Notes to the financial statements
For the half-year ended 30 June 2017

Note 1. Significant accounting policies

These general purpose financial statements for the interim half-year reporting period ended 30 June 2017 have been prepared in accordance with Australian Accounting Standard AASB 134 'Interim Financial Reporting' and the Corporations Act 2001, as appropriate for for-profit oriented entities. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'.

These general purpose financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these financial statements are to be read in conjunction with the annual report for the year ended 31 December 2016 and any public announcements made by the company during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

The principal accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period, unless otherwise stated.

New, revised or amending Accounting Standards and Interpretations adopted

The consolidated entity has adopted all of the new, revised or amending Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new, revised or amending Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the consolidated entity.

The following Standards became effective for annual reporting periods beginning on or after 1 January 2017 and therefore effective for the current interim period:

- *AASB 2016-1: Amendments to Australian Accounting Standards - Recognition of Deferred Tax Assets for Unrealised Losses;*
- *AASB 2016-2: Amendments to Australian Accounting Standards - Disclosure Initiative: Amendments to AASB 107;*
- *AASB 2016-4: Amendments to Australian Accounting Standards - Recoverable Amount of Non-Cash-Generating Specialised Assets of Not-for-Profit Entities; and*
- *AASB 2017-2: Amendments to Australian Accounting Standards - Further Annual Improvements 2014-2016 Cycle.*

In the circumstances of Emperor Range Group Limited, it has been deemed that the above Standards have no impact on the financial statements of the entity, either inherently or by virtue of the nature of the operations of the entity. However, users should be alert to the potential impact of such Standards on recognition and measurement.

Note 2. Operating segments

The consolidated entity is organised into one single operating segment, being mining and exploration in Xinjiang Autonomous Region of the People's Republic of China. All non-current assets are held under Fujian Sanming Longhui Industry & Trade Co., Ltd, the Chinese operating entity located in the People's Republic of China. This operating segment is based on the internal reports that are reviewed and used by the Board of Directors (who are identified as the Chief Operating Decision Makers ('CODM')) in assessing performance and in determining the allocation of resources.

Note 8. Going Concern

The half-year financial report has been prepared on a going concern basis, which contemplates the continuity of normal business activity and realisation of assets and settlement of liabilities in the normal course of business. This includes the realisation of capitalised exploration and evaluation expenditure of \$1,662,218 (31 December 2016: \$1,676,600).

The consolidated entity has incurred a net loss after tax for the half year ended 30 June 2017 of \$144,128 (30 June 2016: \$180,654) and operations were funded by a net cash outflow of \$150,680 (30 June 2016: \$170,892).

The consolidated entity's ability to continue as a going concern is contingent on raising additional capital and/or the successful exploration and subsequent exploitation of its areas of interest through sale or development. Should the consolidated entity not achieve the matters set out above, there would then be significant uncertainty over the ability of the consolidated entity to continue as a going concern, and, therefore, it may have to realise its assets and extinguish its liabilities, other than in the ordinary course of business and at amounts different from those stated in the half-year financial report.

The half year financial report does not include any adjustments that may be necessary if the consolidated entity is unable to continue as a going concern.

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF EMPEROR RANGE GROUP LIMITED

Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Emperor Range Group Limited, which comprises the consolidated statement of financial position as at 30 June 2017, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half-year ended on that date, notes comprising a statement of accounting policies and other explanatory information, and the directors' declaration of the consolidated entity comprising the company and the entities it controlled at the half-year's end or from time to time during the half-year.

Directors' Responsibility for the Half-Year Financial Report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the consolidated entity's financial position as at 30 June 2017 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of Emperor Range Group Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Emperor Range Group Limited, would be in the same terms if given to the directors as at the time of this auditor's review report.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Emperor Range Group Limited is not in accordance with the *Corporations Act 2001* including:

- (i) Giving a true and fair view of the consolidated entity's financial position as at 30 June 2017 and of its performance for the half-year ended on that date; and
- (ii) Complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulations 2001*.

Emphasis of matter - Material uncertainty relating to going concern

We draw attention to Note 8 in the financial report which describes the events and/or conditions which give rise to the existence of a material uncertainty that may cast significant doubt about the consolidated entity's ability to continue as a going concern and therefore the consolidated entity may be unable to realise its assets and discharge its liabilities in the normal course of business. Our conclusion is not modified in respect of this matter.
