LETTER FROM THE CHAIRMAN

Dear CDI holder

On behalf of the Board of Simavita Limited ARBN 165 831 309 (**Simavita or the Company**), I invite you to participate in the Company's non-renounceable pro-rata entitlement offer of 1 New CDI for every 7 CDIs held at the Record Date of 7.00pm (AEST) on 8 May 2017, at an Issue Price of \$0.04 per New CDI (**Offer**).

The Offer is summarised as follows:

- Australian and New Zealand residents holding Simavita Limited CDIs may subscribe under the Rights Issue for 1 new CDI for every 7 held as at the Record Date of 7.00pm (AEST) on 8 May 2017.
- New CDI's are priced at 4 cents per new CDI and enables existing Holders to participate in the Company's financing program at the same price as sophisticated and institutional investors who participated in the Company's recent Placement of CDIs as described below.
- The Offer of approximately 35,885,265 New CDIs may raise up to \$1.435 million (before the costs of the Offer and fees of the Underwriter).
- Holders may subscribe for additional CDIs beyond their entitlement of 1 for 7 on the basis that some existing Holders may be either ineligible (non Australian or New Zealand residents together with Directors of Simavita and related parties of the Company) or may fail to fully take up their Rights. This additional ability is restricted only to eligible holders and is referred to as a Top Up Facility.
- At the time of this letter, the Rights Issue appears to be well supported and has been underwritten to an amount of \$700,000 by Lodge Corporate Pty Ltd.

The Rights Issue Offer is to be made pursuant to s708AA of the Corporations Act and the offer document has been lodged with the ASX. A copy of that document can be accessed on the ASX website or Simavita's website. For those eligible CDI holders, the Rights Issue Offer document is anticipated to be despatched (with personalised application forms) on or around 11 May 2017.

The funds from the Entitlement Offer are important and will be applied as working capital for the Company's key objectives. In particular, Simavita will focus upon delivering its strategy of inexpensive, easy to use, continence sensor technology, particularly to mass markets in key geographies. Simavita will similarly aim to enter into partnership arrangements with large manufacturing firms to deliver this technology to market.

The Company will continue to actively manage its cost structure and will reduce operating costs where possible.

As a Board, we appreciate the support of our existing CDI holders and we have been mindful of providing existing CDI holders the first opportunity to maintain or increase their investment in the Company.

We look forward to your participation in the Rights Issue Offer.

Yours sincerely,

Michael Spooner
Chairman

2. DETAILS OF THE OFFER

2.1 The Offer

The Company is offering Eligible CDI holders the opportunity to subscribe for 1 New CDI for every 7 CDIs held at 7:00pm (AEST) on 8 May 2017 at an Issue Price of \$0.04 cents per New CDI.

Where the determination of the Entitlement of any Eligible CDI holder results in a fraction of a New CDI, that will be rounded up to the nearest whole New CDI.

Your Entitlement under the Offer is shown on the accompanying Entitlement & Acceptance Form. Details on how to accept the Offer are set out in Section 4.

The Company has also announced a placement of approximately 37,500,000 CDIs (**Placement Shares**) to raise approximately \$1.5 million (**Placement Amount**) at the same price as this Offer, namely \$0.04 per CDI (**Placement**). Subscription for the Placement CDIs will only be from investors for whom the Company is exempt from making disclosure pursuant to Chapter 6D of the Corporations Act (**Exempt Investors**). CDIs issued pursuant to the Placement will not count towards a subscribers CDI holding for the purposes of determining their Entitlement to subscribe for CDIs pursuant to this Offer.

Eligible CDI holders who fully subscribe for their Entitlements under the Rights Issue offer may also apply under the Top-Up Facility for Additional CDIs. The allocation of any Additional CDIs will be limited to the extent that there are sufficient New CDIs available after the close of the Rights Issue offer which have not been taken up by some of the Eligible CDI holders. Subject to the Corporations Act and the Listing Rules, Additional CDIs will only be allocated to Eligible CDI holders, if and to the extent that the Directors so determine, in their absolute discretion. In addition to its underwriting obligations, the Underwriter also has a first right of refusal to place any CDIs remaining outstanding under this Rights Issue, after allowing for all subscriptions by Eligible CDI holders and subscription by the Underwriter of the Underwritten Securities. Further details are set out in Sections 2.7 and 2.9 below.

2.2 Size of the Offer

As at 3 May 2017, the Company has on issue:

- (a) 251,196,860 CDIs; and
- (b) 10,269,000 Options (which carry no entitlement to participate in the Offer without the Options first being exercised).

On the basis that no Options are exercised prior to the Record Date, approximately 35,885,265 New CDIs will be offered under the Offer to raise approximately \$1.435 million before the expenses of the Offer and fees of the Underwriter are taken into account.

2.3 Use of Funds

As the Offer is partially underwritten, the Offer will result in an increase in cash in hand of the Company of at least \$700,000 (being the underwritten amount), and up to approximately \$1.435 million (before the payment of costs associated with the Offer, fees of the Underwriter, and not including any receipt of funds under the Placement).

Please note there is no guarantee the Offer will be fully subscribed. As stated above, the minimum amount to be raised under the Offer, provided the Underwriter does not terminate the Underwriting Agreement, is \$700,000.

It is currently proposed to use the funds raised under the Offer to maintain working capital to achieve the Company's key objectives. As indicated, the Company has undertaken a significant commitment to reshaping its product offerings whilst reviewing how it sells and maintains product. This requires continued working capital as the Company has not achieved breakeven in terms of cash flow. Simavita remains absolutely committed to tight operating cost control but needs to invest in the reshaping of its product offerings and sale channels. In particular, the Company aims to focus immediately upon delivering its strategy of inexpensive, easy to use continence sensor technology, particularly to mass markets in key geographies. Simavita will similarly aim to enter into partnership arrangements with large manufacturing firms to deliver this technology.

Assuming that the maximum amount is raised under the Offer, the funds raised are intended to be allocated as follows:

Description	Total (maximum)
Funds employed for working capital and strategy execution	\$1.289m
Costs of the Offer*	\$.146m
Maximum funds raised under the Offer	\$1.435m

2.4 Opening and Closing Date

The Offer will open for receipt of acceptances on 11 May 2017. The Closing Date for acceptance of your Entitlement is 5.00 pm (AEST) on 22 May 2017.

The Company reserves the right, subject to the Corporations Act and the Listing Rules, to extend the last date for receipt of the Entitlement & Acceptance Form (or payment by Bpay®), or to delay or withdraw the Offer at any time without prior notice. Where the Offer is withdrawn, all Application Monies will be refunded (without interest) as soon as practicable.

Any extension of the Closing Date will have a consequential effect on the issue date of New CDIs.

2.5 Entitlements under the Offer

The Offer is non-renounceable and therefore Eligible CDI holders cannot offer to sell or transfer any of their Entitlement on ASX or via an off-market transfer (or any other exchange or privately transferred).

CDI holders who do not take up their Entitlements in full will have their percentage interest in the Company diluted as compared to the date the Offer is made. CDI holders who take up their Entitlements in full and make application for Additional CDIs and that application is accepted, will have their percentage interest in the Company increased as compared to the date the Offer is made.

As described in Section 2.9, any New CDIs not taken up by an Eligible CDI holder by the Closing Date will form part of the CDIs available under the Top-Up Facility.

2.6 Entitlements and acceptance

The Entitlement of Eligible CDI holders to participate in the Offer will be determined on the Record Date. Your Entitlement is shown on the Entitlement & Acceptance form accompanying this Offer Document.

2.7 Underwriting

The Offer is partially underwritten by Lodge Corporate Pty Ltd.

The Company and the Underwriter have entered an agreement for the Underwriter to underwrite the Offer for up to \$700,000 (up to 17,500,000 CDIs) of the Shortfall (after allowing for all applications for Additional CDIs).

The Company has entered into an Underwriting Agreement with the Underwriter, which includes customary terms including payment of commission of 6% of the capital raised and termination events based on industry usage (for example – upon a 10% drop in All Australian 200 Index as published by ASX).

The fees payable are a monthly fee of \$10,000 payable for 6 months from the Closing Date, plus a fee of 6% of the funds raised under the underwritten portion of the Rights Issue.

2.8 No cooling off rights

Cooling off rights do not apply to an investment in New CDIs. You cannot withdraw your Application once it has been received.

2.9 Shortfall

Eligible CDI holders (other than Directors and related parties of the Company) may, in addition to taking up their Entitlements in full, apply for any number of Additional CDIs in excess of their Entitlements by using the Top-Up Facility.

Additional CDIs will only be available where the number of CDIs the subject of Applications received under the Rights Issue Offer is less than the maximum number of New CDIs (35,885,265) proposed to be issued under the Rights Issue. Any Additional CDIs issued will be at the Issue Price of \$0.04 cents per CDI.

Details on how to apply for Additional CDIs under the Top-Up Facility are set out in Section 4.3. There can be no guarantee that there will be any allocation of Additional CDIs under the Top-Up Facility.

Subject to the Corporations Act and the Listing Rules, the Directors will exercise their discretion in determining the allocations of Additional CDIs applied by Eligible CDI holders through the Top-Up Facility.

It is an express term of the Offer that Eligible CDI holders who apply for Additional CDIs are bound to accept a lesser number of Additional CDIs than they applied for or may be allocated no Additional CDIs at all. In both cases, excess Application Monies will be refunded without interest.

If any Shortfall remains after applications for Additional CDIs under the Top-Up Facility are considered, the balance for which valid applications have not been received shall be subscribed by the Underwriter (up to a maximum 17,500,000 CDIs). The Directors reserve the right, subject to the Corporations Act, the Listing Rules, to place any further shortfall, after allowing for the subscription for the Underwritten Amount by the Underwriter and further CDIs placed by the Underwriter under the Underwriter's First Right of Refusal, at their discretion (other than to Directors and related parties of the Company) within 3 months after the close of the Offer (at a price not less than the Issue Price of \$0.04 cents per New CDI).

2.10 Issue and despatch

The issue of New CDIs offered by this Offer Document is expected to occur on 29 May 2017. The New CDIs will be traded on a deferred settlement basis from 23 May 2017 until 29 May 2017.

It is the responsibility of Applicants to determine the allocation prior to trading in the New CDIs. Applicants who sell New CDIs without making such determination do so at their own risk.

The Company will have no responsibility and disclaims all liability (to the maximum extent permitted by law) to persons who trade New CDIs before the New CDIs are listed on the official list of ASX or before they receive their holdings statements, whether on the basis of confirmation of the allocation provided by the Company, the CDI Registry or otherwise.

2.11 ASX listing

The Company has made an application for official quotation by ASX of the New CDIs offered under this Offer Document. If that permission is not granted by ASX, the Company will not issue any New CDIs and all Application Monies received will be refunded (without interest) in full to the Applicants.

The fact that ASX may grant official quotation to the New CDIs is not to be taken in any way as an indication of the merits of the Company or the New CDIs. Neither ASX nor any of its officers accepts takes any responsibility for the contents of this Offer Document.

It is expected that normal trading on ASX will commence in relation to New CDIs on 30 May 2017.

2.12 CHESS

The Company will apply to ASX to participate in CHESS for those CDI holders who have, or wish to have, a sponsoring stockbroker. CDI holders who do not wish to participate through CHESS will be issuer sponsored by the Company. Because the sub-registers are electronic, ownership of securities can be transferred without having to rely upon paper documentation.

Electronic registers mean that the Company will not be issuing certificates to investors. Instead, CDI holders will be provided with a statement (similar to a bank account statement) that sets out the number of New CDIs allotted to them under this Offer Document. The notice will also advise CDI holders of their Holder Identification Number (HIN) and explain, for future reference, the sale and purchase procedures under CHESS and issuer sponsorship.

Further monthly statements will be provided to CDI holders if there have been any changes in their interest in the Company during the preceding month.

2.13 Ineligible Foreign CDI holders

This Offer Document and Entitlement & Acceptance Form are only being sent to Eligible CDI holders with registered addresses in Australia and New Zealand on the Record Date of 8 May 2017.

The Offer is not being extended to any CDI holders whose registered address is outside Australia or New Zealand. In accordance with the Listing Rules and the Corporations Act, the Company is of the view that it is unreasonable to make the Offer to Ineligible Foreign CDI holders, having regard to:

- (a) the number of Ineligible Foreign CDI holders;
- (b) the number and value of New CDIs to be offered to those Ineligible Foreign CDI holders; and
- (c) the cost of complying with overseas legal requirements in those jurisdictions.

Accordingly, no Entitlement & Acceptance Forms will be sent, and no offer will be made, to Ineligible Foreign CDI holders. This Offer Document will be sent to them for information purposes only.

The Offer contained in this Offer Document to Eligible CDI holders with registered addresses in New Zealand is made in reliance on the Securities Act (Overseas Companies) Exemption Notice 2013 (New Zealand). Members of the public in New Zealand who are not existing CDI holders on the Record Date are not entitled to apply for any New CDIs.

To the extent that a person holds CDIs on behalf of another person resident outside Australia or New Zealand, it is that person's responsibility to ensure that any acceptance complies with applicable foreign laws.

The Company reserves the right to reject any Application that it believes come from a person who is not an Eligible CDI holder.

This Offer Document does not constitute an offer in any place in which, or to any person to whom, it would not be lawful to make such an offer. No action has been taken to register the New CDIs or otherwise permit an offering of New CDIs in any jurisdiction outside of Australia or New Zealand.

The distribution of this Offer Document outside Australia or New Zealand may be restricted by law. If you come into possession of this Offer Document, you should observe any such restrictions. Any failure to comply with such restrictions may contravene applicable securities laws.

2.14 Rights and liability attaching to New CDIs

The New CDIs issued under the Offer will be on a fully paid basis and will rank equally in all respects with existing CDIs. Full details of the rights and liabilities attaching to CDIs are set out in the Company's constitution, a copy of which is available for inspection at the Company's registered office during normal business hours. You may also contact the Company Secretary by telephone on +612 8405 6300 for a copy of the Company's constitution.

3. EFFECT OF THE OFFER

3.1 Effect of the Offer on the capital structure of the Company

The total number of New CDIs to be issued under the Offer will be approximately 35,885,265 (the exact number depends on the rounding up of individual holdings).

The table below sets out, for illustrative purposes only, the existing capital structure (before the Offer) together with the impact of the issue of the New CDIs under the Offer. It assumes that no Options are exercised prior to the Record Date and that all New CDIs are issued under the Offer or placed after the Offer.

CDIs	Number
Existing CDIs as at 3 May 2017	251,196,860
Maximum number of New CDIs issued pursuant to the Offer	35,885,265
Total issued CDIs following completion of the Offer	287,082,125

The effect of the Offer will be to increase the number of CDIs on issue in the Company and increase the cash held by the Company by up to \$1.435 million (before taking into account the expenses of the Offer). Expenses of the Offer are expected to be approximately \$146,000 (excluding any fees paid to brokers for the placement of any Shortfall CDIs).

3.2 Potential effect on control of the Company

Eligible CDI holders who take up their Entitlements in full should not have their interest in the Company diluted by the Offer (subject to immaterial movements as a result of rounding of Entitlements).

The potential effect the Offer will have on the control of the Company, and the consequences of that effect, will depend on a number of factors, including investor demand.

The potential effect of the Offer on the control of the Company is as follows:

- (a) If all Eligible CDI holders take up their Entitlements under the Offer, then the Offer will have no significant effect on the control of the Company.
- (b) If some Eligible CDI holders do not take up all of their Entitlements under the Offer, then the interests of those Eligible CDI holders will be diluted.
- (c) The proportional interests of Ineligible Foreign CDI holders will be diluted because those Ineligible Foreign CDI holders are not entitled to participate in the Offer.
- (d) CDI holders that apply for Additional CDIs under the Top-Up Facility may increase their interests beyond their Entitlement. This could result in the dilution of holdings of those who did not accept their Entitlements in full and those who did not apply for Additional CDIs.
- (e) If no Eligible CDI holders other than the Directors take up their Entitlements under the Offer and the Company issues the Shortfall under the Offer to only a limited number of new investors, this may potentially result in a new investor having a substantial interest in the Company.

4. ACTION REQUIRED BY CDI HOLDERS

4.1 What Eligible CDI holders may do

The number of New CDIs to which you are entitled (your **Entitlement**) is shown on the accompanying Entitlement & Acceptance Form.

If you do not take up your Entitlement, then your percentage holding in the Company will be diluted (refer to Section 3.2 above).

As an Eligible CDI holder you may:

- (a) take up all or part of your Entitlement (refer to Section 4.2 below); or
- (b) take up all of your Entitlement and apply for Additional CDIs under the Top-Up Facility (refer to Section 4.3 below); or
- (c) allow all of your Entitlement to lapse (refer to Section 4.4 below).

As detailed in Section 2.13, Ineligible Foreign CDI holders cannot take any of the steps set out in Sections 4.2, 4.3 and 4.4.

4.2 Applying for New CDIs

You may take up all or part of your Entitlement by making payment by Bpay® corresponding to the component of your Entitlement you wish to accept or by completing the Entitlement & Acceptance Form and attaching payment, with payment by either means to reach the Company (at Level 13, 54 Miller Street, North Sydney NSW 2060), or Computershare Investor Services Pty Ltd (**CDI Registry**) by no later than 5:00pm (AEST) on the Closing Date, or by paying by Bpay® in cleared funds by the same date.

The Issue Price for each New CDI accepted under your Entitlement is payable on application. You have the following payment options:

- (a) By attaching to your completed Entitlement & Acceptance Form a cheque, bank or money order in Australian currency for the amount of your application money to “**ATF Simavita Limited**” and crossed “**Not Negotiable**”.

You should ensure that sufficient funds are held in relevant account(s) to cover the Application Monies. If the amount of your cheque for Application Monies (or the amount for which the cheque clears in time for allocation) is insufficient to pay in full for the number of New CDIs for which you have applied in your Entitlement & Acceptance Form, you will be taken to have applied for such lower number of whole New CDIs as your cleared Application Monies will pay for (and to have specified that number of New CDIs on your Entitlement & Acceptance Form). Alternatively, your Application will not be accepted.

- (b) If paying via Bpay®:
 - (i) Applicants should be aware that their own financial institution may implement earlier cut off times with regards to electronic payment and it is the responsibility of the Applicant to ensure that funds are submitted through Bpay® by the date and time mentioned above;
 - (ii) you must follow the instructions for Bpay® set out in the Entitlement & Acceptance Form;

- (iii) you do not need to return the Entitlement & Acceptance Form but are taken to make each of the statements and representations on that form; and
- (iv) if you subscribe for less than your Entitlement or do not pay for your full Entitlement, you are taken to have accepted your Entitlement in respect of such whole number of New CDIs which is covered in full by your Application Monies.

4.3 Top-Up Facility

As detailed in Section 2.9 above, Eligible CDI holders (other than Directors and related parties of the Company) may, in addition to taking up their Entitlements in full, apply for Additional CDIs in excess of their Entitlements.

If you wish to subscribe for Additional CDIs in addition to your Entitlement, then you should nominate the maximum number of Additional CDIs you wish to subscribe for on the Entitlement & Acceptance Form and make payment for your full Entitlement plus the Additional CDIs (also at the Issue Price of \$0.04 cents for each Additional CDI).

If your payment is being made by Bpay®:

- (a) you do not need to submit the personalised Entitlement & Acceptance Form but are taken to make each of the statements and representations on that form; and
- (b) if your payment exceeds the amount payable for your full Entitlement, you are taken to have accepted your Entitlement in full and to have applied for such number of Additional CDIs which is covered in full by your Application Monies.

Eligible CDI holders who apply for Additional CDIs may be allocated a lesser number of Additional CDIs than applied for, or may be allocated no Additional CDIs at all, in which case excess Application Monies will be refunded without interest.

4.4 Entitlements not taken up

If you do not wish to accept any of your Entitlement, you are not obliged to do anything. The number of CDIs you currently hold and the entitlement attaching to those CDIs will not be affected should you choose not to accept any part of your Entitlement.

4.5 Entitlement & Acceptance Form is binding

A completed and lodged Entitlement & Acceptance Form (or payment by Bpay®) constitutes a binding offer to acquire New CDIs on the terms and conditions set out in this Offer Document and, once lodged, cannot be withdrawn. If the Entitlement & Acceptance Form is not completed correctly, it may still be treated as a valid application for New CDIs. The Directors' decision whether to treat an acceptance as valid and how to construe, amend or complete the Entitlement & Acceptance Form is final.

4.6 Brokerage

No brokerage is payable by CDI holders who accept their Entitlement. No stamp duty is payable for subscribing for an Entitlement.

4.7 Queries concerning your Entitlement

If you have any queries concerning your Entitlement please contact the Company Secretary on +612 8405 6300.

5. ADDITIONAL INFORMATION REGARDING THE OFFER

5.1 Reliance on Offer Document

The Offer is made pursuant to section 708AA of the Corporations Act without the issue of a prospectus or disclosure document under Chapter 6D of the Corporations Act. These provisions of the Corporations Act allow rights issues and related issues to be made by providing certain confirmations to the market on the basis that all information that investors and their professional advisers would reasonably require to make an informed investment decision in relation to the Offer, when read with this Offer Document, is publicly available.

This Offer Document is not a prospectus, disclosure document or other offering document under the Corporations Act (or any other Australian or foreign law) and has not been lodged with ASIC.

For the Company to rely on the disclosure exemption in section 708AA of the Corporations Act, the Company is required to lodge a "cleansing notice" under section 708AA(2)(f) of the Corporations Act. That notice is required to:

- (a) set out any information that has been excluded from a continuous disclosure notice in accordance with the Listing Rules and that investors and their professional advisers would reasonably require, and would reasonably expect to find in a disclosure document, for the purpose of making an informed assessment of:
 - (i) the assets and liabilities, financial position and performance, profits and losses and prospects of the Company; or
 - (ii) the rights and liabilities attaching to the New CDIs; and
- (b) state the potential effect of the issue of the New CDIs on the control of the Company and the consequences of that effect.

The Company has lodged a cleansing notice in respect of the Offer with ASX on 3 May 2017.

5.2 Announcements

The Company is a disclosing entity for the purposes of the Corporations Act and is therefore subject to regular reporting and disclosure obligations under the Corporations Act and Listing Rules. These obligations require the Company to notify ASX of information about specific events and matters as they arise for the purposes of ASX making that information available to the market. In particular, the Company has an obligation (subject to certain limited exceptions) to notify ASX once it is, or becomes, aware of information concerning the Company which a reasonable person would expect to have a material effect on the price or value of the Company's securities.

Eligible CDI holders intending to participate in the Offer should refer to the announcements made by the Company to the ASX. This information is available from the ASX website, www.asx.com.au (ASX Code: SVA), and the Company's website, www.simavita.com.

Additionally the Company is also required to prepare and lodge with ASIC yearly and half yearly financial statements accompanied by a directors' statement and report and an audit review or report. These reports are released to ASX and published on the Company's and ASX's websites.

Copies of the Company's announcements and yearly and half yearly financial reports will also be available from the Company Secretary.

5.3 Risks

CDI holders should consider the investment in the context of their individual risk profile for speculative investments, investment objectives and individual financial circumstances. Each CDI holder should consult their own stockbroker, solicitor, accountant or other professional adviser before deciding whether or not to invest in the New CDIs.

An investment in New CDIs should be regarded as very speculative and involves many risks. The New CDIs carry no guarantee with respect to the payment of dividends, returns of capital or the market value of those CDIs. Further the Company is not anticipated to be cash flow positive in the short term and therefore it is anticipated the Company may require additional funding beyond the maximum amount sought under this Offer.

There is no guarantee of the amount which may be raised by the Company under the Rights Issue or the Top-Up Facility (other than the underwritten amount from the Underwriter of \$700,000, assuming that the Underwriting Agreement is not terminated for any reason) - the Company has not specified a minimum subscription amount to be raised before proceeding with the Offer. Therefore the Company may raise less than the maximum targeted to be raised under the Offer (\$1.435 million).

The Company's business and continued commercialisation of its intellectual property rights carries significant risk and competitive pressure – including commercialisation of its continence management solutions and also penetration of the US and European markets for its products.

The information in this document does not constitute a recommendation to subscribe for New CDIs and this document does not purport to contain all the information that you may require to evaluate a possible application for New CDIs. You should make your assessment of what information is relevant to your decision to participate in the Offer.

5.4 Taxation implications

Eligible CDI holders should be aware that there may be taxation implications associated with participating in the Offer. The Directors do not consider it appropriate to give CDI holders advice regarding the taxation consequences of subscribing for New CDIs under this Offer Document.

The Company, its advisers and its officers do not accept any responsibility or liability for any such taxation consequences to CDI holders. CDI holders should consult their professional tax adviser in connection with subscribing for New CDIs under this Offer Document.

5.5 Governing law

This Offer Document and the contracts which arise on the acceptance of the personalised Entitlement & Acceptance Forms are governed by the laws applicable in Victoria, Australia. Each Eligible CDI holder submits to the non-exclusive jurisdiction of the courts of Victoria.

5.6 Enquiries concerning this Offer Document

Enquiries relating to this Offer Document should be directed to the Company Secretary by telephone on +612 8405 6300.
