About Audinate Group Limited

Audinate Group Ltd (ASX:AD8) was founded with a vision to revolutionise professional and commercial audio for the 21st century. Audinate's award winning Dante audio over IP networking solution is the worldwide leader and used extensively in the professional live sound, commercial installation, broadcast, public address, and recording industries. Dante replaces traditional analogue audio cables by transmitting perfectly synchronized audio signals across large distances, to multiple locations at once, using nothing more than an Ethernet cable. Audinate is headquartered in Australia and has regional offices in the United States, United Kingdom and Hong Kong. Dante technology powers products available from hundreds of leading audio partners around the world. The company's ordinary shares are traded on the Australian Securities Exchange (ASX) under the ticker code AD8.
