## **TELSTRA FLIES “AIR SELFIE CAMERA” WITH PURCHASE ORDER!**

### **1. Highlights**

- ✓ Telstra, Australia’s largest telco, has placed an initial purchase order for the AirSelfie Camera;
- ✓ Initially stocked in 65 Telstra stores.

### **2. Purchase Order**

The IOT Group Limited (ASX: IOT) (“IOT Group” or “the Company”) is pleased to advise that Australia’s largest Telco, Telstra Corporation Limited (“Telstra”), has placed their first set of purchase orders for the AirSelfie Camera.

The AirSelfie Camera will initially be sold through 65 of their select Telstra-Owned stores, which include their Tier 1 stores, Discovery stores, Experience Centres and +61 stores.

This initial order from Telstra helps underpin IOT Groups’ view that the AirSelfie Camera is a very innovative and attractive product, helping Telco’s achieve growth in Tech products outside of mobile phones and accessories.

The Telstra Discovery Stores offer a unique experience in Telco retailing with complete solutions for the home, business and mobile connectivity. The Stores features “+61”, a new tech accessories store, which includes the latest range of wireless speakers, headphones, drones, connected bags, and wearables.

With the ROVA already in distribution at one the largest US Telcos, T-Mobile, as well as numerous online and big box retailers. The AirSelfie Camera adds a further unique product to the IOT product range allowing IOT to be well positioned to capitalise on the growing market demand for flying Selfie cameras.

### 3. Commentary

In updating investors, IOT Group's Executive Director Mr Ian Dufell noted

*"The recent news that SNAPCHAT is looking to buy the Company which manufactures the Hover Selfie Camera for US\$200M is consistent with IOT Group's experience that US consumers see the Flying Selfie Camera as the new trend for capturing moments to share on social media"*

*"The major consumer electronics retailers view this emerging product sector as a key growth area for this Christmas sales season. The IOT Group believes it is well positioned to capitalise on this new category with the AirSelfie Camera and the ROVA."*
