VOTING EXCLUSIONS

The Corporations Act 2001 (Cth) and the ASX Listing Rules require that certain persons must not vote, and the Company must disregard any votes cast by certain persons, for the resolutions to be considered at the meeting. These voting exclusions are described below.

Resolution 1 - Remuneration Report

Except to the extent otherwise permitted by law, the following persons may not vote, and the Company will disregard any votes cast (personally or as proxy) by or on behalf of the following persons, on Resolution 1:

- (a) A member of the key management personnel for the Mastermyne consolidated group whose remuneration details are included in the Remuneration Report, or a closely related party of any such member, unless:
 - (i) that person does so as a proxy appointed by writing that specifies how the proxy is to vote on Resolution 1; or
 - (ii) that person does so as a proxy, the proxy is the Chair of the meeting at which Resolution 1 is voted on and the proxy appointment does not specify the way the proxy is to vote and expressly authorises the Chair to exercise the proxy on that resolution even though it is connected directly or indirectly with the remuneration of a member of the key management personnel for the Mastermyne consolidated group.

- (b) A member of the key management personnel for the Mastermyne consolidated group whose remuneration details are not included in the Remuneration Report, or a closely related party of any such member, that is appointed as a proxy where the proxy appointment does not specify the way the proxy is to vote on Resolution 1, unless:
 - (i) the proxy is the Chair of the meeting at which Resolution 1 is voted on; and
 - (ii) the proxy appointment expressly authorises the Chair to exercise the proxy on Resolution 1 even though it is connected directly or indirectly with the remuneration of a member of the key management personnel for the Mastermyne consolidated group.

Resolution 4 - Issue of Performance Rights to Mr Tony Caruso, Managing Director or his nominee

The Company will disregard any votes cast on Resolution 4 by:

- Mr Tony Caruso and his associates; or
- any other Director of the Company who is eligible to participate in any employee incentive scheme in relation to the Company and their associates.
- Any other person who may obtain a benefit other than a benefit solely in the capacity of a holder of ordinary securities.

However, the Company will not disregard a vote if:

- it is cast by a person as proxy for a person who is entitled to vote, in accordance with the directions on the proxy form; or
- it is cast by the person chairing the meeting as proxy for a person who is entitled to vote, in accordance with a direction on the proxy form to vote as the proxy decides.

The Company will also disregard any votes cast on Resolution 4 by a member of the key management personnel for the Mastermyne consolidated group, or a closely related party of any such member, that is appointed as a proxy where the proxy appointment does not specify the way the proxy is to vote on Resolution 4, unless:

- the proxy is the Chair of the meeting at which Resolution 4 is voted on; and
- the proxy appointment expressly authorises the Chair to exercise the proxy even though Resolution 4 is connected directly or indirectly with the remuneration of a member of the key management personnel for the Mastermyne consolidated group.

For the purposes of the above voting exclusions -

- (a) The "**key management personnel for the Mastermyne consolidated group**" are the directors (whether executive or otherwise) of Mastermyne (including the Chairman) and other employees having authority and responsibility for planning, directing and controlling the activities of the Company, directly or indirectly. The Remuneration Report identifies the key management personnel for the Mastermyne consolidated group for the financial year ended 30 June 2017. Their "closely related parties" are defined in the Corporations Act 2001 (Cth), and include certain of their family members, dependants and companies they control.
- (b) The Company will also apply these voting exclusions to persons appointed as attorney by an excluded shareholder to attend and vote at the meeting under a power of attorney – on the basis that references to persons attending and voting as proxy are read as references to persons attending and voting as attorney and references to an instrument under which the proxy is appointed are read as references to the power of attorney under which the attorney is appointed.
- (c) Where a shareholder has indicated on the proxy form that the Chairman of the Meeting may exercise undirected proxy votes and the Chairman is entitled to do so, it is the intention of the Chairman of the Meeting to vote undirected proxies in favour of all Resolutions contemplated in this Notice of Meeting.

Resolution 5 – Approval of 10% Placement Facility

The Company will disregard any votes cast on this Resolution 5 by a person (and any associates of such a person) who:

- (1) may participate in the 10% Placement Facility; or
- (2) might obtain a benefit, except a benefit solely in their capacity as Shareholder if this Resolution is passed.

However, the Company will not disregard a vote if:

- (1) it is cast by the person as proxy for a person who is entitled to vote, in accordance with directions on the Proxy Form; or
- (2) it is cast by the Chairman as proxy for a person who is entitled to vote, in accordance with a direction on the Proxy Form to vote as the proxy decides.

At the date of this Notice, it is not known who will participate in the proposed issue of Equity Securities the subject of this special resolution and the Company has not approached any particular existing Shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the equity securities. Therefore, no existing Shareholder votes will be excluded under the voting exclusion in this Notice.

HOW TO VOTE

Shareholders can vote in one of five ways:

- by attending the Annual General Meeting and voting either in person or by attorney or, in the case of corporate shareholders, by corporate representative;
- by lodging a direct vote, using the shareholder voting form enclosed with this Notice of Meeting;
- by lodging a direct vote electronically online;
- by appointing a proxy to attend and vote on their behalf, using the shareholder voting form enclosed with this Notice of Meeting; or
- by lodging a proxy vote electronically online.

Note:

- A.** If you choose to use **direct voting** - mark the box under Step 1, option A on the shareholder voting form. If you use direct voting you agree to be bound by the direct voting rules adopted by the Board. A copy of the Mastermyne Group Limited Rules for Direct Voting at General Meetings is available under the "Investors" tab at www.mastermyne.com.au.
- B.** If you choose to **appoint a proxy** - mark the box under Step 1, option B on the shareholder voting form and then choose who you would like to appoint as your proxy. If you appoint the Chairman of the Annual General Meeting as your proxy, it is the intention of the Chairman to vote undirected proxies in favour of all Resolutions contemplated in this Notice of Meeting.

Voting in person - individuals and corporate representatives

Shareholders who plan to attend the Annual General Meeting are asked to arrive at the venue 15~30 minutes prior to the time designated for the Annual General Meeting, if possible, so that their shareholding may be checked against the share register and attendance noted. Shareholders attending in person must register their attendance upon arrival and produce suitable identification.

If a share is held jointly, only one joint holder may vote. If more than one joint shareholder votes, only the vote of the first person named on the Company's shareholder register counts.

To vote in person at the meeting, a company that is a shareholder may appoint an individual to act as its representative. The representative should bring to the meeting a letter or certificate evidencing their appointment unless it has previously been provided to the Company or its share registry.

A form of certificate may be obtained from the Company's share registry at <http://www.linkmarketservices.com.au/corporate/InvestorServices/Forms.html> or from the addresses specified below.

Direct voting - use Step 1, option A on the shareholder voting form **or** vote online

In accordance with the Company's Constitution the Directors have also established a postal voting system which gives shareholders the choice of casting "direct votes" in advance of the Annual General Meeting, as an alternative to appointing a proxy to cast their votes.

If a shareholder is entitled to cast two or more votes at the meeting, the shareholder may specify the proportion or number of direct votes that they wish to cast "For" or "Against" an item. Fractions of votes will be disregarded. However on a show of hands, direct votes are not counted and unless a poll is demanded in accordance with the Constitution and that demand is not withdrawn, a resolution put to vote at the Annual General Meeting must be decided on a show of hands. If a shareholder specifies that they will "Abstain" from voting on an item, the shares that are the subject of the direct vote will not be counted in calculating the required majority.

To lodge direct votes, a shareholder should follow the instructions and notes on the shareholder voting form enclosed with this Notice of Meeting as well as read the Mastermyne Group Limited - Rules for Direct Voting at General Meetings which are available at www.mastermyne.com.au under the "Investors" tab.

For direct votes to be effective, the shareholder voting form must be received by the Company's share registry by no later than 11:00am (Queensland time) on Sunday, 19 November 2017, or if the Annual General Meeting is adjourned, at least 48 hours before its resumption in relation to the adjourned part of the meeting. Shareholder voting forms received after this time will be invalid.

The shareholder voting form may be given to the Company in any of the following ways:

- **by hand:** delivering it to Link Market Services Limited, 1A Homebush Bay Drive, Rhodes NSW 2138 or Level 12, 680 George Street, Sydney NSW 2000
- **by mail:** Mastermyne Group Limited
C/- Link Market Services Limited
Locked Bag A14
Sydney South NSW 1235 Australia
- **by fax:** +61 2 9287 0309

A shareholder may also deliver the shareholder voting form to the Company's registered office, Level 1, 45 River Street, Mackay, Qld 4740.

Alternatively, you can lodge your direct votes online by visiting the Company's share registry's website at www.linkmarketservices.com.au, going to the online voting page and following the prompts and instructions on the website. To use the online lodgements facility, shareholders will need their "Holder Identifier" (Securityholder Reference Number (SRN) or Holder Identification Number (HIN)) as shown on the front of the shareholder voting form and postcode.

For online direct votes to be effective, you will need to complete the electronic lodgement by 11:00am (Queensland time) on Sunday, 19 November 2017, or if the Annual General Meeting is adjourned, at least 48 hours before its resumption in relation to the adjourned part of the meeting.

Voting by proxy - use Step 1, option B on the shareholder voting form **or** lodge online.

A shareholder who is entitled to attend and vote at the Annual General Meeting is entitled to appoint a person as a proxy to attend and vote for them. A proxy need not be a shareholder of the Company. If a shareholder is entitled to cast two or more votes, that shareholder may appoint up to two individuals to act as proxies to attend and vote on the shareholder's behalf. Where more than one proxy is appointed each proxy may be appointed to represent a specific proportion of the shareholder's voting rights. If the appointment does not specify the proportion or number of votes each proxy may exercise, each proxy may exercise half. Fractions of votes will be disregarded. However, if both proxies are present at the Annual General Meeting, neither may vote on a show of hands.

To appoint a proxy, a shareholder should follow the instructions and notes on the shareholder voting form enclosed with this Notice of Meeting. The proxy may, but need not, be a shareholder of the Company.

Additional shareholder voting forms will be supplied by the Company's share registry (Link Market Services Limited) on request.

The shareholder voting form must be signed by the shareholder or his/her attorney duly authorised in writing or, if the shareholder is a corporation, in a manner permitted by the Corporations Act 2001 (Cth) or other applicable corporate legislation. In the case of shares jointly held by two or more persons, all joint holders must sign the shareholder voting form.

For the appointment of a proxy to be effective, the shareholder voting form must be received by the Company's share registry by no later than 11:00 am (Queensland time) on Sunday, 19 November 2017, or if the Annual General Meeting is adjourned, at least 48 hours before its resumption in relation to the adjourned part of the meeting. Shareholder voting forms received after this time will be invalid.

The shareholder voting form may be given to the Company in any of the ways noted above.

Alternatively, you can lodge your proxy online by visiting the Company's share registry's website at www.linkmarketservices.com.au, going to the online voting page and following the prompts and instructions on the website. To use the online lodgements facility, shareholders will need their "Holder Identifier" (Security holder Reference Number (SRN) or Holder Identification Number (HIN)) as shown on the front of the shareholder voting form and postcode.

For the online appointment of your proxy to be effective, you will need to complete the electronic lodgement by 11:00 am (Queensland time) on Sunday, 19 November 2017, or if the Annual General

Meeting is adjourned, at least 48 hours before its resumption in relation to the adjourned part of the meeting.

Using powers of attorney

If a shareholder has appointed one or more attorneys to attend and vote at the Annual General Meeting, or if the shareholder voting form is signed by one or more attorneys, the power of attorney (or a certified copy of the power of attorney) must be received by the Company's share registry at its addresses or facsimile or the Company's registered office address as set out above by no later than 11:00 am (Queensland time) on Sunday, 19 November 2017, or if the Annual General Meeting is adjourned, at least 48 hours before its resumption in relation to the adjourned part of the meeting, unless the power of attorney has been previously lodged for notation with the Company's share registry. The attorney(s) must declare that a notice of revocation of appointment has not been received.

Revocation of proxies

Any revocation of proxies (including online proxies) or powers of attorney must be received by the Company's share registry at its addresses or facsimile or the Company's registered office address as set out above before the commencement of the Annual General Meeting, or at the registration desk for the Annual General Meeting at the Company's Registered Office from 10.30 am (Queensland time) on the day of the Annual General Meeting until the commencement of the Annual General Meeting.

VOTING ENTITLEMENT

In accordance with Regulation 7.11.37 of the Corporations Regulations 2001 (Cth), for the purposes of determining voting entitlements at the Annual General Meeting, shares will be taken to be held by the persons who are registered as holding the shares at 11.00am (Queensland time) on Sunday, 19 November 2017. Accordingly, transactions registered after that time will be disregarded in determining entitlements to attend and vote at the Annual General Meeting.

QUESTIONS FROM SHAREHOLDERS

If you have a question to put to the Directors or Auditor please complete the Question Form which is attached to this Notice of Meeting.

The Question Form should be delivered to the Company, or received by post, facsimile or email, at least 5 business days prior to the Annual General Meeting (i.e. by no later than 5:00 pm on Monday, 13 November 2017) or any adjournment. This will allow time to collate questions and to prepare answers.

EXPLANATORY STATEMENT

This Explanatory Statement is intended to assist shareholders of Mastermyne Group Limited (**Company** or **Mastermyne**) to better understand the resolutions to be put before shareholders at the Company's Annual General Meeting (**AGM**) to be held on Tuesday 21 November 2017.

Item 1 - Financial Statements and Reports

The Corporations Act 2001 (Cth) (**Corporations Act**) requires that the report of the Directors, the report of the Auditor and the financial reports be presented to the AGM. Apart from the matters involving remuneration which are required to be voted upon, the Corporations Act does not require a vote of shareholders at the AGM on such reports or statements, however shareholders will be given ample opportunity to make comments on or raise questions with respect to these reports and statements at the meeting.

The Annual Financial Report will be tabled and discussed at the AGM and the Directors will be available to answer questions from shareholders. In addition, a representative of the Company's auditors, KPMG, will be present to answer any questions about the conduct of the audit or the preparation and content of the auditor's report.

The Company's Annual Financial Report for the year ended 30 June 2017 has been sent to shareholders who requested a copy and is available on the Company's website at www.mastermyne.com.au.

A shareholder resolution is not required in respect to the Annual Financial Report.

Item 2 - Adoption of Remuneration Report (Resolution 1)

The Corporations Act requires that the section of the Directors' Report dealing with the remuneration of key management personnel including the Directors (Remuneration Report) be put to shareholders for consideration and adoption by way of a non-binding ordinary resolution.

The Remuneration Report:

- explains the Board's policy for determining the nature and amount of remuneration of executive directors and senior executives of the Company;
- explains the relationship between the Board's remuneration policy and the Company's performance;
- sets out remuneration details for each director of the Company; and
- details and explains any performance conditions applicable to the remuneration of executive directors and senior executives of the Company.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the AGM.

The vote on this resolution is advisory only and the outcome will not be binding on the Board or the Company. However, the Board will take the outcome of the vote into consideration when reviewing the remuneration practices and policies of the Company.

Pursuant to amendments made to the Corporations Act with effect from 1 July 2011, if 25% or more of votes that are cast on Resolution 1 are cast against the adoption of the Remuneration Report at two consecutive Annual General Meetings, shareholders will be required to vote at the second of those Annual General Meetings on a resolution ("a spill resolution") that another meeting be held within 90 days at which all of the Company's Directors (other than the Chief Executive Officer) must be put forward for re-election. For any Spill Resolution to be passed, more than 50%

of the votes cast on the resolution must be in favour of it. If a Spill Resolution is passed, all of the directors (other than any managing director) will cease to hold office immediately before the end of the Spill Meeting unless re-elected at that meeting.

The resolution to approve the Remuneration Report for 2016 was approved at the last Annual General Meeting, which was held on 15 November 2016.

Recommendation: As Resolution 1 relates to matters including the remuneration of the Directors, the Board, as a matter of corporate governance and in accordance with the spirit of section 250R(4) of the Corporations Act, make no recommendation regarding this resolution.

Item 3 – Re-election of Mr Colin Bloomfield as a Director (Resolution 2)

ASX Listing Rule 14.4 and Article 47(a) of the Company's Constitution require Directors to retire no later than 3 years after appointment or at the third AGM following appointment, whichever is the longer, and ASX Listing Rule 14.5 and Article 47(b) require that there must be an election of Directors each year. In accordance with this procedure, Mr Colin Bloomfield retires from office by rotation and submits himself for re-election.

Mr Bloomfield was appointed a Non-executive Director of the Company on 6 March 2014, and Independent Chairman on 26 February 2015.

Mr Bloomfield brings to the Company over 27 years of mining experience in technical, operations, management and corporate roles. Until recently Colin led BHP Billiton's Illawarra Coal Group as President Illawarra Coal, a role he was appointed to in 2004.

Mr Bloomfield has previous experience as a Director at the NSW Minerals Council for almost nine years including three as Chairman. He was also Chairman of Port Kembla Coal Terminal for over eight years. He is also a non-executive director with The Flagstaff Group.

Mr Bloomfield is a member of the Audit and Risk Management Committee and the Remuneration and Nomination Committee.

Recommendation: The Board (with Mr Bloomfield abstaining) unanimously recommends that shareholders vote in favour of re-electing Mr Bloomfield as a Director of the Company.

Item 4 – Appointment of Auditor (Resolution 3)

KPMG have provided audit services to the Company since 2006 and there has not been any disagreement with KPMG at either the Board or management level of the Company in relation to the conduct of the audit or in relation to any accounting treatment or the application of accounting policies or otherwise. The Company has been pleased with the service level KPMG has provided over the past twelve years.

The Company conducted a formal tender process for Assurance Services and on evaluation of the tender responses believes it can achieve the same quality audit result at a materially lower cost through the changeover of auditors.

The Board received and reviewed proposals from four audit firms to provide independent external audit services to the Company.

The Board resolved to recommend the appointment of Pitcher Partners as the Company's auditors.

Pitcher Partners have provided their consent to be appointed as Auditor.

A nomination from a shareholder to appoint Pitcher Partners has been received and is incorporated in these meeting materials below (appendix 1).

Item 5 – Issue of Performance Rights to Mr Tony Caruso, Managing Director or his Nominee (Resolution 4)

Shareholder approval of the issue to Mr Caruso or his nominee of performance rights under the Mastermyne Group Limited Employee Performance Rights Plan is sought for all purposes, including under ASX Listing Rule 10.14. Under ASX Listing Rule 10.14, the Company must seek shareholder approval to issue securities to Directors under an employee incentive scheme. The Company has issued performance rights to acquire ordinary shares in the Company to Mr Caruso, Managing Director or his nominee, subject to shareholder approval. Approval is an exception to Listing Rule 7.1 under 7.2 exception 14, and therefore approval is not required under listing rule 7.1 and the issue of the securities will not count towards the Company's placement capacity.

The proposed issue is in accordance with the Mastermyne Group Limited Employee Performance Rights Plan rules (which are available at www.mastermyne.com.au under the "Investors" tab) and the specific offer to Mr Caruso is summarised below.

The issue of performance rights to Mr Caruso as detailed in this Notice of Meeting and Explanatory Statement forms, in the opinion of the other Directors of the Company, part of the reasonable remuneration of Mr Caruso by the Company.

Specific information which must be provided to shareholders in accordance with ASX Listing Rule 10.15 is set out below.

Rank Mastermyne and the members of the ASX Peer Group and the Resources Peer Group by reference to each entity's TSR on a percentile scale, with the entity with the highest TSR at that day ranked at 100. The rank for the Test Date is the position of Mastermyne on that percentile scale.
TSR Measurement Period	FY 2018 Performance Rights: 3 years ending on 1 October 2020.
Dealing Restrictions	Performance rights may not be sold to someone else. However, shares received as a result of the vesting of performance rights can be transferred or sold, subject to complying with laws regarding insider trading and the Mastermyne Securities Trading Policy.
Automatic Vesting	An Eligible Participant will automatically receive one share for each performance right that has vested and has not lapsed.
Termination of Employment	The Board will determine the extent, if any, to which unvested rights will vest. Subject to the terms set out above, any rights that do not vest will lapse.
Change of Control	If a change of control occurs, the Board has certain discretions under the EPRP in determining how performance rights will be dealt with. If a change of control occurs:

	<ul style="list-style-type: none"> a. a pro rata proportion of unvested performance rights will be considered by the Board for early vesting; and b. the Board will determine, having regard to the vesting conditions and its ability to estimate whether the vesting conditions would have been satisfied in full or not, how many (if any) of those unvested performance rights will vest.
Bonus Issues and Capital Reconstructions	In the event of a pro rata bonus issue of Company shares or any reorganisation of the issued capital of the Company the number of shares subject of the performance rights will be adjusted as determined by the Board to ensure that no advantage or disadvantage accrues to holders of rights from such actions.
Directors Eligible to Participate	Mr Caruso is the only Director currently eligible to participate in the Employee Performance Rights Plan
Securities Issued	As required by listing rule 10.15.4 there have been 713,286 unquoted Performance Rights covering different periods, prices and hurdles with a vesting dates up to 01/10/19 issued to Mr Caruso under the scheme since the last approval. These performance rights have a nil exercise price upon vesting.

Recommendation: The Board (with Mr Caruso and any other Director who is eligible to participate in any employee incentive scheme in relation to the Company abstaining) unanimously recommends that Shareholders vote in favour of the performance rights issue to Mr Caruso, Managing Director of the Company or his nominee.

Item 6 – Approval of 10% Placement Facility (Resolution 5)

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital through placements over a 12 month period after the Meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An entity is eligible for the purposes of Listing Rule 7.1A if the entity is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. As required under the Listing Rules, the Company's market capitalisation will be based on the closing price on the Trading day before the Meeting. For illustrative purposes only, it is noted that on 27 September 2017 the Company's market capitalisation is \$70,761,275 based on the Trading Price at closing on that date. The Company is not included in the S&P/ASX300 Index on the date of the Notice of Meeting and the Company does not anticipate that it will be included in the S&P/ASX300 Index on the date of the Meeting. On this basis, the Company anticipates being an eligible entity on the date of the Meeting.

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility. The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2.

As the Company continues to execute on its growth strategy it will actively pursue opportunities across both operating divisions of the business. The Company may rely on the 10% Placement Facility to acquire new assets or investments to support the growth strategy by issuing Shares for consideration or non-cash consideration.

Description of Listing Rule 7.1A

a) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to Shareholder approval by way of a special resolution at the Meeting.

b) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company.

The Company, as at the date of the Notice, has on issue two classes of Equity Securities, being Shares quoted on the ASX and unlisted Performance Rights.

c) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12 month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

$$(A \times D) - E$$

A is the number of ordinary securities on issue 12 months before the date of issue or agreement:

- (i) plus the number of fully paid ordinary securities issued in the 12 months under an exception in Listing Rule 7.2;
- (ii) plus the number of partly paid ordinary securities that became fully paid in the 12 months;
- (iii) plus the number of fully paid ordinary securities issued in the 12 months with approval of holders of ordinary securities under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid ordinary securities under the entity's 15% placement capacity without ordinary security holder approval;
- (iv) less the number of fully paid ordinary securities cancelled in the 12 months.

Note: 'A' is has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

Listing Rule 7.1 and Listing Rule 7.1A

The ability of a company to issue Equity Securities under Listing Rule 7.1A is in addition to the company's 15% placement capacity under Listing Rule 7.1.

At the date of this Notice, the Company has on issue 101,087,536 Shares and therefore has a capacity to issue:

- (a) 15,163,130 Equity Securities under the 15% placement capacity in Listing Rule 7.1; and
- (b) subject to Shareholder approval being granted under Resolution 4, 10,108,753 Equity Securities under Listing Rule 7.1A.

The actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 1.c) above).

Minimum Issue Price

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days immediately before:

- (a) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (b) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (a) above, the date on which the Equity Securities are issued.

10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the Meeting at which the approval is obtained and expires on the earlier to occur of:

- (a) the date that is 12 months after the date of the Meeting at which the approval is obtained; or
- (b) the date of the approval by Shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking) (**10% Placement Period**).

Listing Rule 7.1A

The effect of Resolution 4 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1.

Resolution 4 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

Specific information required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, certain information must be provided in relation to the approval of the 10% Placement Facility:

- (1) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for that class of the Company's Equity Securities over the 15 Trading Days immediately before:
 - (a) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (b) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (a) above, the date on which the Equity Securities are issued.
- (2) If Resolution 6 is approved by Shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing Shareholders' voting

power in the Company will be diluted as shown in the below table (in the case of Performance Rights, only if Shares in relation to those Performance Rights vest). There is a risk that:

- (a) the market price for the Company's Equity Securities in the relevant class may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
- (b) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date.

The table below provides details of the quoted and unquoted classes of Equity Securities which the Company has on issue at the date of the Notice.

Equity Security	Number on issue
Quoted Shares	101,087,536
Unquoted Performance Rights with a range of vesting dates and Share prices, having maximum expiry 01/10/19	1,195,449

As required by Listing Rule 7.3A.2, the table below shows the potential dilution of existing Shareholders on the basis of the number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice (**Current Variable "A"**) and where variable "A" is 50% and 100% greater than Current Variable "A".

The table also shows the funds raised from an issue of an additional 10% of issued capital under Listing Rule 7.1A, based on:

- (a) the Current Variable "A" and where variable "A" has increased by 50% and 100%; and
- (b) the Share price as at the date of this Notice and where the Share price has fallen by 50% and increased by 100%.

Variable "A" in Listing Rule 7.1A.2		\$0.35 50% decrease in Issue Price	\$0.70 Issue Price	\$1.40 100% increase in Issue Price
Current Variable "A" 101,087,536 Shares	10% Voting Dilution	10,108,753 Shares	10,108,753 Shares	10,108,753 Shares
	Funds raised	\$3,538,064	\$7,076,128	\$14,152,255
50% increase in current Variable "A" 151,631,304 Shares	10% Voting Dilution	15,163,130 Shares	15,163,130 Shares	15,163,130 Shares

Variable “A” in Listing Rule 7.1A.2		\$0.35 50% decrease in Issue Price	\$0.70 Issue Price	\$1.40 100% increase in Issue Price
		Funds raised	5,307,096	\$10,614,191
100% increase in current Variable “A” 202,175,072 Shares	10% Voting Dilution	20,217,507 Shares	20,217,507 Shares	20,217,507 Shares
	Funds raised	\$7,076,128	\$14,152,255	\$28,304,510

Assumptions relevant to the table above are as follows:

- (1) an additional 10% of the Company’s Shares are issued under Listing Rule 7.1A;
- (2) no Options are exercised before the date of the issue under Listing Rule 7.1A. The Company currently has no Options on issue other than the Performance Rights discussed below;
- (3) no Performance Rights vest and are exercised before the date of the issue under Listing Rule 7.1A. The Company currently has 1,195,449 Performance Rights on issue;
- (4) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (5) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Facility, based on that the issue under Listing Rule 7.1A consists only of Shares; and
- (6) The table shows only the effect of issues of Equity Securities under ASX Listing Rule 7.1A, and does not consider issues under the 15% placement capacity under ASX Listing Rule 7.1.
- (7) The issue of Equity Securities under the 10% Placement Facility consists only of ordinary shares in the Company. The table does not demonstrate the effect of listed or unlisted options being issued under ASX Listing Rule 7.1A.
- (8) The Issue Price is \$0.70 being the closing price of the Shares on ASX on 26 September 2017. This price is indicative only and does not consider the 25% discount to market that these shares may be issued at.
- (9) ‘A’ is the current number of fully paid ordinary shares on issue, and assumes full placement capacity available.

The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 6 for the issue of the Equity Securities will cease to be valid in the

event that Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).

The Company may seek to issue the Equity Securities for the following purposes:

- (1) non-cash consideration for the acquisition of new resources, assets or investments. In such circumstances the Company will provide a valuation of the non-cash consideration as required by Listing Rule 7.1A.3; or
- (2) cash consideration. In such circumstances, the Company intends to use the funds raised towards an acquisition of new assets or investments (including expenses associated with such an acquisition), the Company's current assets and/or general working capital.

The Company will comply with the disclosure obligations under Listing Rules 7.1A.4 and 3.10.5A upon issue of any Equity Securities.

The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (1) the methods of raising funds that are available to the Company, including but not limited to, a rights issue or other issue in which existing Shareholders can participate;
- (2) the effect of the issue of the Equity Securities on the control of the Company;
- (3) the financial situation and solvency of the Company; and
- (4) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include some existing Shareholders and/or new Shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company is successful in acquiring new assets or investments, it is possible that the allottees under the 10% Placement Facility will be the vendors of those new assets or investments.

Specific information which must be provided to shareholders in accordance with ASX Listing Rule 7.3A.6 is set out below.

Numbers of securities issued	10,000,000 shares, representing approximately 10.98% of the total number of equity securities on issue at the commencement of the 12 month period preceding the date of the meeting
Type of securities	Ordinary fully paid shares, ranking equally with all other ordinary shares
Persons to whom securities issued	Placement to institutions and sophisticated and professional investors identified through Wilsons
Price at which securities issued	60 cents per share. The issue price represents a 3.2% discount to the close price of \$0.62 on 18 September 2017

	and a 2.6% premium to the five day volume weighted average price of \$0.585
Use of Funds	Total cash consideration \$6m received 25 September 2017. Funds to be used to position the Company to respond to new opportunities as they move through the tendering process and to strengthen the balance sheet

Recommendation: The Directors of the Company believe that Resolution 6 is in the best interests of the Company and unanimously recommend that Shareholders vote in favour of this Resolution.
