INTERIM FINANCIAL REPORT FOR THE HALF-YEAR ENDED 31 December 2016

Directors' Report

Your Directors submit the Interim Financial Report of the Company for the half-year ended 31 December 2016.

DIRECTORS

The following persons were Directors of Barrack St Investments Limited since 30 June 2016 and up to the date of this report, unless stated otherwise.

- Mr Murray d'Almeida (Chairman)
- Mr David Crombie AM
- Dr Emmanuel C Pohl
- Mr Jared Pohl (Alternate)

PRINCIPAL ACTIVITY

The principal activity of the Company is investing in a diversified portfolio of small to mid-cap companies listed on the Australian Securities Exchange. There have been no significant changes in the nature of this activity during the period.

REVIEW OF OPERATIONS

During the period under review, dividends in the amount of \$214,261 and interest in the amount of \$1,344 was received. Realised gains on the sale of investments amounted to \$928,582 and after accounting for expenses the Net Profit after Tax amounted to \$584,169. The past six months has been a period of two distinct halves: during the first quarter (June to September 2016), the portfolio performed well, exceeding the 4% increase of the ASX All Ordinaries Index, while during the second quarter (October to December 2016) the value of the portfolio declined by 6% resulting in an overall decline of 1.6% for the six-month period. This under-performance as compared to the market, we due to a decline in the value placed on future growth and renewed interest in mining and mine service companies.

During the half-year 2,220,000 Options were exercised at \$1 each, which resulted in additional cash being injected into the Company and the value of the portfolio increased from \$18,282,132 at 30 June 2016 to \$19,284,905 at 31 December 2016 an increase of 5.49%.

Since the Company listed in August 2014, it has paid four fully franked dividends to Shareholders (some of whom opted to take advantage of the Dividend Reinvestment Plan (DRP) on each occasion) and the Directors intend paying an interim dividend again in March 2017.

PROSPECTS

While 2016 was the year the unlikely became true, investors entered 2017 no better equipped to tell the difference between reality and illusion. Nevertheless, one or two hints are starting to emerge: the global economy has picked up, inflation is rising, central banks are still being helpful and US investors remain committed to the view that President Trump will deliver on tax cuts and infrastructure spending, yet will not upset the apple-cart by starting trade wars or grabbing the nuclear codes. It is right, we believe, to be cautiously optimistic but would be the first to admit that there is much which could go wrong. It is important to buckle down to the task of identifying good companies, with many of the old-fashioned virtues, capable of steady growth in profitability, out of which would come a rising dividend.

NET ASSET BACKING

The net asset backing per share (tax on realised gains only) at 31 December 2016 was 104.0 cents per share compared with 111.6 at 30 June 2016. The net asset backing per share (tax on realised and unrealised gains) at 31 December 2016 was 104.0 cents per share compared with 109.6 cents per share at 30 June 2016.

SIGNIFICANT CHANGES IN STATE OF AFFAIRS

There has been no significant changes to the operations of the Company during the last six months.

DIVIDEND DECLARED

A fully franked interim dividend of 1.0 cents per share in respect to the half-year ended 31 December 2016 is to be paid on Thursday 13 April 2017.

A final dividend of 1.5 cents per share was paid on 23 September 2016 in respect to the year ended 30 June 2016.

CAPITAL GAINS COMPONENT OF DIVIDEND

As previously advised, the capacity of the Company to continue to facilitate access to the capital gain benefit of the dividend, will depend on the Company's capacity to generate capital profits.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF BARRACK ST INVESTMENTS LIMITED

Report on the Half-year Financial Report

I have reviewed the accompanying half-year financial report of Barrack St Investments Limited, which comprises the condensed statement of financial position as at 31 December 2016, condensed statement of comprehensive income, condensed statement of changes in equity and condensed statement of cash flows for the half-year ended on that date, notes to the financial statements, other selected explanatory notes and the directors' declaration of the company at the end of the half-year or from time to time during the half-year period.

Directors' Responsibility for the Half-year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report which gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001*, and for such internal control as the directors determine is necessary to enable the preparation of a half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express a conclusion on the half-year financial report based on my review. I conducted my review in accordance with Australian Auditing Standard on Review Engagements ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, I have become aware of any matter that makes me believe that the financial report is not in accordance with the Corporations Act 2001 including:

- giving a true and fair view of the company's year ended 31 December 2016 and its performance for the halfyear ended on that date; and
- ii. complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

As the auditor of Barrack St Investments Limited, ASRE 2410 requires that I comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

Independence

In conducting our review, I have complied with the independence requirements of the *Corporations Act 2001*. I confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Barrack St Investments Limited, would be in the same terms if given to the directors as at the time of this auditor's review report.

Conclusion

Based on myr review, which is not an audit, I have not become aware of any matter that makes me believe that the half-year financial report of Barrack St Investments Limited is not in accordance with the *Corporations Act 2001* including:

- giving a true and fair view of the entity's financial position as at 31 December 2016 and of its performance for the half-year ended on that date; and
- complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.
