JPMorgan Global Macro Opportunities Fund

ARSN 611 865 948

Annual report

for the period 13 April 2016 to 30 June 2017

Contents

These financial statements cover JPMorgan Global Macro Opportunities Fund as an individual entity.
The Responsible Entity of JPMorgan Global Macro Opportunities Fund is Perpetual Trust Services Limited (ABN 48 000 142 049).
The Responsible Entity's registered office is Level 18, 123 Pitt Street, Sydney NSW 2000.

Directors' report

The directors of Perpetual Trust Services Limited, (the "Responsible Entity") of JPMorgan Global Macro Opportunities Fund, (the "Fund"), present their report together with the financial statements, for the period 13 April 2016 to 30 June 2017.

Principal activities

The Fund is a registered managed investment scheme domiciled in Australia.

The Fund continued to invest funds in accordance with the provisions of the Fund's Constitution.

The Fund did not have any employees during the period.

There were no significant changes in the nature of the Fund's activities during the period.

Directors

The following persons held office as directors of Perpetual Trust Services Limited during the period or since the end of the period and up to the date of this report:

Cannane, Andrew Vincent	(Alternate: Ellwood, Rodney Garth	Resigned 03/04/2017)
	(Alternate: Riggio, Vicki	Appointed 01/11/2016)
Vainauskas, Michael Henry	(Alternate: McIver, Andrew	Appointed 13/01/2017)
Green, Christopher	(Alternate: Ellwood, Rodney Garth	Appointed 07/12/2015)
Foster, Glenn Stephen	(Alternate: Wesley, Neil	Appointed 13/01/2017)
	(Alternate: Wesley, Neil	Resigned 14/07/2017)
	(Alternate: Larkins, Gillian	Appointed 14/07/2017)

Review of operations

During the period, the Fund invested in accordance with target asset allocation as set out in the governing documents of the Fund and in accordance with the provisions of the Fund's Constitution.

Unit Redemption Prices

The key differences between net assets for unit pricing purposes and net assets attributed to unitholders as reported in the financial statements prepared under Australian Accounting Standards have been outlined below:

	Period ended 30 June 2017 $'000
Redemption value of outstanding units	16,932
Adjustments for differences in valuation inputs	-
Net assets attributable to unitholders	16,932

Directors' report (continued)

Results

The performance of the Fund, as represented by the results of its operations, was as follows:

	Period ended 30 June 2017
Operating profit before finance costs attributable to unitholders ($′000)	**615**
Distributions	
Distribution paid and payable ($′000)	**127**
Distribution (cents per unit)	**0.75**

Significant changes in state of affairs

In the opinion of the directors, there were no significant changes in the state of affairs of the Fund that occurred during the reporting period.

Matters subsequent to the end of the reporting period

No matter or circumstance has arisen since 30 June 2017 that has significantly affected, or may significantly affect:

(i) the operations of the Fund in future financial years, or

(ii) the results of those operations in future financial years, or

(iii) the state of affairs of the Fund in future financial years.

Likely developments and expected results of operations

The Fund will continue to be managed in accordance with the investment objectives and guidelines as set out in the governing documents of the Fund and in accordance with the provisions of the Fund’s Constitution.

The results of the Fund's operations will be affected by a number of factors, including the performance of investment markets in which the Fund invests. Investment performance is not guaranteed and future returns may differ from past returns. As investment conditions change over time, past returns should not be used to predict future returns.

Indemnity and insurance of officers and auditors

No insurance premiums were paid for out of the assets of the Fund in regards to insurance cover provided to either the officers of Perpetual Trust Services Limited or the auditors of the Fund. So long as the officers of Perpetual Trust Services Limited act in accordance with the Fund’s Constitution and the Law, the officers remain indemnified out of the assets of the Fund against losses incurred while acting on behalf of the Fund. The auditors of the Fund are in no way indemnified out of the assets of the Fund.

Fees paid to and interests held in the Fund by the Responsible Entity or its associates

Fees paid to the Responsible Entity and its associates out of the Fund's property during the period are disclosed in Note 14 to the financial statements.

No fees were paid out of Fund property to the directors of the Responsible Entity during the period.

The number of interests in the Fund held by the Responsible Entity or its associates as at the end of the reporting period are also disclosed in Note 14 to the financial statements.

Directors' report (continued)

Interests in the Fund

The movement in units on issue in the Fund during the period is disclosed in Note 9 to the financial statements.

The value of the Fund's assets and liabilities is disclosed on the Balance sheet and derived using the basis set out in Note 2 to the financial statements.

Environmental regulation

The operations of the Fund are not subject to any particular or significant environmental regulations under a Commonwealth, State or Territory law.

Rounding of amounts to the nearest thousand dollars

The Fund is a registered scheme of a kind referred to in ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191, issued by the Australian Securities and Investments Commission relating to the "rounding off" of amounts in the directors' report and financial statements. Amounts in the directors' report and the financial statements have been rounded in accordance with ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191, unless otherwise indicated.

Auditor's independence declaration

A copy of the Auditor's independence declaration as required under Section 307C of the *Corporations Act 2001* is set out on page 5.

This report is made in accordance with a resolution of the directors.

Director

Sydney
18 September 2017

Auditor's Independence Declaration

As lead auditor for the audit of JPMorgan Global Macro Opportunities Fund for the period 13 April 2016 to 30 June 2017, I declare that to the best of my knowledge and belief, there have been:

(a) no contraventions of the auditor independence requirements of the *Corporations Act 2001* in relation to the audit; and

(b) no contraventions of any applicable code of professional conduct in relation to the audit.

Net cash inflow from financing activities		**16,444**
Net increase in cash and cash equivalents		**37**
Cash and cash equivalents at the end of the year	11	**37**
Non-cash financing activities	12(b)	**-**

The above Statement of cash flows should be read in conjunction with the accompanying notes.

1 General information

These financial statements cover JPMorgan Global Macro Opportunities Fund (the "Fund") as a registered managed investment scheme. The Fund was constituted on 13 April 2016.

The Responsible Entity of the Fund is Perpetual Trust Services Limited (the "Responsible Entity"). The Responsible Entity's registered office is Level 18, 123 Pitt Street, Sydney, NSW 2000.The financial statements are presented in Australian currency.

The Fund invests substantially in the underlying sub-fund with the strategy as set out in the governing documents of the Fund. The investment policy of the Fund continues to be in accordance with the provisions of the Fund's Constitution.

The financial statements were authorised for issue by the directors on 18 September 2017. The directors of the Responsible Entity have the power to amend and reissue the financial statements.

2 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented, unless otherwise stated in the following text.

(a) Basis of preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board and the *Corporations Act 2001* in Australia. The Fund is a for profit unit trust for the purpose of preparing the financial statements.

The financial statements are prepared on the basis of fair value measurement of assets and liabilities except where otherwise stated.

The Balance sheet is presented on a liquidity basis. Assets and liabilities are presented in decreasing order of liquidity and do not distinguish between current and non-current. All material balances are expected to be recovered or settled within 12 months, except for investments in financial assets and net assets attributable to unitholders. The amount expected to be recovered or settled within 12 months after the end of each reporting period cannot be reliably determined.

The Fund manages financial assets at fair value through profit or loss based on the economic circumstances at any given point in time, as well as to meet any liquidity requirements. As such, it is expected that a portion of the portfolio will be realised within 12 months, however, an estimate of that amount cannot be determined as at balance sheet date.

In the case of net assets attributable to unitholders, the units are redeemed on demand at the unitholders' option. However, holders of these instruments typically retain them for the medium to long term. As such, the amount expected to be settled within 12 months cannot be reliably determined.

(i) Compliance with International Financial Reporting Standards

The financial statements of the Fund also comply with International Financial Reporting Standards as issued by the International Accounting Standards Board.

(ii) New and amended standards adopted by the Fund

There are no standards, interpretations or amendments to existing standards that are effective for the first time for the financial period beginning 13 April 2016 that have a material impact on the Fund.

2 Summary of significant accounting policies (continued)

(b) Financial instruments

(i) Classification

The Fund's investments are categorised as at fair value through profit or loss. They comprise:

- Financial instruments designated at fair value through profit or loss upon initial recognition

These include financial assets and financial liabilities that are not held for trading purposes and which may be sold. These are investments in unlisted unit trusts.

Financial assets and financial liabilities designated at fair value through profit or loss at inception are those that are managed and their performance evaluated on a fair value basis in accordance with the documented investment strategy. The Fund's policy is for the Responsible Entity and its appointed Investment Manager to evaluate the information about these financial instruments on a fair value basis together with other related financial information.

(ii) Recognition / derecognition

The Fund recognises financial assets and financial liabilities on the date it becomes party to the contractual agreement (trade date) and recognises changes in fair value of the financial assets or financial liabilities from this date.

Investments are derecognised when the right to receive cash flows from the investments have expired or have been transferred and the Fund has transferred substantially all risks and rewards of ownership.

(iii) Measurement

Financial assets and liabilities held at fair value through profit or loss

At initial recognition, the Fund measures a financial asset at its fair value. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the Statement of comprehensive income.

Subsequent to initial recognition, all financial assets and financial liabilities at fair value through profit or loss are measured at fair value. Gains and losses arising from changes in the fair value of the 'financial assets or financial liabilities at fair value through profit or loss' category are presented in the Statement of comprehensive income within net gains/(losses) on financial instruments held at fair value though profit or loss in the period in which they arise.

For further details on how the fair values of financial instruments are determined please see Note 5 to the financial statements.

(iv) Offsetting financial instruments

Financial assets and financial liabilities are offset and the net amount reported in the Balance sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis, or realise the asset and settle the liability simultaneously. Refer to Note 4 to the financial statements for further information.

(c) Net assets attributable to unitholders

Units are redeemable at the unitholders' option, however, applications and redemptions may be suspended by the Responsible Entity if it is in the best interests of the unitholders. The units are classified as financial liabilities as the Fund is required to distribute its distributable income, in accordance with the Fund's Constitution.

The units can be put back to the Fund at any time for cash based on the redemption price, which is equal to a proportionate share of the Fund's net asset value attributable to the unitholders.

The units are carried at the redemption amount that is payable at balance sheet date if the holder exercises the right to put the unit back to the Fund.

(d) Cash and cash equivalents

For the purpose of presentation in the Statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short term, highly liquid investments with original maturities of three months or less from the date of acquisition that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts.

Payments and receipts relating to the purchase and sale of investment securities are classified as cash flows from operating activities, as movements in the fair value of these securities represent the Fund's main income generating activity.

2 Summary of significant accounting policies (continued)

(e) Investment income

Interest income is recognised in the Statement of comprehensive income for all financial instruments that are held at fair value through profit or loss using the effective interest method. Interest income on assets held at fair value through profit or loss is included in the net gains/(losses) on financial instruments. Other changes in fair value for such instruments are recorded in accordance with the policies described in Note 2(b).

The effective interest method is a method of calculating the amortised cost of a financial asset or financial liability and of allocating the interest income or interest expense over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash payments or receipts throughout the expected life of the financial instrument, or a shorter period where appropriate, to the net carrying amount of the financial asset or liability. When calculating the effective interest rate, the Fund estimates cash flows considering all contractual terms of the financial instrument (for example, prepayment options) but does not consider future credit losses. The calculation includes all fees paid or received between the parties to the contract that are an integral part of the effective interest rate, including transaction costs and all other premiums or discounts.

Trust distributions are recognised on an entitlement basis.

(f) Expenses

All expenses covered by management costs,including fees payable to the Responsible Entity and the Investment Manager are recognised in the Statement of comprehensive income on an accruals basis.

(g) Income tax

Under current legislation, the Fund is not subject to income tax as unitholders are presently entitled to the income of the Fund. The benefits of imputation credits and foreign tax paid are passed on to unitholders.

(h) Distributions

In accordance with the Fund’s Constitution, the Fund distributes income adjusted for amounts determined by the Responsible Entity and the Investment Manager, to unitholders by cash or reinvestment. The distributions are recognised in the Statement of comprehensive income as finance costs attributable to unitholders.

(i) Increase/decrease in net asset attributable to unitholders

Income not distributed is included in net assets attributable to unitholders. Movements in net assets attributable to unitholders are recognised in the Statement of comprehensive income as finance costs.

(j) Foreign currency translation

(i) Functional and presentation currency

Items included in the Fund's financial statements are measured using the currency of the primary economic environment in which it operates (the “functional currency”). This is the Australian dollar, which reflects the currency of the economy in which the Fund competes for funds and is regulated. The Australian dollar is also the Fund's presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translations at period end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the Statement comprehensive income.

Non monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported in the Statement of comprehensive income on a net basis within gains/(losses) on financial instruments held at fair value through profit or loss.

2 Summary of significant accounting policies (continued)

(k) Due from/to brokers

Amounts due from/to brokers represent receivables for securities sold and payables for securities purchased that have been contracted for but not yet delivered by the end of the period. Trades are recorded on trade date, and for equities normally settled within three business days. A provision for impairment of amounts due from brokers is established when there is objective evidence that the Fund will not be able to collect all amounts due from the relevant broker. Indicators that the amount due from brokers is impaired include significant financial difficulties of the broker, probability that the broker will enter bankruptcy or financial reorganisation and default in payments.

(l) Receivables and accrued income

Receivables may include amounts for interest and trust distributions. Trust distributions are accrued when the right to receive payment is established. Interest is accrued at the end of each reporting period from the time of last payment in accordance with the policy set out in Note 2(e) above. Amounts are generally received within 30 days of being recorded as receivables.

(m) Payables

Payables include liabilities and accrued expenses owing by the Fund which are unpaid as at the end of the reporting period.

The distribution amount payable to unitholders as at the end of each reporting period is recognised separately in the Balance sheet when unitholders are presently entitled to the distributable income under the Fund's Constitution.

(n) Applications and redemptions

Applications received for units in the Fund are recorded net of any entry fees payable prior to the issue of units in the Fund. Redemptions from the Fund are recorded gross of any exit fees payable after the cancellation of units redeemed.

(o) Goods and Services Tax (GST)

The GST incurred on the costs of various services provided to the Fund by third parties such as custodial services and investment management fees have been passed onto the Fund. The Fund qualifies for Reduced Input Tax Credits (RITC) at a rate of 55% or 75%; hence investment management fees, custodial fees and other expenses have been recognised in the Statement of comprehensive income net of the amount of GST recoverable from the Australian Taxation Office (ATO). Accounts payable are inclusive of GST. The net amount of GST recoverable from the ATO is included in receivables in the Balance sheet. Cash flows relating to GST are included in the Statement of cash flows on a gross basis.

(p) Use of estimates

The Fund makes estimates and assumptions that affect the reported amounts of assets and liabilities within the next financial year. Estimates are continually evaluated and based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

For the majority of the Fund's financial instruments, quoted market prices are readily available. However, certain financial instruments, for example over the counter derivatives or unquoted securities, are fair valued using valuation techniques. Where valuation techniques (for example, pricing models) are used to determine fair values, they are validated and periodically reviewed by experienced personnel of the Responsible Entity and the Investment Manager, independent of the area that created them.

Models use observable data, to the extent practicable. However, areas such as credit risk (both own and counterparty), volatilities and correlations require management to make estimates. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

For certain other financial instruments, including amounts due from/to brokers and payables, the carrying amounts approximate fair value due to short term nature of these financial instruments.

2 Summary of significant accounting policies (continued)

(q) New accounting standards and interpretations

Certain new accounting standards and interpretations have been published that are not mandatory for the 30 June 2017 reporting period and have not been early adopted by the Fund. The director's assessment of the impact of these new standards (to the extent relevant to the Fund) and interpretations is set out below:

(i) AASB 9 Financial Instruments (and applicable amendments), (effective from 1 January 2018)

AASB 9 Financial Instruments addresses the classification, measurement and derecognition of financial assets and financial liabilities. It has now also introduced revised rules around hedge accounting and impairment. The standard is not applicable until 1 January 2018 but is available for early adoption.

The directors do not expect this to have a significant impact on the recognition and measurement of the Fund’s financial instruments as they are carried at fair value through profit or loss.

The derecognition rules have not been changed from the previous requirements, and the Fund does not apply hedge accounting. AASB 9 introduces a new impairment model. However, as the fund’s investments are all held at fair value through profit or loss, the change in impairment rules will not impact the fund.

The Fund has not yet decided when to adopt AASB 9.

(ii) AASB 15 Revenue from Contracts with Customers, (effective from 1 January 2018)

The AASB has issued a new standard for the recognition of revenue. This will replace AASB 118 which covers contracts for goods and services and AASB 111 which covers construction contracts.

The new standard is based on the principle that revenue is recognised when control of a good or service transfers to a customer – so the notion of control replaces the existing notion of risks and rewards.

The Fund's main sources of income are interest, dividends, distributions and gains on financial instruments held at fair value. All of these are outside the scope of the new revenue standard. As consequence, the directors do not expect the adoption of the new revenue recognition rules to have a significant impact on the Fund's accounting policies or the amounts recognised in the financial statements.

(r) Rounding of Amounts

The Fund is a registered scheme of a kind referred to in ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191, issued by the Australian Securities and Investments Commission relating to the "rounding off" of amounts in the directors' report and financial statements. Amounts in the directors' report and financial statements have been rounded to the nearest thousand in accordance with ASIC Corporations (Rounding in Financial/Directors' Reports) Instrument 2016/191, unless otherwise indicated.

3 Financial risk management

The Fund's activities expose it to a variety of financial risks: market risk (including price risk, foreign exchange risk and interest rate risk), credit risk and liquidity risk.

The Fund's overall risk management programme focuses on ensuring compliance with the governing documents of the Fund and seeks to maximise the returns derived for the level of risk to which the Fund is exposed. Financial risk management is carried out by the Investment Manager.

The discussion in this note relates to the risks of the Fund on the basis of the Fund's direct investments and not on a look-through basis to investments held via interposed investment funds.

The Fund uses different methods to measure different types of risks to which the Fund is exposed. These methods include sensitivity analysis in the case of interest rate, foreign exchange and other price risks and ratings analysis for credit risk.

3 Financial risk management (continued)

(a) Market risk

(i) Price risk

The Fund invests substantially in units that correspond to the JPMorgan Investment Funds – Global Macro Opportunities Fund (the "underlying Sub-Fund"). The Fund is directly exposed to equity securities price risk which arises from the investment in the underlying Sub-Fund for which the unit price in the future is uncertain. The underlying Sub-Fund invests in equity securities and derivatives. Any indirect exposure the Fund may have to the market risks of the investments made by the underlying Sub-Fund is captured within the price risk sensitivity analysis which is based on the Fund's direct investment in the underlying Sub-Fund.

At 30 June, the fair value of equities exposed to price risk were as follows:

	As at 30 June 2017
	$'000
Unlisted unit trusts designated at fair value through profit or loss	**17,086**
Net total	**17,086**

The table presented in Note 3(b) summarises the impact of an increase/decrease of 20% in the Bloomberg AusBond Bank Bill Index (the "benchmark") on the Fund's net assets attributable to unitholders. The analysis is based on assumptions that the index increased/decreased by 20% with all other variables held constant and that the fair value of the Fund's portfolio held in the underlying Sub-Fund moved according to the historical returns with the benchmark index. The impact mainly arises from the reasonably possible changes in the fair value of the underlying Sub-Fund..

(ii) Foreign exchange risk

Foreign exchange risk arises as the value of monetary securities denominated in other currencies will fluctuate due to changes in exchange rates. The foreign exchange risk relating to non monetary assets and liabilities is a component of price risk not foreign exchange risk.

The Fund does not have any direct exposure to foreign exchange risk. Sensitivity analysis is not applicable.

(iii) Cash flow and fair value interest rate risk

The Fund does not have direct exposure to interest risk, except for in relation to interest payments on cash held and this is not deemed to be significant. The Fund also does not hold any investments in financial instruments with fixed or variable interest rates which would expose the Fund to fair value interest rate risk.

3 Financial risk management (continued)

(a) Market risk (continued)

(iii) Cash flow and fair value interest rate risk (continued)

The tables below summarise the Fund's period end assets and liabilities that have floating interest rates, fixed interest rates or are non-interest bearing.

30 June 2017	Floating interest rate $'000	Fixed interest rate $'000	Non-interest bearing $'000	Total $'000
Financial assets				
Cash and cash equivalents	**37**	**–**	**–**	**37**
Receivables	**–**	**–**	**37**	**37**
Financial assets held at fair value through profit or loss	**–**	**–**	**17,086**	**17,086**
Total Assets	**37**	**–**	**17,123**	**17,160**
Financial liabilities				
Distribution payable	**–**	**–**	**127**	**127**
Payables	**–**	**–**	**66**	**66**
Due to brokers - payable for securities purchased	**–**	**–**	**35**	**35**
Total liabilities (excluding net assets attributable to unitholders)	**–**	**–**	**228**	**228**
Net assets attributable to unitholders - liability	**37**	**–**	**16,895**	**16,932**
Net exposure	**37**	**–**	**16,895**	**16,932**

An analysis of financial liabilities by maturities is provided in Note 3(d)

3 Financial risk management (continued)

(b) Summarised sensitivity analysis

The following table summarises the sensitivity of the Fund's operating profit and net assets attributable to unitholders to price risk. The reasonably possible movements in the risk variables have been determined based on management's best estimate, having regard to a number of factors, including historical high/low returns of the Fund's investments with the relevant benchmark and market volatility. However, actual movements in the risk variables may be greater or less than anticipated due to a number of factors including unusually large market movements resulting from changes in the performance of and/or correlation between the performances of the economies, markets and securities in which the Fund invests. As a result historic variations in risk variables should not be used to predict future variations in the risk variables.

	Impact on operating profit and net assets attributable to unitholders	
	As at 30 June 2017	
	+20%	-20%
	$'000	$'000
Price risk	**3,417**	**(3,417)**

(c) Credit risk

The Fund is exposed to credit risk, which is the risk that a counterparty will be unable to pay amounts in full when they fall due.

The assets of the Fund principally consist of financial instruments which comprise investments in unlisted unit trusts with counterparties which have no direct credit ratings.

The carrying amount of financial assets included in the Balance sheet represents the Fund's maximum exposure to credit risk in relation to these assets as at 30 June 2017.

The exposure to credit risk for cash and cash equivalents is low as all counterparties have a rating of A or higher.

(d) Liquidity risk

Liquidity risk is the risk that the Fund may not be able to generate sufficient cash resources to settle its obligations in full as they fall due or can only do so on terms that are materially disadvantageous.

The Fund is exposed to daily cash redemptions of redeemable units. The Fund primarily holds investments that are not traded in active markets.

Investments in unlisted unit trusts expose the Fund to the risk that the Responsible Entity or the Investment Manager or those trusts may be unwilling or unable to fulfill the redemption requests within the timeframe requested by the Fund. In order to manage the Fund's overall liquidity, the Responsible Entity has the discretion to reject an application for units and to defer or adjust redemption of units if the exercise of such discretion is in the best interests of unitholders. The Fund did not reject or withhold any redemption during 2017 or 2016.

The table below analyses the Fund's financial liabilities into relevant maturity groupings based on the remaining period at the end of the reporting period. The amounts in the table are contractual undiscounted cash flows. Units are redeemed on demand, at the unitholder's option. However, the directors do not envisage that the contractual maturity disclosed in the table will be representative of the actual cash outflows, as holders of these instruments typically retain them for the medium to long term.

30 June 2017	**Less than 1 month $'000**	**1 - 6 months $'000**	**6 - 12 months $'000**	**Over 12 months $'000**	**Total $'000**
Distribution payable	**127**	**–**	**–**	**–**	**127**

4 Offsetting financial assets and financial liabilities

Financial assets and liabilities are reported on a gross basis in the Balance Sheet. The Fund did not hold any derivative instruments during the period ended 30 June 2017.

5 Fair value measurement

The Fund measures and recognises the following assets and liabilities at fair value on a recurring basis

- Financial assets / liabilities designated at fair value through profit or loss (FVPL) (see Note 7)

The Fund has no assets or liabilities measured at fair value on a non-recurring basis in the current reporting period.

AASB 13 requires disclosure of fair value measurements by level of the following fair value hierarchy;

(a) quoted prices (unadjusted) in active markets for identical assets or liabilities (level 1)

(b) inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly or indirectly (level 2); and

(c) inputs for the asset or liability that are not based on observable market data (unobservable inputs) (level 3)

(i) Fair value in an active market (level 1)

The fair value of financial assets and liabilities traded in active markets is based on their quoted market prices at the end of the reporting period without any deduction for estimated future selling costs.

The Fund values its investments in accordance with the accounting policies set out in Note 2. For the majority of its investments, the Fund relies on information provided by independent pricing services for the valuation of its investments.

The quoted market price used for financial assets held by the Fund is the current bid price; the appropriate quoted market price for financial liabilities is the current asking price. When the Fund holds derivatives with offsetting market risks, it uses mid market prices as a basis for establishing fair values for the offsetting risk positions and applies this bid or asking price to the net open position, as appropriate.

A financial instrument is regarded as quoted in an active market if quoted prices are readily and regularly available from an exchange, dealer, broker, industry group, pricing service, or regulatory agency, and those prices represent actual and regularly occurring market transactions on an arm's length basis.

(ii) Fair value in an inactive or unquoted market (level 2 and 3)

The fair value of financial assets and liabilities that are not traded in an active market is determined using valuation techniques. These include the use of recent arm's length market transactions, reference to the current fair value of a substantially similar other instrument, discounted cash flow techniques, option pricing models or any other valuation technique that provides a reliable estimate of prices obtained in actual market transactions.

Where discounted cash flow techniques are used, estimated future cash flows are based on management's best estimates and the discount rate used is a market rate at the end of the reporting period applicable for an instrument with similar terms and conditions.

For other pricing models, inputs are based on market data at the end of the reporting period. Fair values for unquoted equity investments are estimated, if possible, using applicable price/earnings ratios for similar listed companies adjusted to reflect the specific circumstances of the issuer.

Investments in other unlisted unit trusts are recorded at the redemption value per unit as reported by the investment managers of such funds.

Some of the inputs to these models may not be market observable and are therefore estimated based on assumptions.

The output of a model is always an estimate or approximation of a value that cannot be determined with certainty, and valuation techniques employed may not fully reflect all factors relevant to the positions the Fund holds. Valuations are therefore adjusted, where appropriate, to allow for additional factors including liquidity risk and counterparty risk.

5 Fair value measurement (continued)

(ii) Fair value in an inactive or unquoted market (level 2 and 3) (continued)

The tables below set out the Fund's financial assets (by class) measured at fair value according to the fair value hierarchy at 30 June 2017.

30 June 2017	**Level 1**	**Level 2**	**Level 3**	**Total**
	$'000	**$'000**	**$'000**	**$'000**
Financial assets				
Financial assets designated at fair value through profit or loss:				
Unlisted unit trusts	**–**	**17,086**	**–**	**17,086**
Total	**–**	**17,086**	**–**	**17,086**

The Fund's policy is to recognise transfers into and transfers out of fair value hierarchy levels as at the end of the reporting period.

(iii) Transfers between levels

There were no transfers between the levels of the fair value hierarchy during the period ended 30 June 2017.

6 Net gains/(losses) on financial instruments held at fair value through profit or loss

Net gains/(losses) recognised in relation to financial assets and financial liabilities held at fair value through profit or loss:

	Period ended 30 June 2017 $'000
Net unrealised gains on financial instruments designated at fair value through profit or loss	516
Net realised losses on financial instruments designated at fair value through profit or loss	(28)
Total net gains on financial instruments held at fair value through profit or loss	488

7 Financial assets held at fair value through profit or loss

	As at 30 June 2017 $'000
Designated at fair value through profit or loss	
Unlisted unit trusts	17,086
Total designated at fair value through profit or loss	17,086
Total financial assets held at fair value through profit or loss	17,086
Comprising:	
Unlisted unit trusts	
International unlisted unit trusts	17,086
Total unlisted unit trusts	17,086
Total financial assets held at fair value through profit or loss	17,086

An overview of the risk exposures relating to financial assets held at fair value through profit or loss is included in Note 3 and Note 5.

8 Structured entities

A structured entity is an entity that has been designed so that voting or similar rights are not the dominant factor in deciding who controls the entity, and the relevant activities are directed by means of contractual arrangements.

An interest in a structured entity is any form of contractual or non contractual arrangement with an entity which creates variability in returns from the performance of the arrangement for the Fund.

The Fund may invest in related and unrelated managed funds and considers these underlying fund investments to be interests in structured entities. The Fund generally has no involvement with these structured entities other than the securities it holds as part of its investments. The maximum exposure to loss on investments in structured entities is restricted to the carrying value of the asset.

The exposure to investments in related investment funds are summarised in Note 14. These investments are managed in accordance with financial risk management practices as set out in Note 3.

9 Net assets attributable to unitholders

Movement in number of units and net assets attributable to unitholders during the period were as follows:

	As at	
	30 June 2017 No '000	**30 June 2017 $'000**
Opening balance	**–**	**–**
Applications	**17,555**	**17,618**
Redemptions	**(1,217)**	**(1,174)**
Increase in net assets attributable to unitholders	**–**	**488**
Closing balance	**16,338**	**16,932**

As stipulated within the Fund’s Constitution, each unit represents a right to an individual share in the Fund and does not extend to a right in the underlying assets of the Fund. There are no separate classes of units and each unit has the same rights attaching to it as all other units of the Fund.

Capital risk management

The Fund considers its net assets attributable to unitholders as capital, notwithstanding net assets attributable to unitholders are classified as a liability. The amount of net assets attributable to unitholders can change significantly on a daily basis as the Fund is subject to daily applications and redemptions at the discretion of unitholders.

Daily applications and redemptions are reviewed relative to the liquidity of the Fund's underlying assets on a daily basis by the Responsible Entity and Investment Manager Under the terms of the Fund’s Constitution, The Responsible Entity has the discretion to reject an application for units and to defer or adjust a redemption of units if the exercise of such discretion is in the best interests of unitholders.

The Fund's investment strategy remains unchanged and it continues to hold direct investments which provide exposure to liquid assets including equity securities, income securities, interest earnings and cash equivalent securities. As such, the Fund will meet any capital requirements from the liquidation of liquid assets, which include cash and cash equivalents.

10 Distributions to unitholders

The distributions during the period were as follows:

	Period ended 30 June 2017	
	$'000	CPU
Distributions payable		
- 30 June	127	0.75
	127	

11 Cash and cash equivalents

	As at 30 June 2017
	$'000
Domestic cash at bank	37
Total cash and cash equivalents	37

12 Reconciliation of operating profit to net cash outflow from operating activities

	Period ended 30 June 2017 $'000
(a) Reconciliation of operating profit to net cash outflow from operating activities	
Operating profit for the year	**615**
Net gains on financial instruments held at fair value through profit or loss	**(488)**
Proceeds from sale of financial instruments held at fair value through profit or loss	**909**
Purchase of financial instruments held at fair value through profit or loss	**(17,472)**
Net change in accrued income and receivables	**(37)**
Net change in payables	**66**
Net cash outflow from operating activities	**(16,407)**

(b) Non-cash financing and investing activities

During the year, the following distribution payments were satisfied by the issue of units under the distribution reinvestment plan	**–**

13 Remuneration of auditors

During the period the following fees were paid or payable for services provided by the auditor of the Fund.

	Period ended 30 June 2017 $
PricewaterhouseCoopers	
Audit and other assurance services	
Audit of financial statements	**8,323**
Audit of compliance plan	**3,968**
Total remuneration for audit and other assurance services	**12,291**

All audit fees were borne by the Fund during the years ended 30 June 2017.

14 Related party transactions

Responsible Entity

The Responsible Entity of the Fund is Perpetual Trust Services Limited (ABN 48 000 142 049).

Key management personnel

Key management personnel includes persons who were directors of Perpetual Trusts Services Limited at any time during the reporting period as follows:

Cannane, Andrew Vincent	(Alternate: Ellwood, Rodney Garth	Resigned 03/04/2017)
	(Alternate: Riggio, Vicki	Appointed 01/11/2016)
Vainauskas, Michael Henry	(Alternate: McIver, Andrew	Appointed 13/01/2017)
Green, Christopher	(Alternate: Ellwood, Rodney Garth	Appointed 07/12/2015)
Foster, Glenn Stephen	(Alternate: Wesley, Neil	Appointed 13/01/2017)
	(Alternate: Wesley, Neil	Resigned 14/07/2017)
	(Alternate: Larkins, Gillian	Appointed 14/07/2017)

There were no other persons with responsibility for planning, directing and controlling the activities of the Responsible Entity of the Fund, directly or indirectly during the reporting period.

Management costs and other transactions

Under the terms of the Fund's Constitution, the management costs comprise of the management fees payable to the Responsible Entity and the Investment Manager as well as the expenses of the Fund such as costs associated with custody and administration of the Fund, costs associated with the provision of legal and tax services for the Fund and any incidental expenses.

The management costs were capped at 0.75% per annum of the net asset value of the Fund, accruing daily and payable in arrears. Where actual expenses result in the management costs exceeding 0.75% of the net asset value of the Fund for the year, such expenses will be paid out of the assets of the Fund and the difference reimbursed back to the Fund by the Investment Manager. The costs are inclusive of GST and net of any applicable input tax credits and reduced input tax credit.

During the year the Investment Manager reimbursed $57,394 into the Fund and $30,221 as reimbursement receivable will be paid when the invoices are due to ensure the management cost cap was not exceeded.

All related party transactions are conducted on normal commercial terms and conditions. The transactions during the period and amounts payable at the end of the period between the Fund and the Responsible Entity / the Investment Manager are as follows:

	Period ended 30 June 2017 $
Management costs for the period	**161,995**
Management costs reimbursements for the period	**87,615**
Net Management costs for the year	**74,380**

Key management personnel unitholdings

As at 30 June 2017, no key management personnel held units in the Fund

Key management personnel remuneration

Key management personnel are paid by Responsible Entity. Payments made from the Fund do not include any amounts directly attributable to key management personnel remuneration.

14 Related party transactions (continued)

Key management personnel loan disclosures

The Fund has not made, guaranteed or secured, directly or indirectly, any loans to the key management personnel or their personally related entities at any time during the reporting period.

Related party unitholdings

Parties related to the Fund including Perpetual Trust Services Limited or the Investment Manager, JPMorgan Asset Management (Australia) Limited, its affiliates or other funds managed by these entity's held units in the Fund as follows:

30 June 2017	Number of units held opening	Number of units held closing	Fair value of investments	Interest held	Number of units acquired	Number of units disposed	Distribution paid/payable by the Fund
Unitholder	**Units**	**Units**	**$**	**%**	**Units**	**Units**	**$**
JPMorgan Asset Management (Australia) Limited	-	-	-	-	500,000	500,000	-

Investments

The Fund held investments in the following schemes which were also managed by the Investment Manager, JPMorgan Asset Management (Australia) Limited or its related parties:

30 June 2017	Fair value of investment	Interest held	Distribution received/ receivable	Number of units acquired	Number of units disposed
	$	**%**	**$**	**Units**	**Units**
JPM Global Macro Opportunities X (dist) – AUD (Hedged)	**17,086,252**	**0.27**	**199,437**	**1,741,604**	**(94,756)**
	17,086,252		**199,437**	**1,741,604**	**(94,756)**

The fair value of financial assets $17,086,252 is included in financial assets at fair value through profit or loss in the balance sheet.

The proportion of ownership interest is equal to the proportion of the voting power held.

The Fund's maximum exposure to loss from its interest in investee funds is equal to the total fair value of its investments in the investee funds as there are no off Balance sheet exposure relating to any of the investee funds. Once the fund has disposed of its shares in an investee fund, it ceases to be exposed to any risk from that investee fund.

The Fund did not hold any investments in the Responsible Entity during the year.

Other transactions within the Fund

Apart from those details disclosed in this Note, no directors have entered into a material contract with the Fund during the reporting period and there were no material contracts involving director's interests subsisting at period end.

JPMorgan Chase Bank, N.A., Sydney Branch provides Custody, Fund Administration and Registry Services to the Fund.

15 Events occurring after the reporting period

No significant events have occurred since the end of the reporting date which would impact on the financial position of the Fund disclosed in the Balance sheet as at 30 June 2017 or on the results and cash flows of the Fund for the period ended on that date.

16 Contingent assets, liabilities and commitments

There are no outstanding contingent assets, liabilities or commitments as at 30 June 2017.

Directors' declaration

In the opinion of the directors of the Responsible Entity:

(a) the financial statements and notes set out on pages 6 to 25 are in accordance with the *Corporations Act 2001*, including:

  (i) complying with Accounting Standards, *the Corporations Regulations 2001* and other mandatory professional reporting requirements; and

  (ii) giving a true and fair view of the Fund's financial position as at 30 June 2017 and of its performance for the financial year ended on that date;

(b) there are reasonable grounds to believe that the Fund will be able to pay its debts as and when they become due and payable; and

(c) Note 2(a) confirms that the financial statements comply with International Financial Reporting Standards as issued by the International Accounting Standards Board.

This declaration is made in accordance with a resolution of the directors.

Director

Sydney
18 September 2017

Independent auditor's report

To the unitholders of JPMorgan Global Macro Opportunities Fund

Our opinion

In our opinion:

The accompanying financial report of JPMorgan Global Macro Opportunities Fund (the Registered Scheme) is in accordance with the *Corporations Act 2001*, including:

(a) giving a true and fair view of the Registered Scheme's financial position as at 30 June 2017 and of its financial performance for the period 13 April 2016 to 30 June 2017

(b) complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

What we have audited

The financial report comprises:

- the balance sheet as at 30 June 2017
- the statement of comprehensive income for the period 13 April 2016 to 30 June 2017
- the statement of changes in equity for the period 13 April 2016 to 30 June 2017
- the statement of cash flows for the period 13 April 2016 to 30 June 2017
- the notes to the financial statements, which include a summary of significant accounting policies
- the directors of the Responsible Entity's declaration.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the financial report* section of our report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Registered Scheme in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Other information

The Directors of the Responsible Entity are responsible for the other information. The other information obtained at the date of this auditor's report comprises the Directors' Report included in the annual report, but does not include the financial report and our auditor's report thereon.

PricewaterhouseCoopers, ABN 52 780 433 757
One International Towers Sydney, Watermans Quay, Barangaroo, GPO BOX 2650, SYDNEY NSW 2001
T: +61 2 8266 0000, F: +61 2 8266 9999, www.pwc.com.au

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the directors of the Responsible Entity for the financial report

The directors of the Responsible Entity of the Registered Scheme are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and *Corporations Act 2001* and for such internal control as the directors of the Responsible Entity determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors of the Responsible Entity are responsible for assessing the ability of the Registered Scheme to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors of the Responsible Entity either intend to liquidate the Registered Scheme or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website at:
http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf. This description forms part of our auditor's report.
