PRIVATE & CONFIDENTIAL

9 June 2017

Ms Siobhan McKenna Director Illyria Nominces Television Pty Limited 33 Nickson Street Surry Hills NSW 2010 Australia

Dear Siobhan

Ten Network Holdings Limited

I refer to our recent discussions regarding the current financial condition of Ten Network Holdings Limited (Ten) and the respective positions of Birketu Pty. Ltd. (Birketu) and Illyria Nominees Television Pty Limited as trustee for the Illyria Investment Trust No 4 (Illyria) (together the parties) as guarantors of Ten's secured A\$200 million revolving cash advance facility agreement with the Commonwealth Bank of Australia (Existing Facility), which is due to expire on 23 December 2017.

As you are aware, over the last three and a half years, Ten has reported losses of \$869.6 million and most recently reported a loss of \$232,2 million in respect of the half year to 28 February 2017. The Ten board has publicly stated that in order for Ten to meet its repayment obligations under the Existing Facility on its expiry, Ten needs to secure an amended or new borrowing facility with extended maturity and an expanded size of approximately \$250 million, the provision of which will be reliant on sufficient further guarantees being provided by the existing shareholder guarantors and/or new financiers.

In the event of a default by Ten of its obligations under the Existing Facility, there is a risk of Birketu and Illyria cach being exposed to significant liability under their respective guarantees together with a complete loss of their respective investments in Ten's equity. In such circumstances, given the commonality of the parties' interests in Ten as shareholder guarantors of Ten's debt, it may be in the parties respective commercial interests to consider whether a proposal could be formulated and agreed between Birketu and Illyria under which Ten's existing secured debt would be repaid and any guarantee support would be removed over an appropriate period (Restructure Proposal).

This letter records the basis upon which Birketu and Illyria have agreed to work together exclusively to facilitate the potential formulation, negotiation and implementation of a Restructure Proposal. The terms and conditions of any Restructure Proposal are yet to be agreed between the parties and there is no assurance that any Restructure Proposal will be made, and if made, will be successful.

For the avoidance of doubt, this letter does not constitute a proposal on the part of Birketu or Illyria or any entity either of them may control to make a takeover bid for Ten shares for the purposes of section 631 of the Corporations Act.

Discussions regarding a potential Restructure Proposal 1.

In the event Ten defaults on its obligations under the Existing Facility, including as a consequence of one or more Ten group entities being placed into external administration, then subject to all applicable laws (including the Broadcasting Services Act 1992 (Cth) (BSA)), each party must use all reasonable endeavours and commit necessary resources (including management and the resources of advisers) to develop, and once agreed, seek to negotiate and implement any Restructure Proposal.

Exclusivity and restricted conduct 2.

Other than as part of any Restructure Proposal or with the prior consent of the other party, each party:

- must not and must procure that each person who ultimately 'controls' (as defined in the Corporations Act) the (a) party and any entity 'controlled' by such person (Related Parties) do not directly or indirectly, solicit, initiate or encourage an offer, proposal, expression of interest or enquiry to or from a third party under which a third party will: (i) directly or indirectly acquire or merge with Ton, its assets or any of its subsidiaries, including by way of private treaty sale, joint venture, takeover, scheme of arrangement or deed of company arrangement; (ii) acquire 'control' (as defined in the BSA) of Ten or any of its commercial television broadcasting licences; (iii) provide debt or equity finance to Ten or any of its subsidiaries or refinances or restructured the Existing Facility, (Competing Proposal) or that may reasonably be expected to encourage or lead to a Competing Proposal (Potential Competing Proposal) even if the Competing Proposal or Potential Competing was not directly or indirectly solicited, invited encouraged or initiated by the party or any of its Related Persons;
- must immediately provide written notice to the other party if the party or any of its Related Parties receives, or **(b)** is contacted in relation to, any Competing Proposal or Potential Competing Proposal, and include within the notification details of the name of the third party and full details of the Competing Proposal or Potential Competing Proposal (including price and any terms and conditions); and
- must not and must procure that each of its Related Parties does not: (c)
 - acquire, lease or enter into an option to acquire (or offer to do any of these things) any business, (i) assers, securities or licences of Ten or any of its subsidiaries; or
 - do anything inconsistent with this letter. (ii)

Nothing in this paragraph 2 will restrict either party or their respective Related Parties from:

- (A) continuing to observe or receive and being entitled to observe or receive benefits under any existing contracts or other arrangements with Ten or any of its subsidiaries;
- (B) entering into any additional contracts or other arrangements with Ten in the ordinary course of business;
- (C) entering into any contracts or other arrangements wholly or partly in substitution for or replacement of any foregoing contract, either with Ten or any other person whatsoever; or
- (D) continuing to observe or receive and being entitled to observe or receive benefits under any existing contracts or other arrangements with Deutsche Bank AG, Sydney Branch previously publicly announced, or entering into, observing or taking the benefit of and being entitled to enter into, observe or take the benefit of any contracts or other arrangements or variations of contracts or other arrangements in respect of securities no greater in amount to those referenced in such existing contracts or other arrangements.

3. Acknowledgements

The parties agree and acknowledge:

- (a) each of the parties is entitled to vote or dispose of their shares in Ten as they see fit and nothing in this letter:
 - (i) provides, or is intended to provide, a party with any relevant interest (as defined in the Corporations Act) or other interest in or power to directly or indirectly control the voting or disposal of the other party's shares in Ton; and
 - (ii) makes, or is intended to make, either party an associate of the other for the purposes of the BSA, or to confer on one or both parties 'control' (as that term is defined in the BSA) over Ten; and
- (b) the parties act independently of each other in dealings relating to the Ten group or any of its commercial television broadcasting licences and neither party is in a position to exert influence over the business dealings of the other party in relation to the Ten group or any of its commercial television broadcasting licences.

If a provision of this letter would cause any party or any or their associates to contravene Part 5 of the BSA, but the Australian Communications and Media Authority (ACMA) has the power to grant prior approval or make an order (including under sections 67 and 61AJ of the BSA) in respect of the breach or transaction that causes such contravention, it will be a condition precedent to such provision that ACMA has granted such a prior approval or makes such an order and such provision will not take effect until such an approval is granted.

4. Confidential and public announcements

This letter will cease to be confidential when attached to a substantial holder notice filed by either of the parties. However, each party agrees not to make any public disclosure of any discussions of negotiations in relation to any Restructure Proposal (including in relation to the signing of this letter) and not to disclose any fact or content of negotiations leading up to or relating to this letter or any Restructure Proposal and any non-public information received or obtained by a party or its Related Parties, advisers or financiers regarding any Restructure Proposal or the other party and its Related Parties, other than to the extent: (a) required under an applicable law or the rules of any competent regulatory body (provided the party has not done anything to give rise to the disclosure obligation); (b) reasonably required to be disclosed to advisers, financiers or potential financiers in connection with any Restructure Proposal; or (c) approved by the other party prior to making such disclosure.

5. Term and termination

This letter commences on the date of execution by both parties and terminates on the earlier of 31 December 2017 (unless extended by written agreement of the parties) and entry into definitive documentation by the parties in respect of any Restructure Proposal.

6. Miscellaneous

This letter:

- (a) is intended to establish legally binding obligations between the parties; and
- (b) will be governed by and construed in accordance with the laws of New South Wales and each party submits to the non-exclusive jurisdiction of the courts of New South Wales.

If Illyria agrees to the matters set out above, please acknowledge Illyria's agreement by arranging for Illyria to sign a copy of this letter where indicated and returning by email a signed pdf copy to Birketu (with the original to follow by courier).
