#### PRE-QUOTATION DISCLOSURE

The following information is required to be provided to ASX Limited (ASX) for release to the market in connection with the official quotation, on a deferred settlement basis, of the fully paid ordinary shares (Shares) in Audinate Group Limited (ACN 618 616 916) (Audinate or the Company).

Capitalised terms which have not been otherwise defined in this document, have the meaning given to them in the prospectus lodged by Audinate with the Australian Securities and Investments Commission on 13 June 2017 (**Prospectus**).

#### 1. CLOSE OF THE OFFERS (Resolution 1.1)

The offers under the Prospectus (**Offers**) closed on 28 June 2017 and the following securities were issued under the Offers:

- 17,237,622 Shares to applicants under the Retail Offer at an issue price of \$1.22 per Share;

## 2. ALLOCATION (Resolutions 2.1.1)

The basis of the allocation for the Shares under the Offers between the Broker Firm Offer, Institutional Offer and Priority Offer was determined by the Company in consultation with the Lead Manager, having regard to the allocation policies outlined in section 7 of the Prospectus. The basis of allocation of Shares under the Offers is described below:

- **Broker Firm Offer**. For Broker Firm Offer participants, the relevant broker decided how to allocate Shares among its eligible retail clients, and it (and not the Company or the Lead Manager) was responsible for ensuring that retail clients who received an allocation from it, received the relevant Shares.
- **Institutional Offer.** The allocation of Shares to participants under the Institutional Offer was agreed by the Company and the Lead Manager. The Lead Manager has advised participants under the Institutional Offer of their allocations.
- **Priority Offer.** The allocation of Shares to participants under the Priority Offer was agreed by the Company and the Lead Manager. The Lead Manager, Registry or the Company has advised participants under the Priority Offer of their allocations.
- **Employee Gift Offer.** The allocation of Shares to participants under the Employee Gift Offer was determined by the Company. Each Eligible Employee (as defined in the Prospectus) that received a personalised invitation to participate in the Employee Gift Offer from the Company, was entitled to an allocation of \$1,000 worth of Shares.
- **Employee Incentive Offer.** The allocation of Performance Rights under the Employee Incentive Offer was determined by the Company.

Applicants may make general enquiries regarding the Offers by contacting the Offer Information Line at 1300 551 242 (within Australia) or +61 1300 551 242 (outside Australia) from 8:30am until 5:30pm (AEST) Monday to Friday

#### 7. RESTRICTED SECURITIES (Resolutions 2.1.13 and 2.2.14)

The Company has entered into a number of mandatory escrow agreements and voluntary escrow agreements with certain security holders (Escrow Agreements).

The following securities in the Company are restricted securities which are subject to a 24 month restriction period which commences from the date of official quotation of the Company's shares on the ASX, pursuant to the Listing Rules:

Holder	Number of Shares	Number of Options	Performance
			Rights
David John Myers	1,455,721	204,000	0
David Krall	293,958	186,042	0
Lee Ellison	820	320,000	267,811
Yamaha Corporation	2,190,947	0	0

The securities in the Company that are subject to voluntary restrictions are set out in **Appendix C**. We refer to section 7.12 of the Prospectus which notes that approximately 1.8 million Shares held by

certain other employees of the Audinate group (other than directors and senior executives) would be subject to the voluntary escrow arrangements set out in the table in 7.12 of the Prospectus. Whilst this was the intention of the Company at the date of the Prospectus, the Company confirms that 1,295,312 Shares held by other employees (other than directors and senior executives) will be subject to voluntary escrow arrangements (ie. 427,000 less Shares are subject to such voluntary escrow arrangements than originally intended). The number of Shares held by directors and senior executives of the Audinate group that are subject to voluntary escrow arrangements has not changed to that disclosed in section 7.12 of the Prospectus.

#### 8. LEE ELLISON PERFORMANCE RIGHTS (Resolution 2.1.15)

#### 9. COMPLETION OF IMPLEMENTATION DEED (Resolutions 1.7 and 2.1.16)

The Company confirms the satisfaction of all conditions precedent to, and completion of the transactions contemplated by, the Implementation Deed dated 13 June 2017 between the Company, Audinate Pty Ltd and the security holders of Audinate Pty Ltd, as described in the Prospectus, with such transactions completing on 30 June 2017.

The Company also confirms that it has issued 42,227,511 Shares and 3,265,042 options to acquire Shares to existing security holders of Audinate Pty Ltd in exchange for their shares and options in Audinate Pty Ltd in accordance with the terms of the Implementation Deed. Further to this, rather than receiving Shares in exchange for their shares in Audinate Pty Ltd, the Selling Shareholders elected to receive cash from the proceeds of the Offer in the amount of \$7,029,899.

The Company confirms that, with effect from completion of the transactions contemplated by the Implementation Deed, it has acquired all of the issued capital of Audinate Pty Ltd, and that Audinate Pty Ltd is wholly owned by the Company.

#### 10. INSTITUTIONAL BOOKBUILD (Resolution 2.1.17)

The Company confirms the following in relation to funds raised pursuant to the institutional bookbuild process for the Offer that was undertaken prior to the date of the Prospectus (**Bookbuild**):

- 17,237,622 Shares were issued under the Bookbuild at an issue price of \$1.22;
- no material number of Shares have been taken up by a person or persons who are promoters or related parties of the Company;
- no concessionary fee or other arrangements were entered into which have had the result that the effective issue price paid by some allottees differs materially from the price determined by the Bookbuild as announced by the Company;
- no arrangements have been entered into which have had the result that some allottees receive a material benefit for agreeing to participate in the Bookbuild at the price determined by the Bookbuild as announced by the Company and which is not received by other allottees; and
- no arrangements were entered into between the Company and its associates, or the Lead Manager, to avoid a shortfall or an appearance of a shortfall, in the Bookbuild.
