## **Gooroo & Randstad enter paid pilot**

*Key highlights:*

- **Randstad & Gooroo enter a 3 month paid pilot, starting immediately**
- **Objective of this phase is to identify the strategic and operational value of Gooroo's capability across the Randstad business and for key clients**

Gooroo Ventures Limited ("Gooroo" or "the Company") is pleased to advise that it has entered into a paid three (3) month pilot contract with Randstad, a global leader in HR and Recruitment services.

The objective of this first phase is to identify the opportunities for Randstad to leverage Gooroo's unique matching, candidate profiling and predictive assessment capability across its business and with customers, before entering a longer-term contract.

Randstad is committing a select group of senior team members who will be actively involved and will be working with the Gooroo team. Randstad CEO (Australia/New Zealand & India) Frank Ribuo and Gooroo CEO, Greg Muller will oversee this first phase.

Since starting sales in Australia just a few months ago, this agreement follows other deals that have been recently secured by the Company. The Gooroo team is focused on growing enterprise adoption and its recurring subscription revenue base.

## About Gooroo

Gooroo is a predictive technology platform that makes hiring talent more accurate, teams more productive and communications more targeted. Gooroo does this by using artificial intelligence and neuroscience across four core products: Gooroo Jobs, Gooroo Mindspace, Gooroo Communities & Gooroo Insights. Gooroo Jobs matches and ranks candidates to a role; Gooroo Mindspace assesses and charts the thinking patterns of an individual and a team to better understand future behaviour; Gooroo Communities helps organisations build enriched talent databases that speed up access to qualified talent; and Gooroo Insights delivers job market and candidate supply data to inform hiring strategies.

In May 2017, Gooroo began commercial enterprise sales in the Australian market. The Gooroo platform is made available via minimum term monthly subscriptions based on company size and/or projected usage.

In June 2017, Gooroo was awarded Innovation of the Year in the Big Data / Machine Learning category at the AIIA iAwards (Vic).

In January 2016, Gooroo announced a global alliance with Microsoft.
