1 Financial statements and reports

The Corporations Act requires the Financial Report, Directors' Report and Audit Report to be laid before the Annual General Meeting. In addition, the Constitution provides for such reports to be received and considered at the Annual General Meeting.

Apart from the matters involving remuneration, which are required to be voted upon, neither the Corporations Act nor the Constitution requires Shareholders to vote on such reports.

However, Shareholders will be given ample opportunity to ask questions or make comments about these reports and the management at the Annual General Meeting.

2 Resolution 1 – Adoption of the Remuneration Report
