International IT Recruiter, Halcyon Knights signs with Gooroo

Key highlights:

- **Multi award-winning IT recruitment & Executive Search agency, Halcyon Knights subscribes to Gooroo**
- **Gooroo's assessment platform is expected to deliver greater intelligence and accuracy to their candidate search, screening & selection processes**

Halcyon Knights is an award-winning, specialist Executive Search and IT recruitment agency with offices now in Melbourne, Sydney, Canberra, Auckland and Singapore. With 200-300 open Contract and Permanent roles at any one time and over 40 recruitment consultants; Halcyon Knights have established a reputation for service, quality and innovation.

Halcyon Knights has access to Gooroo's full-suite of tools including:

- Predictive candidate matching, ranking and reporting
- Role benchmarking
- Candidate assessments
- Talent communities
- Insights and analytics

Gooroo is currently onboarding members of the Halcyon Knights team. Halcyon Knights pay a monthly subscription based on job volumes to access the Gooroo platform.

In May 2017 Gooroo launched its enterprise sales program in Australia. This contract represents further validation of Gooroo's unique value proposition and an insight in to the welcoming reception that Gooroo is now receiving in market.

Comments from Lincoln Benbow, Director & Co-Founder

The recruitment sector is fiercely competitive and our team at Halcyon Knights is committed to bringing innovation and value to our clients. The Gooroo platform enables us to gain a deeper understanding of our candidates and make recommendations more confidently to our clients to help de-risk their hiring decision. We are excited about the long-term value that the Gooroo platform will deliver our business as we continue our growth strategy.

Comments from Greg Muller, CEO of Gooroo Ventures

Halcyon Knights is a firm committed to delivering competitive advantage and value to their clients beyond filling a role. At Gooroo, we're interested in working with recruiters who value the important role they have in placing the best candidates. Halcyon Knights is one of these agencies and we're very much looking forward to helping Lincoln, Marcus and their team grow through innovation.

About Gooroo

Gooroo is an assessment platform that delivers unparalleled levels of accuracy and insight in the hiring process.

Using artificial intelligence and neuroscience, Gooroo predicts an individual's potential contribution to a role allowing candidates to be ranked; reducing the cost and error rate in the hiring process. Gooroo benchmarks and analytics help hiring managers design high performing teams that are engaged and focused on growth, innovation and outcomes. Personalised insights make existing talent databases more usable and valuable while the company's advanced matching technology accurately pinpoints quality candidates from millions of profiles.

The Gooroo's platform can remove up to 90% of the time wasted in screening and shortlisting talent, while improving selection accuracy by over 70% and reducing churn.

In May 2017, Gooroo begun commercial enterprise sales in the Australian market.

In June 2017, Gooroo was awarded Innovation of the Year in the Big Data / Machine Learning category at the AIIA iAwards (Vic).

In January 2016, Gooroo announced a global alliance with Microsoft.
