Request for trading halt: Fletcher Building Limited NZX Code (FBU) ASX Code (FBU)

FBU requests a trading halt to be applied to our ordinary shares under ASX Listing Rule 17.1 and NZX Main Board/Debt Market Listing Rule 5.4.1(a) and set out below details of the request as per the rules of each of ASX and NZX.

FBU would like the trading halt to commence from the commencement of trading on 24 October 2017.

Reasons for trading halt: The Company is reviewing the financial performance of its Building + Interiors business unit (including the results of the independent KPMG review of the two largest projects in that business unit) and the impact of that financial performance on earnings guidance for the 2018 financial year. As that review is ongoing, the Company is not currently in a position to make an announcement to the market of the results of that review.

How long we want the trading halt to last: We request the trading halt until the commencement of trading on Wednesday, 25 October 2017.

The event we expect to happen that will end the trading halt: Announcement regarding earnings guidance for the 2018 financial year prior to market opening on Wednesday, 25 October 2017.

We confirm that we are not aware of any reason why the trading halt should not be granted.

Yours faithfully
