## Completion of MineOptima Acquisition

31 August 2017

RPMGlobal Holdings Limited (ASX: RUL) [RPM] refers to its previous announcement of 1 August 2017, and today confirms it has finalised the acquisition of 100% of the issued share capital of MineOptima, a leading global private company with more than 20 years' experience developing software applications which design the optimal equipment access layouts for underground mines.

Effective 31 August 2017, all necessary completion conditions of the acquisition agreement have been finalised including RPM paying the cash on completion.
