltd ("the College"), and two former executives in relation to enrolment processes of the college in 2015.

Site is reviewing the Statement of claim in conjunction with its legal advisors and the first case management hearing is set down for 23 November 2018. Site intends to fully defend the action.

Our previous correspondence with the ACCC indicated a possibility of meeting following commencement of proceedings and Site intends to request this as soon as possible.
