

Atomos Investor Day – Change of Date

Atomos Limited ('ASX:AMS', 'Atomos' or the 'Company'), previously flagged the intention to hold an Investor Day in Melbourne on Monday, 2 August 2021.

Given the ongoing COVID-19 related travel restrictions, the Company has decided to delay the Investor Day until Monday, 13 September 2021 which it is hoped will enable greater in-person attendance.

The event will provide investors with the opportunity to gain a more detailed understanding of the Company's strategic plans in a presentation delivered by the senior executive team:

- Executive Chairman, Chris Tait
- Founder and Executive Director, Jeromy Young
- Chief Financial Officer, James Cody
- Chief Product Officer, Estelle McGeachie (by video link)
- Chief Operating Officer, Mark Harland
- Chief Technical Officer, Trevor Elbourne

Subject to travel restrictions, the team will attend the event in person (unless stated), as will board members Stephen Stanley, Megan Brownlow and Lauren Williams, with Sir Hossein Yassaie also being available via video link.

The Investor Day will be held in 'Forum 1' at Melbourne Connect, 700 Swanston Street, Carlton, VIC.

Please register to attend the event [here](#).

Authorised for ASX release by the Atomos Board of Directors.

About Atomos:

Atomos is a global video technology company delivering award-winning, simple to use monitor-recorder content creation products. These products give content creators across the rapidly growing social, pro-video and entertainment markets a faster, higher quality and more affordable production system.

Atomos' range of products take images directly from the sensor of all major camera manufacturers, then enhance, record and distribute them in high-quality formats for content creation using the major video editing software programs. Since being founded in 2010, Atomos has established

strategic relationships with key technology providers within the ecosystem including Apple, Adobe, Sony, Canon, Panasonic, Nikon and JVC Kenwood.

Atomos is based in Australia with offices in the USA, Japan, China, UK and Germany and has a worldwide distribution partner network.
