## SWIFT SECURES \$2.0M CONTRACT RENEWALS AND UPGRADES

Swift announces the signing of subscription renewal agreements, network infrastructure upgrades and room expansions during Q3, with subscription renewals for periods ranges from 6 to 12 months and with upgrades and site expansion to be delivered by the end of Q4 FY24.

These contracts were awarded by Mining and Oil and Gas companies, Pilbara Minerals, Shell, AngloGold Ashanti, Iluka Resources, Northern Rise and Genesis Minerals. These renewals and capital works were signed during Q3.

Whilst the aggregate revenue from these contracts is material to the Company, no individual agreement generates over \$1.0 million in revenue.

**Swift CEO Brian Mangano commented,** "We are pleased to be continuing and expanding our relationships with our valued clients within the Mining and Oil and Gas sector. At Swift, we are focused on developing long-term relationships. Our customer's growth continues to drive growth in our subscription revenue, we expect this trend to continue alongside our subscription sales to new customers."
