

Invitation

Last year Infratil invested \$715 million, of which \$166 million was internal capital spending and \$549 million was spent acquiring new holdings; by far the most active year for acquisitions in Infratil's 23 year history.

This year's presentation will focus on the new investments; Canberra Data Centres, Longroad Energy, Tilt Renewables and ANU Student Accommodation.

We would also be delighted to hear from you in advance of the presentation if there is something you would like covered.

Please reply to **Sharyn Lyford** at **RSVP@HRLMorrison.com**
or telephone 04 473 3663 if you are able to join us at one of the presentations.
