US Participants must pay to Company or any Group Company, or make arrangements satisfactory to the Board for payment of, any Tax Withholding Obligation in respect of Awards granted under the Plan no later than the date of the event creating the tax or social insurance contribution liability. The obligations of Company or any Group Company under the Plan are conditional on such payment or arrangements. The Company or any Group Company may deduct, to the extent permitted by law, any such Tax Withholding Obligations from any payment of any kind otherwise due to the Participant or holder of an Award.
14. It is intended that all Awards granted under these Rules to a Participant who is a US Participant at the time of receipt of the invitation to apply for the Award or becomes a US Participant at any time during the Exercise Period such Awards will fall within the short-term deferral provisions of United States Treasury Regulation section 1.409A-1(b)(4) or otherwise be exempt from or comply with the provisions of Section 409A, and to the extent reasonably possible the Rules and the Award granted thereunder will be administered, interpreted and construed consistent with that intention.
15. Paragraph 13 will not be construed as a guarantee by the Company or any Group Company of any particular tax effect to a Participant. No Group Company will be liable to a Participant for any payment or issuance of Shares made under these Rules or any Award that is determined to result in an additional tax, penalty, or interest under Section 409A.
16. Notwithstanding clause 8.7, in the event that a US Participant's Award become vested pursuant to clause 8.1 and on the date of such vesting the Participant is a "specified employee" within the meaning of Section 409A, as determined in good faith by the Board, such Performance Rights to the extent that they do not require payment of an Exercise Price

will be deemed to have been validly exercised on the first business day that is more than six months after the date the Participant ceases to be employed by a Group Company and may not be exercised by the Participant earlier than such business day; provided, however, that this delayed exercise provision will be imposed only if the Performance Rights are not otherwise exempt from Section 409A.

2 ADDENDUM - UK PARTICIPANTS

This Schedule applies to all Participants who are resident (or who become resident) in the United Kingdom for United Kingdom tax purposes ("**UK Participant**").

In the event of any conflict between the Rules and this Schedule, this Schedule will prevail for Participants who are UK Participants.

Words and expressions defined in the Rules have the same meaning as in this Schedule unless noted below.

1. It is a term of each Award that each UK Participant agrees to indemnify and keep indemnified the Company and each Group Company, to the extent permitted by law, in respect of any Tax Liability which arises in relation to that Award.
2. If, on the exercise of any Options or Performance Rights, a Tax Liability for which the UK Participant is liable by virtue of paragraph 1 arises, the Options or Performance Rights must not be exercised unless the UK Participant has entered into arrangements acceptable to the Company to ensure that the relevant Group Company will receive an amount equal to the amount of such Tax Liability.
3. Without prejudice to the generality of paragraph 2, the Company may require that each UK Participant authorises the Company to sell on the Participant's behalf sufficient of the Shares to which the Participant is otherwise entitled following exercise of the Options or Performance Rights, to raise an amount (after deducting tax and expenses in relation to the sale) equivalent to such Tax Liability and to use the sales proceeds to satisfy that Tax Liability.
4. A UK Participant will, if so requested by the Company, enter into an irrevocable joint election with his or her employing company pursuant to section 431 of the *Income Tax (Earnings and Pensions) Act 2003* ("**ITEPA**"), in a form specified by the Company, that for the relevant tax purposes the market value of the Shares acquired is to be calculated as if the Shares were not restricted securities (as defined in section 423 of the ITEPA) and sections 425 to 430 of the ITEPA are not to apply to such Shares.
5. Each Award made to a UK Participant is non-pensionable.
6. For the purposes of this Schedule, "**Tax Liability**" means an amount equal to the income tax and/or national insurance contributions (including, where required by the Company and to the extent permitted in law, employer's national insurance contributions) for which the Company or any Group Company has accounted or may be required to withhold and/or account for to HM Revenue & Customs (or other fiscal authority) as a consequence of:
 - (a) the making of an Award and/or the transfer of any Shares in connection with it;
 - (b) the vesting of any Award or the making of any Vesting Notification;
 - (c) the exercise or Cancellation of any Options or Performance Rights;
 - (d) any Share Award or Loan Funded Share being, or ceasing to be liable to be, Bought

Back or surrendered;

- (e) the making, waving or satisfaction of any Loan;
- (f) any other event relating to an Award; and/or
- (g) the failure of the Participant to reimburse any such income tax and/or national insurance contributions within the period required by section 222 of the ITEPA.
