Western Queen Gold Project

Monax Mining Limited (**Monax** or **the Company**) (ASX:MOX) is pleased to announce that diamond drilling has commenced at its Western Queen project in WA.

The Company is planning to drill four diamond holes at Western Queen South prior to estimating a new resource for the Project.

Drilling is expected to be completed prior to the Christmas period and results will be available shortly thereafter.

Monax is earning a 60% interest in the Western Queen project by expenditure of \$2 million over three years.
