## Comments on Half-Year Results

Raptis Group Limited has resumed operations, with the initial development of 57 townhouses at Springwood in Brisbane. Contracts of sale have been exchanged for 50% of the units. Construction is due for completion in May 2017. It is anticipated the project will be completely sold out at that date.

Revenue on sales contracts is only recognised at settlement, no units have been settled during the period and no other income has been earned in the six month period to 31 December 2016. The loss of \$54,848 reflects certain administration costs incurred in this period.

The photograph below shows construction progress to date. The second and third marketing images indicate the street appeal of the project and amenity of the recreation area when completed.

The company continues to research other future development opportunities on the Gold Coast and in Brisbane.

In general we are experiencing an upswing in South East Queensland's development cycle with a stable demand for completed dwellings. Consequently there is pressure on construction, with builders competing to secure construction time frames and competitive lettings of sub-contracts.

## **CONDENSED NOTES TO THE FINANCIAL STATEMENTS**

for the half-year ended 31 December 2016

### **1. BASIS OF PREPARATION OF HALF-YEAR FINANCIAL REPORT**

The consolidated interim financial report does not include all of the information normally included within the annual financial report and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the entity as the full financial report.

The half-year report should be read in conjunction with the Annual Financial Report of Raptis Group Limited at 30 June 2016. It is also recommended that the interim financial report be considered together with any public announcements made by Raptis Group Limited during the half year ended 31 December 2016 and subsequently up to the time of signing this financial report in accordance with the continuous disclosure obligations arising under the Corporations Act 2001.

#### **Going Concern**

The Group has a development finance facility in place to fund the 57 town house project at Springwood on a cost to complete basis. Entities associated with Mr James Raptis have also undertaken to provide development team, administration and office facility support at no cost to the Group up until 30 June 2017.

The Directors believe it appropriate that the Group's financial statements be prepared on a going concern basis.

#### **(a) Basis of Accounting**

The interim financial report is a general purpose financial report which has been prepared in accordance with the requirements of the Corporations Act 2001, applicable Accounting Standards including AASB 134 "Interim Financial Reporting" and other mandatory professional reporting requirements.

The half-year financial report has been prepared in accordance with the historical cost convention. For the purpose of preparing the interim financial report, the half-year has been treated as a discrete reporting period.

#### **(b) Summary of Significant Accounting Policies**

The accounting policies for the results for the half-year ended 31 December 2016 and the comparative half year have been prepared as they apply on a going concern basis.

##### **(i) Income Tax**

The charge for current income tax expenses is based on the profit for the year adjusted for any non-assessable or disallowed items. It is calculated using tax rates that have been enacted or are substantively enacted by the balance sheet date.

Deferred tax is accounted for using the balance sheet liability method in respect of temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. No deferred income tax will be recognised from the initial recognition of an asset or liability, excluding a business combination, where there is no effect on accounting or taxable profit and loss.

Deferred tax is calculated at the tax rates that are expected to apply to the period when the asset is realised or liability is settled. Deferred tax is credited in the income statement except where it relates to items that may be credited directly to equity, in which case the deferred tax is adjusted directly against equity. Deferred income tax assets are recognised to the extent that it is probable that future tax profits will be available against which deductible temporary differences can be utilised.

The amount of benefits brought to account or which may be realised in the future is based on the assumption that no adverse change will occur in income taxation legislation and the anticipation that the economic entity will derive sufficient future assessable income to enable the benefit to be realised and comply with the conditions of deductibility imposed by the law.

## **CONDENSED NOTES TO THE FINANCIAL STATEMENTS**

for the half-year ended 31 December 2016

---

### **(b) Summary of Significant Accounting Policies (continued)**

#### **(ii) Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST. Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

#### **(iii) Estimates**

The preparation of the half-year financial report requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expenses. Actual results may differ from these estimates.

In relation to the Consolidated Statement of Comprehensive Income the significant judgements made by management in applying the entity's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the financial report as at and for the year ended 30 June 2016.

#### **(iv) Comparative Figures**

When required by Accounting Standards, comparative figures are adjusted to conform to changes in presentation for the current financial year.

### **2. TAXATION**

#### **Unrecognised Tax Losses**

At the time of signing this Half-Year Financial Report the company is not able to accurately determine the quantum of its carry forward losses. This results from the restructuring of former debt where certain assets are still being held in previously controlled entities with security documentation still in effect in respect of the secured creditors or their assignors. Whilst the disposal of these assets will have no impact on the current or future accounting results due to the effect of the restructuring, the treatment of the associated debt is anticipated to have tax loss implications, which may materially affect the calculation of carry forward losses from prior years.

The interim tax loss calculation indicates a potential future income tax benefit from carry forward losses of \$46,803,026 (at the current tax rate of 30%). However, the security positions that have not yet been resolved are material and may substantially reduce this interim calculation.

### **3. RELATED PARTY TRANSACTIONS**

At 31 December 2016 an amount of \$872,528 (30 June 2016: \$202,059) had been advanced to the Group from entities associated with Mr James Raptis. These loans, which are included in Trade and Other Payables, are unsecured and advanced at a nil rate of interest. The loans are due to be repaid from proceeds of the 57 townhouse project at Springwood in Brisbane prior to 30 June 2017.

Entities associated with Mr James Raptis have provided, and will continue to provide, office facilities together with associated overheads and development and administrative personnel to support the affairs of the Group at no cost to 30 June 2017.

### **4. EVENTS SUBSEQUENT TO BALANCE DATE**

The Directors are not aware of any significant events since the end of the interim period that might materially affect the financial position or results from operations in future periods.

## **DIRECTORS' DECLARATION**

### Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Raptis Group Limited, which comprises the Condensed Consolidated Statement of Financial Position as at 31 December 2016, the Condensed Consolidated Statement of Comprehensive Income, Condensed Consolidated Statement of Changes in Equity and Condensed Consolidated Statement of Cash Flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration, of the group comprising Raptis Group Limited and the entities it controlled at the half-year's end or from time to time during the half-year.

### Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2016 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Raptis Group Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, has been given to the directors of Raptis Group Limited.
