ALLOTMENT OF PERFORMANCE RIGHTS UNDER EQUITY INCENTIVE PLAN

As approved by shareholders at the 2016 Annual General Meeting ("AGM"), the board of directors advises that it has granted performance rights to various employees under the approved Equity Incentive Plan ("EIP").

The principal terms of these grants are:

- (a) Total grant of 10,000,000 rights;
- (b) An exercise price of 0.0 cents per right;
- (c) Each right to convert into one fully paid ordinary share in the Company upon meeting the Vesting Conditions, with the Performance Condition and Service Condition collectively called the Vesting Conditions;
- (d) Performance Condition of the rights is that if the Volume Weighted Average Price for any 30 day (continuous) period during the six months ended 31 August 2019 equals or exceeds 5.0 cents, then 100% of the rights vest. The share price hurdle is a 'cliff face' hurdle, with no intermediate share price hurdles. If the vesting condition is not met, the rights automatically lapse; and
- (e) Service Condition of continuous employment with the Company from the date of granting the rights until the Vesting Date. If the employee leaves employment for any reason, the rights will lapse, unless the Board determines otherwise depending on the circumstances of the termination.

Full details of the EIP are available on the ASX in the 2016 Notice of AGM.

An Appendix 3B advising of the abovementioned grant is attached to this release.

For and on behalf of the Board

Mr Bruce Hatchman
Non-Executive Chairman

4 Do the +securities rank equally in all respects from the +issue date with an existing +class of quoted +securities?

If the additional +securities do not rank equally, please state:

- the date from which they do
- the extent to which they participate for the next dividend, (in the case of a trust, distribution) or interest payment
- the extent to which they do not rank equally, other than in relation to the next dividend, distribution or interest payment

No, however refer below.

A grant of a Performance Right will not give the holder a legal or beneficial interest in ordinary fully paid JCS shares until that Performance Right vests. Prior to vesting, Performance Rights do not carry a right to vote or receive dividends.

When Performance Rights have vested, ordinary fully paid JCS shares will be allocated. These shares will rank equally with existing JCS shares.

Each right will have the following terms:

- (a) An exercise price of 0.0 cents per right;
- (b) Each right to convert into one fully paid ordinary share in the Company upon meeting the Vesting Conditions, with the Performance Condition and Service Condition collectively called the Vesting Conditions;
- (c) Performance Condition of the rights is that if the Volume Weighted Average Price for any 30 day (continuous) period during the six months ended 31 August 2019 equals or exceeds 5.0 cents, then 100% of the rights vest. The share price hurdle is a 'cliff face' hurdle, with no intermediate share price hurdles. If the vesting condition is not met, the rights automatically lapse; and
- (d) Service Condition of continuous employment with the Company from the date of granting the rights until the Vesting Date. If the employee leaves employment for any reason, the rights will lapse, unless the Board determines otherwise depending on the circumstances of the termination.
