

## Oneview Healthcare enters into a contract with St. Jude Children's Research Hospital, Inc. for deployment of its Oneview Connect Solution

20 September, 2017: Oneview Healthcare PLC ("Oneview") (ASX:ONE) the Australian-listed Irish healthcare company, announced today as mandated by Rule 3.1 of the ASX Listing Rules that it has signed a contract with St. Jude Children's Research Hospital for deployment of its interactive patient engagement and clinical workflow mobile application to help improve the experience for 7,500 patients seen annually at its Memphis, Tennessee campus.

Oneview Connect is a mobile app that provides a single view of a patient's healthcare events. Users can tap to see all their appointments, admissions, education items and goals, while also generating their own content, such as pictures, patient-reported outcomes and assessments. In addition, the app will engage patients and their caregivers with proactive notifications.

### About Oneview Healthcare

When it comes to the healthcare experience, Oneview Healthcare is helping industry leaders worldwide see a better way. Oneview's interactive patient care platform enables hospitals and healthcare facilities to embrace the growing demand for consumer-centric care, while also empowering clinicians to focus on what they do best – improving the lives of those they care for. In addition to providing benefits to patients, their families and staff, Oneview is proving that facilities can improve the patient experience and reduce costs at the same time. With Oneview, hospitals are achieving quantifiable, cost-saving improvements across their organizations including improved HCAHPS ratings and reduced re-admissions. Established in 2007, Oneview has offices in the U.S., Ireland, Australia and Asia.
