(Company Secretary)

## Notes

- 1 The quarterly report provides a basis for informing the market how the entity’s activities  
have been financed for the past quarter and the effect on its cash position. An entity  
wanting to disclose additional information is encouraged to do so, in a note or notes  
attached to this report.
- 2 The “Nature of interest” (items 6.1 and 6.2) includes options in respect of interests in  
mining tenements acquired, exercised or lapsed during the reporting period. If the entity is  
involved in a joint venture agreement and there are conditions precedent which will  
change its percentage interest in a mining tenement, it should disclose the change of  
percentage interest and conditions precedent in the list required for items 6.1 and 6.2.
- 3 **Issued and quoted securities** The issue price and amount paid up is not required in items  
7.1 and 7.3 for fully paid securities.
- 4 The definitions in, and provisions of, *AASB 1022: Accounting for Extractive Industries*  
and *AASB 1026: Statement of Cash Flows* apply to this report.
- 5 **Accounting Standards** ASX will accept, for example, the use of International Accounting  
Standards for foreign entities. If the standards used do not address a topic, the Australian  
standard on that topic (if any) must be complied with.
