governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of rule 4.10.3.

ALCIDION GROUP LIMITED ABN 77 143 142 410 (Company)

Corporate Governance Statement

This Corporate Governance Statement sets out the Company's compliance with the ASX Corporate Governance Council's Corporate Governance Principles and Recommendations (**Principles and Recommendations**) as at 30 June 2017.

The Board of the Company currently has in place a corporate governance policy which has been posted in a dedicated corporate governance information section of the Company's website at http://www.alcidion.com.au/corporate-governance-documents/

PRINCIPLES AND RECOMMENDATIONS	COMPLY (YES/NO)	EXPLANATION
Principle 1: Lay solid foundations for management and oversight		
Recommendation 1.1 A listed entity should disclose the respective roles and responsibilities of its board and management; and those matters expressly reserved to the board and those delegated to management.	YES	The Company has adopted a Board Charter. The Board Charter sets out the specific responsibilities of the Board, requirements as to the Boards composition, the roles and responsibilities of the Chairman and Company Secretary, the establishment, operation and management of Board Committees, Directors' access to Company records and information, details of the Board's relationship with management, details of the Board's performance review and details of the Board's disclosure policy. A copy of the Company's Board Charter is available on the Company's website.
 Recommendation 1.2 A listed entity should: (a) undertake appropriate checks before appointing a person, or putting forward to security holders a candidate for election, as a director; and (b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or reelect a director. 	YES	 (a) The Company has detailed guidelines for the appointment and selection of the Board. The Company's Corporate Governance Plan requires the Board to give consideration to various matters before appointing a new member to the Board, including the ability of the appointee to contribute to the ongoing effectiveness of the Board and to exercise sound business judgement. (b) All material information relevant to a decision on whether or not to elect or re-elect a Director will be provided to security holders in a Notice of Meeting pursuant to which the resolution to elect or re-elect a Director will be voted on.

PRINCIPLES AND RECOMMENDATIONS	COMPLY (YES/NO)	EXPLANATION
Recommendation 1.3 A listed entity should have a written agreement with each director and senior executive setting out the terms of their appointment.	YES	The Company has a written agreement with each director and senior executive setting out the terms of their appointment.
Recommendation 1.4 The company secretary of a listed entity should be accountable directly to the board, through the chair, on all matters to do with the proper functioning of the board.	YES	The Board Charter outlines the roles, responsibility and accountability of the Company Secretary. The Company Secretary is accountable directly to the Board, through the chair, on all matters to do with the proper functioning of the Board.
 Recommendation 1.5 A listed entity should: (a) have a diversity policy which includes requirements for the board: (i) to set measurable objectives for achieving gender diversity; and (ii) to assess annually both the objectives and the entity's progress in achieving them; (b) disclose that policy or a summary or it; and (c) disclose as at the end of each reporting period: (i) the measurable objectives for achieving gender diversity set by the board in accordance with the entity's diversity policy and its progress towards achieving them; and (ii) either: (A) the respective proportions of men and women on the board, in senior executive positions and across the whole organisation (including how the entity has defined "senior executive" for these purposes); or (B) the entity's "Gender Equality Indicators", as defined in the Workplace Gender Equality Act 2012. 	NO	 The Company's Corporate Governance Plan does not include an express policy specifically addressing diversity. Due to the current size of the Company's operations, the Board does not consider it necessary to have a diversity policy, but will consider implementing a policy in the future. The Board does not presently intend to set measurable gender diversity objectives because: (i) it is the Board's view that the existing Directors and senior executives have sufficient skill and experience to carry out the Company's plans; and (ii) if it becomes necessary to appoint any new Directors or senior executives, the Board considered the application of a measurable gender diversity objective requiring a specified proportion of women on the Board and in senior executive roles will, given the small size of the Company and the Board, unduly limit the Company's policy of appointing based on skills and merit.

PRINCIPLES AND RECOMMENDATIONS	COMPLY (YES/NO)	EXPLANATION
 Recommendation 1.6 A listed entity should: (a) have and disclose a process for periodically evaluating the performance of the board, its committees and individual directors; and (b) disclose in relation to each reporting period, whether a performance evaluation was undertaken in the reporting period in accordance with that process. The process for this can be found in Schedule 6 of the Company's Corporate Governance Plan. Due to the size and nature of the existing Board and the magnitude of the Company's operations, as at 30 June 2017 the Company does not have a Nomination Committee. Pursuant to clause 4(f) of the Company's Board Charter, the full Board carries out the duties that would ordinarily be assigned to the Nomination Committee under the written terms of reference for that committee. (b) A performance evaluation of Mr Nathan Buzza and Professor Malcolm Pradhan was conducted in the financial year ending 30 June 2017.
 Recommendation 1.7 A listed entity should: (a) have and disclose a process for periodically evaluating the performance of its senior executives; and (b) disclose in relation to each reporting period, whether a performance evaluation was undertaken in the reporting period in accordance with that process. As at 30 June 2017, the role of the Remuneration Committee is undertaken by the full Board pursuant to clause 4(f) of the Company's Board Charter. The duties of the Nomination Committee are outlined in Schedule 5 of the Company's Corporate Governance Plan available online on the Company's website. The Board devotes time at on an annual basis to discuss Board succession issues. All members of the Board are involved in the Company's nomination process, to the maximum extent permitted under the Corporations Act and ASX Listing Rules. The Board regularly updates the Company's board skills matrix (in accordance with recommendation 2.2) to assess the appropriate balance of skills, experience, independence and knowledge of the entity.
Recommendation 2.2 A listed entity should have and disclose a board skills matrix setting out the mix of skills and diversity that the board currently has or is looking to achieve in its membership. NO	The Board Charter provides for the disclosure of the names of Directors considered by the Board to be independent.
