The Board (excluding Mr Fergus) recommends the election of Mr Fergus as a director of the Company.

Item F: Ratification of previous issue of shares

ASX Listing Rule 7.1 prohibits a listed company from issuing or agreeing to issue securities without obtaining prior shareholder approval if the result is that the amount of capital issued within the previous 12 months is greater than 15% of the total issued securities of the Company. Under ASX Listing Rule 7.4, an issue of securities will be treated as having been made with prior shareholder approval for the purpose of ASX Listing Rule 7.1 if the issue did not breach ASX Listing Rule 7.1 (ie. exceed the 15% limit referred to in ASX Listing Rule 7.1) and holders of ordinary securities subsequently approve it.

The resolution pertaining to Item F of the Notice of Meeting seeks Shareholder approval under the provisions of ASX Listing Rule 7.4 to ratify the issue and allotment of Shares.

To enable Shareholders to ratify the previous issue and allotment of Shares within the prior 12 month period, the Directors provide the following information in accordance with ASX Listing Rule 7.5:

On 29 August, 2017, a total of 61,500,000 Shares were issued pursuant to a private placement to Future Fibre Technologies Limited. The Shares were issued at 3.0 cents for total consideration of \$1,845,000. The purpose of the Private Placement was to raise funds for additional working capital and growth.

The Shares are fully paid ordinary shares and rank pari passu with existing ordinary shares and have identical rights.

The Directors unanimously recommend that Shareholders vote in favour of this Resolution so as to enable the Company at any time during the next 12 months to issue up to the full 15% limit referred to under ASX Listing Rule 7.1 without further reference to Shareholders and without the Shares described above counting towards the calculation.

The Directors do not believe that there are any disadvantages to the Shareholders which arise from a ratification of this issue of Shares and recommend that the ordinary resolution be approved.

Item G: Proposed issue of shares under private placement

The Company is seeking Shareholder approval under ASX Listing Rule 7.1 to issue and allot up to a further eighty (80) million Shares at an issue price of not less than three (3.0) cents per Share within three (3) months of the AGM under the Private Placement.

[Approval under the ASX Listing Rules](#)

ASX Listing Rule 7.1

ASX Listing Rule 7.1 provides that a listed company may not issue securities in any 12 month period where the total number of securities to be issued exceeds 15% of the number of fully paid ordinary securities on issue 12 months before the date of issue, except with the prior approval of members of the company in general meeting of the terms and conditions of the proposed issue.

Resolution F of the Notice of Meeting includes provision for Shareholders to approve the issue of Shares under the terms of the Private Placement, pursuant to ASX Listing Rule 7.1.

For the purposes of requirement for approval under ASX Listing Rule 7.1, the following additional information is provided:

- (a) the maximum number of securities to be issued is eighty (80) million Shares;
- (b) the Shares, the subject of this resolution, will be issued and allotted within three (3) months of the AGM;
- (c) the Shares will be issued for no less than three (3.0) cents each;
- (d) the Shares issued under the Private Placement will be allotted to sophisticated and professional investors, at the discretion of the Company, taking into account the provisions of the ASX Listing Rules and the Corporations Act. The allottees will not be related parties of the Company;
- (e) the Shares will be fully paid ordinary shares and will rank pari passu with existing ordinary shares and have identical rights;
- (f) the Company will apply for the Shares to be quoted on ASX;
- (g) the funds raised under the Private Placement will be used to provide short term working capital assistance to strengthen the financial position of MSP's current operating business and to give the Company additional capital flexibility, including for the potential repayment of Company debt; and
- (h) a voting exclusion statement is included in the Explanatory Notes.

The Directors unanimously recommend that Shareholders vote in favour of the ordinary resolution. In making their recommendation, the Directors advise Shareholders to read these Explanatory Notes in their entirety.
