## OPERATIONAL UPDATE

### ADDED 7.53GWh OF BILLING AN INCREASE OF 7.03% IN JUNE TO 114.67GWh

- LPE is billing 114.67GWh, an increase from 107.138GWh at 30 June 2017, representing a 7.03% increase during the month
- An additional 7.53GWh has commenced billing in the month of June 2017

**Locality Planning Energy Holdings Limited** (ASX: LPE) (the Company) is pleased to inform shareholders of an additional 7.53GWh in billing contracts Under Management (UM) through the month of June, representing an 7.03% increase over the month.

This month resulted in a return to the average volume converted into UM. The Directors expect this monthly conversion into UM to continue and unless a material fluctuation occurs, operational updates will be made quarterly within the Company's Appendix 4C quarterly report moving forward.

**Ends**

#### **About Locality Planning Energy Holdings Limited (LPE)**

LPE's wholly owned subsidiary Locality Planning Energy Pty Ltd, holds an Australian Energy Regulator (AER) Authority to sell electricity and utility services to residential, commercial and industrial customers throughout the National Energy Market. LPE specialises in electricity sales to strata communities, both existing and new developments; generating significant savings on electricity delivered to strata communities.

LPE's unique purchasing model is matched against 5 to 10 year supply contracts providing LPE with consistent recurring revenues. LPE is transforming the electricity supply industry by providing an intelligent solution to help its customers reduce high electricity costs, with no risk and no upfront cost. LPE is at the forefront of innovative electricity supply with a commitment to the integration of technology to provide the highest savings and consumer advocacy to its customers.
