1 Significant accounting policies

Capral Limited (**Capral**) is a company domiciled in Australia. The consolidated half-year financial report of Capral for the half-year period ended 30 June 2017 comprises Capral and its subsidiaries (**consolidated entity**).

(a) Statement of compliance

The half-year financial report is a general purpose financial report prepared in accordance with Australian Accounting Standard AASB 134: Interim Financial Reporting (which complies with the International Financial Reporting Standard IAS 34: Interim Financial Reporting), other mandatory professional reporting requirements and the Corporations Act 2001.

This half-year financial report does not include all the notes of the type normally included in an annual financial report. This report is to be read in conjunction with the most recent annual financial report for the year ended 31 December 2016 and any public announcements made by Capral during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

(b) Basis of preparation

Capral is a company of the kind referred to in ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191, dated 24 March 2016, and in accordance with this, amounts in the Directors' Report and the half-year financial report are rounded off to the nearest thousand dollars, unless otherwise indicated.

The half-year financial report has been prepared on the basis of historical cost, except for the revaluation of certain financial assets and liabilities at fair value through profit and loss and certain classes of property, plant and equipment. Cost is based on the fair values of consideration given in exchange for assets. Except where indicated otherwise, all amounts are presented in Australian dollars.

The accounting policies and methods of computation adopted in the preparation of the half-year financial report are consistent with those adopted and disclosed in Capral's annual report for the financial year ended 31 December 2016.

(c) Significant accounting judgements, estimates and assumptions

In the application of Capral's accounting policies, Management is required to make judgements, estimates and assumptions about carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

There are no changes to the significant accounting judgement, estimates and assumptions from 31 December 2016.

(d) Adoption of new and revised standards

Capral has adopted all of the new and revised Standards and Interpretations issued by the Australian Accounting Standards Board that are relevant to its operations and effective for the current reporting period. Adoption of these Standards and Interpretations did not have any material effect on the financial position or performance of the consolidated entity.

for the half-year ended 30 June 2017

(e) Standards and interpretations in issue not yet adopted

At the date of authorisation of the financial statements, the Standards and Interpretations listed below were in issue but not yet effective. Management is currently assessing the impact of these standard interpretations on the amounts reported in the financial statements.

Standard/Interpretation	Effective for annual reporting periods beginning on or after	Expected to be initially applied in the financial year ending
AASB 9 'Financial Instruments', and the relevant amending standards	1 January 2018	31 December 2018
AASB 15 'Revenue from Contracts with Customers', AASB 2014-5 'Amendments to Australian Accounting Standards arising from AASB 15', AASB 2015-8 'Amendments to Australian Accounting Standards – Effective Date of AASB 15', and AASB 2016-3 'Amendments to Australian Accounting Standards – Clarifications to AASB 15'	1 January 2018	31 December 2018
AASB 16 Leases	1 January 2019	31 December 2019
Classification and Measurement of Share-based Payment Transactions (Amendment to IFRS 2)	1 January 2018	31 December 2018

(f) Impairment of non-current assets

At each reporting date, the Group reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any). Where the asset does not generate cash flows that are independent from other assets, the Group estimates the recoverable amount of the cash-generating unit (CGU) to which that asset belongs. Management views the Group as representing one CGU.

If there is an indication of impairment, the recoverable amount of property, plant & equipment and intangible assets will be determined by reference to a value in use discounted cash flow valuation of the Group, utilising financial forecasts and projections.

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a post-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted. Cash flows that may result from prior period tax losses are not taken into account. If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (CGU) is reduced to its recoverable amount. An impairment loss is recognised in profit or loss immediately.

No impairment assessment was performed at 30 June 2017 as there was no indication of impairment or reversal of impairment.

13 Deed of Cross Guarantee

Pursuant to ASIC Class Order 98/1418, the wholly owned subsidiary, Aluminium Extrusion and Distribution Pty Limited (**AED**) is relieved from the Corporations Act 2001 requirement for the preparation, audit and lodgement of financial reports.

It is a condition of that class order that Capral and AED enter into a Deed of Cross Guarantee (**Deed**). Under the Deed, Capral guarantees the payment of all debts of AED in full, in the event of a winding up. AED in turn has guaranteed the payment of the debts of Capral in full in the event that it is wound up.

for the half-year ended 30 June 2017

14 Key management personnel

Remuneration arrangements of key management personnel are disclosed in the 2016 annual financial report. In addition, refer to Notes 6 and 10 in relation to changes during the half year; performance rights granted to Capral's current Managing Director, conversion of performance rights to ordinary shares to Capral's executives, and securities granted and expired under the LTIP.

15 Subsequent events

No matter or circumstance has arisen since the end of the half-year that has significantly affected, or may significantly affect the consolidated entity's operations, the results of those operations or the consolidated entity's state of affairs in future financial years.

DIRECTORS' DECLARATION

The directors declare that:

- a) in the directors' opinion, there are reasonable grounds to believe that Capral will be able to pay its debts as and when they become due and payable; and
- b) in the directors' opinion, the attached financial statements and notes thereto are in accordance with the Corporations Act 2001, including compliance with accounting standards and giving a true and fair view of the financial position and performance of the consolidated entity.

At the date of this declaration, Capral is within the class of companies affected by ASIC Class Order 98/1418. The nature of the deed of cross guarantee is such that each company which is party to the deed, guarantees to each creditor payment in full of any debt in accordance with the deed of cross guarantee.

In the director's opinion, there are reasonable grounds to believe that Capral and the companies to which the ASIC Class Order applies, as detailed in Note 13 of the half-year report will, as a group, be able to meet any obligations or liabilities to which they are, or may become, liable by virtue of the deed of cross guarantee.

Signed in accordance with a resolution of the directors made pursuant to s.303 (5) of the Corporations Act 2001.

Independent Auditor's Review Report to the Members of Capral Limited

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Capral Limited, which comprises the condensed consolidated statement of financial position as at 30 June 2017, and the condensed consolidated statement of profit or loss and other comprehensive income, the condensed consolidated statement of cash flows and the condensed consolidated statement of changes in equity for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the end of the half-year or from time to time during the half-year as set out on pages 3 to 14.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Corporations Act 2001 and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of the consolidated entity's financial position as at 30 June 2017 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001. As the auditor of Capral Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us

to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Auditor's Independence Declaration

In conducting our review, we have complied with the independence requirements of the Corporations Act 2001. We confirm that the independence declaration required by the Corporations Act 2001, which has been given to the directors of Capral Limited, would be in the same terms if given to the directors as at the time of this auditor's review report.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Capral Limited is not in accordance with the Corporations Act 2001, including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 30 June 2017 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.
