About Stargroup

Financial technology company Stargroup Limited is the only ASX listed company deploying ATM machines in Australia and importantly, the only listed ATM company having a direct ownership interest in the manufacturer of its ATM technologies, namely NeolCP, a south Korean private company.

Stargroup Limited became the exclusive distributor of the cashPod ATM range including the recycler ATM, back office and payment technologies in Australia for the next 5 years on 7 August 2015.

Stargroup Limited, via its wholly owned subsidiaries, StarPOS and StarApps, is also an EFTPOS and payWave technologies provider and developer of the source code in its terminals via its 5 year distribution agreement with West International AB, a Swedish NASDAQ listed company, to distribute next generation EFTPOS payment terminals and solutions in Australian and New Zealand.
