TikForce Enters Exclusive Agreement with AngloGold Ashanti

- TikForce enters exclusive, two-year commercial agreement with AngloGold Ashanti Australia Ltd
- TikForce to provide fully managed verification pre-qualification service to contractors engaged on AngloGold Ashanti projects in Australia
- In Australia, the TikForce solution will provide compliance support for AngloGold Ashanti Australia Ltd's Tropicana and Sunrise Dam operations

TikForce Limited (ASX: TKF, 'the Company or TikForce') is pleased to announce that it has entered into a two year commercial agreement with AngloGold Ashanti Australia Ltd, a wholly-owned subsidiary of global gold mining company, AngloGold Ashanti Ltd.

AngloGold Ashanti Ltd (ASX code: AGG) is a leading global gold producer, with 17 operations in 9 countries. It is listed on the JSE, NYSE and ASX.

TikForce will provide an exclusive fully managed verification and pre-qualification service of all contractors engaged on AngloGold Ashanti projects in Australia.

AngloGold Ashanti has a approximately 1,200 authorised contractors entities at its Australian operations.

Under the terms of the contract;

- AAGA shall pay Tikforce an annual subscription fee;
- AAGA's authorised users will pay transaction fees to Tikforce for the verification services; and
- Tikforce may provide consultancy services to AAGA;

TikForce's compliance platform offers a simple user experience and complete visibility, traceability and reporting capability of the entire supply chain.

The TikForce implementation team will immediately commence with the Recovery Enhancement Project recently awarded to GR Engineering and progressive rolling out the solution to encompass all contractors within AngloGold Ashanti Australia's operations.

The managed solution will be implemented at the Tropicana (AngloGold Ashanti Australia 70% and manager, Independence Group NL 30%) and Sunrise Dam gold mines in Western Australia.

TikForce Managing Director, Kevin Baum commented, "I am thrilled to be entering into a partnership to support the compliance requirements of one of the premier global gold mining operators. The TikForce platform has been designed to provide a comprehensive verification solution, that will provide AGA complete visibility and real-time reporting of all individuals and contractors, throughout their respective supply chain. The completion of the contractual arrangement with AAGA evidences the benefit of the continued industry consultation and validates the move to full commercial engagement."

About AngloGold Ashanti Ltd <http://www.anglogoldashanti.com/>

Headquartered in Johannesburg, South Africa, AngloGold Ashanti has a globally diverse, world-class portfolio of operations and projects. AngloGold Ashanti is the third-largest gold mining company in the world, measured by production. It has 17 gold mines in 9 countries, as well as exploration programmes in both the established and new gold producing regions of the world.

AngloGold Ashanti has two operations in Australasia, both located in the northern goldfields of Western Australia. These are:

- **Sunrise Dam** (100%), located 220km northeast of Kalgoorlie and 55km south of Laverton; and
- **Tropicana**, an unincorporated joint venture between AngloGold Ashanti Australia Ltd (70%) and Independence Group NL (30%). The operation is located 330km east-northeast of Kalgoorlie in Western Australia.

About TikForce <http://www.tikforce.com/>

Tikforce is a Human Resource Technology Platform that provides businesses with a more efficient and complete solution for workforce identity, compliance checks and credentials and qualification screening.

The TikForce Platform reduces risk and effort when selecting or when monitoring of individuals or suppliers and their workers.

The TikForce platforms, TikForce.com & Tik.me, are faster, cheaper, lower risk and more comprehensive than traditional systems for individuals and businesses.
