

ASX Release: 29 JULY 2020

June 2020 Quarter Highlights

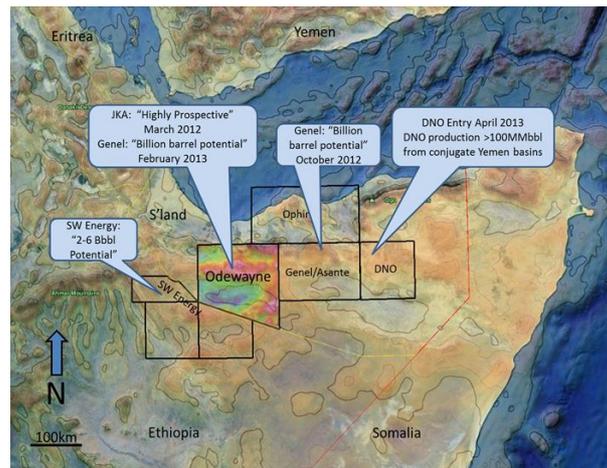

- Option to acquire a 5% participating interest in the Odewayne Block, Somaliland retained
- While the COVID-19 travel restrictions have impeded our assessment of projects, both within Australia and overseas, Jacka continues to actively review and investigate suitable resource projects to augment its existing operations, obtain re-quotation of its shares, and restore shareholder value
- Cash on hand at 30 June 2020 of approximately A\$265K

Overview

Odewayne Block, Somaliland (5% buy-in right)

As previously advised, Jacka retains an option to acquire a 5% participating interest in the Odewayne Block. That option can be exercised on the earlier of (1) the proposing of a second well under the Production Sharing Contract (PSC), or (2) the parties entering into the Fifth Period of the PSC.

There were no oil and gas production and development activities during the quarter.

Corporate

Listing Rule 12.1

As previously advised, on 20 September 2018 the Company sought voluntary suspension of its securities from ASX pending the completion of a suitable transaction which would satisfy the requirements of Listing Rule 12.1.

The Company expects the ASX suspension to be lifted when it can demonstrate compliance with Listing Rule 12.1 to the satisfaction of ASX.

During the June 2020 quarter a number of potential investments in the oil and gas and the minerals sector were identified and reviewed. Given the travel restrictions imposed during the COVID-19 pandemic our review of project opportunities was restricted, and as at the date of this report no announceable transaction has been concluded.

The Company is continuing to review suitable projects in historical or emerging producing fields and will advise the market immediately a transaction has been concluded.

Notes

1. This quarterly cash flow report and the accompanying activity report provide a basis for informing the market about the entity's activities for the past quarter, how they have been financed and the effect this has had on its cash position. An entity that wishes to disclose additional information over and above the minimum required under the Listing Rules is encouraged to do so.
2. If this quarterly cash flow report has been prepared in accordance with Australian Accounting Standards, the definitions in, and provisions of, *AASB 6: Exploration for and Evaluation of Mineral Resources* and *AASB 107: Statement of Cash Flows* apply to this report. If this quarterly cash flow report has been prepared in accordance with other accounting standards agreed by ASX pursuant to Listing Rule 19.11A, the corresponding equivalent standards apply to this report.
3. Dividends received may be classified either as cash flows from operating activities or cash flows from investing activities, depending on the accounting policy of the entity.
4. If this report has been authorised for release to the market by your board of directors, you can insert here: "By the board". If it has been authorised for release to the market by a committee of your board of directors, you can insert here: "By the [name of board committee – eg Audit and Risk Committee]". If it has been authorised for release to the market by a disclosure committee, you can insert here: "By the Disclosure Committee".
5. If this report has been authorised for release to the market by your board of directors and you wish to hold yourself out as complying with recommendation 4.2 of the ASX Corporate Governance Council's *Corporate Governance Principles and Recommendations*, the board should have received a declaration from its CEO and CFO that, in their opinion, the financial records of the entity have been properly maintained, that this report complies with the appropriate accounting standards and gives a true and fair view of the cash flows of the entity, and that their opinion has been formed on the basis of a sound system of risk management and internal control which is operating effectively.
