DOWNER ENCOURAGES REMAINING SPOTLESS SHAREHOLDERS TO ACCEPT THE RECOMMENDED OFFER OFFER EXTENDED TO 7PM ON MONDAY, 14 AUGUST 2017 (UNLESS FURTHER EXTENDED)

Downer EDI Limited (**Downer**) refers to its unconditional takeover offer (**Offer**) for Spotless Group Holdings Limited (**Spotless**).¹

Downer has decided to extend the Offer Period for one week, so that the Offer will now remain open for acceptance until 7:00pm (Sydney time) on Monday, 14 August 2017 (unless further extended under the *Corporations Act 2001* (Cth)).

A seventh supplementary bidder's statement (**Seventh Supplement**), which encloses a formal notice under section 650D of the Corporations Act in connection with the extension of the Offer Period will be lodged with the ASX today.

Downer encourages remaining Spotless shareholders to accept the offer promptly and without delay for the following reasons:

- **The Spotless Board has unanimously recommended that Spotless shareholders accept the Offer of \$1.15 cash per share**
- **The Offer Price of \$1.15 cash per Spotless share provides compelling value for Spotless shareholders, being a 59% premium to the closing price of Spotless shares on 20 March 2017 (being the last trading day prior to the announcement of the Offer)**
- **Holders of 86.7%² of the shares in Spotless have accepted the Offer or sold their shares to Downer**
- **Spotless shareholders who do not accept the Offer will remain minority shareholders in Spotless unless Downer Services is able to proceed with compulsory acquisition. There are a number of risks in remaining a minority shareholder in Spotless, including:**
 - Downer Services is in a position to cast the majority of votes at a general meeting of Spotless and has majority representation on the Spotless Board. This will enable it to determine, among other things, Spotless' dividend policy and capital structure and control the strategic direction of Spotless;³
 - S&P Dow Jones Indices has removed Spotless from the S&P/ASX200 Index. Downer expects that this will result in a further reduction in liquidity and less institutional support for Spotless shares;
 - With a shareholding of 86.7%², Downer has the ability to pass a special resolution of Spotless. This will enable Downer to, among other things, change the Spotless constitution; and
 - Downer will seek to have Spotless removed from the Official List of the ASX if the number of Spotless shareholders is less than that required by the ASX to maintain an ASX listing.⁴ If Spotless is delisted from the ASX, there will be no ongoing market in Spotless shares.
- **If the Offer closes and Spotless remains listed on the Official List of the ASX, the Spotless share price is likely to trade at a substantial discount to the Offer Price**
- **Remaining Spotless shareholders should accept the Offer as soon as possible to realise a certain cash premium for their Spotless shares**

¹ Downer's takeover offer through wholly-owned subsidiary Downer EDI Services Pty Ltd (**Downer Services**) for all of the issued shares in Spotless Group Holdings Limited that it does not already own, announced on 21 March 2017.

² As at 4:30pm on Monday, 7 August 2017.

⁴ See section 2.3 of the Bidder's Statement for further information in relation to Downer Services' intentions to delist Spotless and the requirements which need to be satisfied in order to do so.
