WACR	%	7.34	7.33
GLA	sqm	766,486	757,944
Average asset size	sqm	19,653	19,945

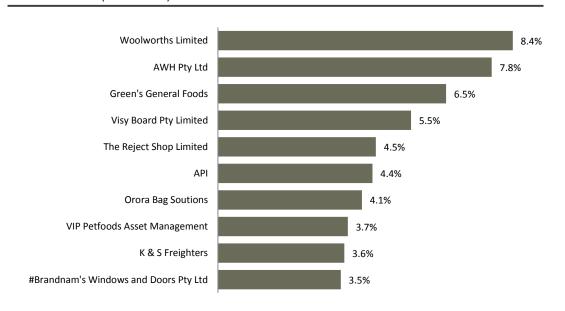

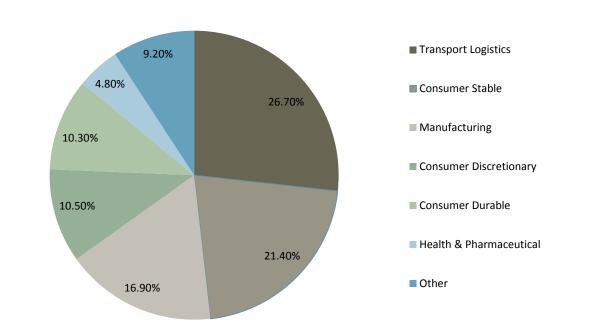

### **Tenant Composition**

### Income underpinned by high quality tenants

### Top 10 tenants (by Income)

### Tenant industry (by Income)

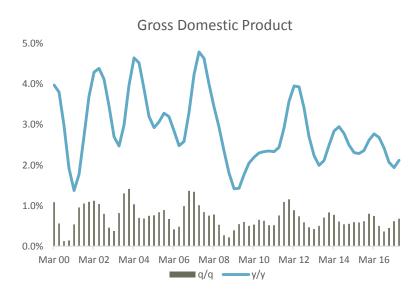

### Market Overview

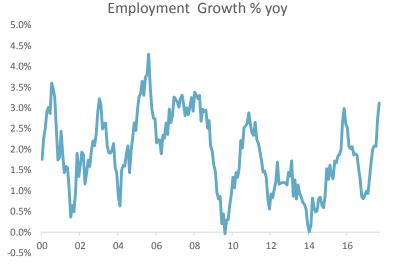

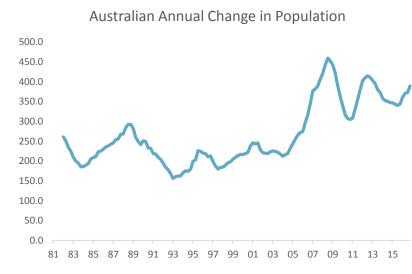

### **Economic Overview**

### Positive economic indicators

- Long period of sustained economic growth
- Population growing at 1.6% yoy, fastest rate since Q1 2014 underpinning demand for warehouse space
- Employment growth is robust, currently growing at 2.6% yoy
- Inflation at less than 2% is both low and stable
- Residential sector driving demand and reducing stock due to withdrawals for residential conversion

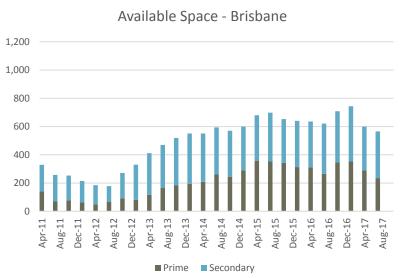

### **Supply**

### Availability reducing across all key markets

Availability readeling deross all key markets				
Sydney (40% CIP portfolio)	Melbourne (28% CIP portfolio)	Brisbane (18% CIP portfolio)		
<ul> <li>Significant reduction in available space since late 2015</li> <li>Limited speculative supply entering market</li> <li>Stock withdrawals have displaced tenants and encouraged take-up</li> </ul>	<ul> <li>Available space has reduced by 28% over past 12 months</li> <li>Speculative supply has moderated following heightened activity through to 2015</li> <li>48% of available space is in West where CIP holds only 1 asset.</li> <li>Incentives showing signs of contraction</li> </ul>	<ul> <li>24% reduction in available space since commencement of 2017.</li> <li>Political and economic uncertainty led to reduced absorption since 2016.</li> <li>Confidence is returning to market with signs of recovery</li> <li>CIP's QLD portfolio is 100% occupied with 7y WALE</li> </ul>

### **Manufacturing Sector**

### Manufacturing sector showing signs of improvement

- The ending of the resource investment boom has allowed other industries and the non-resource states to grow at a faster pace
- Non resource states have recovered accordingly
- Exchange rate has depreciated by over 15% from its peak, improving conditions for manufacturers
- Manufacturing sector accounted for >15% of leasing nationally<sup>1</sup>
- 100% of CIP's manufacturing tenants renewed over past 12 months

Propertylink Securities <sup>2</sup>	\$44.2m	7.5%	N/A	
Total	\$120.4m	8.0%	7.4	

### **Divestments**

- Contracted to sell 39-45 Wedgewood Drive, Hallam for \$10.0m
- Sale price reflects a 7.5% premium to book value
- Settlement to occur on 29 June 2018, ahead of lease expiry

<sup>1)</sup> Before transaction costs.

<sup>2)</sup> Yield on PLG securities is based upon the low end of PLG distribution guidance - 7.1cps

## Strategy & Summary

### **Strategy**

Providing investors exposure to high quality income producing industrial investments

### **Fund Strategy**

- Provide investors with exposure to a high quality portfolio of industrial assets
- Continue deleveraging of the balance sheet
- Acquire quality assets to replace the sale of non-core assets in order to enhance existing stable and secure income streams

### **Portfolio Strategy**

- Create a portfolio of industrial assets that are relevant to our key customers
- Continued focus on portfolio leasing to ensure occupancy and income are maximised
- Execute initiatives to generate income and value uplift through active asset management, risk mitigation and repositioning strategies
- Where appropriate, consider sale of surplus land or rezoning assets to highest and best use, generating capital appreciation

### **Disclaimer**

This presentation has been prepared by Centuria Property Funds No. 2 Limited (ABN 38 133 363 185, AFSL 340 304) ('CPF2L') as responsible entity of the Centuria Industrial REIT (ARSN 099 680 252 ('CIP' or the 'Trust').

All information and statistics in this presentation are current as at 30 September 2017 unless otherwise specified. It contains selected summary information and does not purport to be all-inclusive or to contain all of the information that may be relevant, or which a prospective investor may require in evaluations for a possible investment CIP. It should be read in conjunction with CIP's periodic and continuous disclosure announcements which are available at www.centuria.com.au. The recipient acknowledges that circumstances may change and that this presentation may become outdated as a result. This presentation and the information in it are subject to change without notice and CPF2L is not obliged to update this presentation.

The total return figure for unlisted funds on page 3 is an aggregated one year performance figure provided strictly for the information of shareholders only, and does not detail the performance of any particular fund. It is calculated based on the movement in the Net Tangible Asset backing per unit in each of Centuria's unlisted property funds from 1 July 2016 to 30 June 2017 plus the total of distributions to investors declared in that period and is calculated inclusive of actual fees paid and an assumption for performance fees if the property had been sold on 30 June 2017. The total return is an aggregated one year performance figure provided strictly for the information of shareholders only, and does not detail the performance of any particular fund. The total return figure is provided in relation to the current financial year only and does not indicate the returns that any particular fund has achieved or the performance of any fund since inception.

Prospective investors in any of Centuria's funds should not rely on this information in respect of any decision in relation to an investment in any of Centuria's funds.

This presentation is provided for general information purposes only. It is not a product disclosure statement, pathfinder document or any other disclosure document for the purposes of the Corporations Act and has not been, and is not required to be, lodged with the Australian Securities & Investments Commission. It should not be relied upon by the recipient in considering the merits of CIP or the acquisition of securities in CIP. Nothing in this presentation constitutes investment, legal, tax, accounting or other advice and it is not to be relied upon in substitution for the recipient's own exercise of independent judgment with regard to the operations, financial condition and prospects of CIP.

The information contained in this presentation does not constitute financial product advice. Before making an investment decision, the recipient should consider its own financial situation, objectives and needs, and conduct its own independent investigation and assessment of the contents of this presentation, including obtaining investment, legal, tax, accounting and such other advice as it considers necessary or appropriate. This presentation has been prepared without taking account of any person's individual investment objectives, financial situation or particular needs. It is not an invitation or offer to buy or sell, or a solicitation to invest in or refrain from investing in, securities in CIP or any other investment product.

The information in this presentation has been obtained from and based on sources believed by CPF2L to be reliable.

To the maximum extent permitted by law, CPF2L and its related bodies corporate make no representation or warranty, express or implied, as to the accuracy, completeness, timeliness or reliability of the contents of this presentation. To the maximum extent permitted by law, CPF2L does not accept any liability (including, without limitation, any liability arising from fault or negligence) for any loss whatsoever arising from the use of this presentation or its contents or otherwise arising in connection with it.

This presentation may contain forward-looking statements, guidance, forecasts, estimates, prospects, projections or statements in relation to future matters ('Forward Statements'). Forward Statements can generally be identified by the use of forward looking words such as "anticipate", "estimates", "will", "should", "could", "may", "expects", "plans", "forecast", "target" or similar expressions. Forward Statements including indications, guidance or outlook on future revenues, distributions or financial position and performance or return or growth in underlying investments are provided as a general guide only and should not be relied upon as an indication or guarantee of future performance. No independent third party has reviewed the reasonableness of any such statements or assumptions. No member of CPF2L represents or warrants that such Forward Statements will be achieved or will prove to be correct or gives any warranty, express or implied, as to the accuracy, completeness, likelihood of achievement or reasonableness of any Forward Statement contained in this presentation. Except as required by law or regulation, CPF2L assumes no obligation to release updates or revisions to Forward Statements to reflect any changes. The reader should note that this presentation may also contain pro forma financial information.

Distributable earnings is a financial measure which is not prescribed by Australian Accounting Standards ("AAS") and represents the profit under AAS adjusted for specific non-cash and significant items. The Directors consider that distributable earnings reflect the core earnings of the Trust.
