Resolution 3: Approval of 10% Placement Facility

1.1 General

Listing Rule 7.1A enables eligible entities to issue Equity Securities (as that term is defined in the ASX Listing Rules) up to 10% of its issued share capital through placements over a 12-month period after the annual general meeting (**10% Placement Facility**). The 10% Placement Facility is in addition to the Company's 15% placement capacity under Listing Rule 7.1. An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300 million or less. The Company is an eligible entity.

The Company is now seeking shareholder approval by way of a special resolution to have the ability to issue Equity Securities under the 10% Placement Facility. The exact number of Equity Securities to be issued under the 10% Placement Facility will be determined in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 1.2(3) below). The Company may use the funds raised from the issue of Equity Securities under the 10% Placement Facility for such things including but not limited to cash and non-cash consideration for the acquisition of new or existing businesses, assets and investments, growth opportunities, payment of consultants in lieu of fees, working capital and also for other means to generally expand the Company's business.

1.2 Description of Listing Rule 7.1A

(1) Shareholder approval

The ability to issue Equity Securities under the 10% Placement Facility is subject to shareholder approval by way of a special resolution at an annual general meeting.

(2) Equity Securities

Any Equity Securities issued under the 10% Placement Facility must be in the same class as an existing quoted class of Equity Securities of the Company. The Company, as at the date of the Notice, has on issue two classes of Equity Securities, Shares and unlisted options.

(3) Formula for calculating 10% Placement Facility

Listing Rule 7.1A.2 provides that eligible entities which have obtained shareholder approval at an annual general meeting may issue or agree to issue, during the 12-month period after the date of the annual general meeting, a number of Equity Securities calculated in accordance with the following formula:

(A x D) - E

A is the number of shares on issue 12 months before the date of issue or agreement:

- (A) plus the number of fully paid shares issued in the 12 months under an exception in Listing Rule 7.2;
- (B) plus the number of partly paid shares that became fully paid in the 12 months;
- (C) plus the number of fully paid shares issued in the 12 months with approval of holders of shares under Listing Rule 7.1 and 7.4. This does not include an issue of fully paid shares under the entity's 15% placement capacity without shareholder approval;
- (D) less the number of fully paid shares cancelled in the 12 months.

Note that A is has the same meaning in Listing Rule 7.1 when calculating an entity's 15% placement capacity.

D is 10%

E is the number of Equity Securities issued or agreed to be issued under Listing Rule 7.1A.2 in the 12 months before the date of the issue or agreement to issue that are not issued with the approval of shareholders under Listing Rule 7.1 or 7.4.

EXPLANATORY MEMORANDUM

(4) Listing Rule 7.1 and Listing Rule 7.1A

The ability of an entity to issue Equity Securities under Listing Rule 7.1A is in addition to the entity's 15% placement capacity under Listing Rule 7.1. At the date of this Notice, the Company has on issue 442,927,882 Shares and has a capacity to issue 66,439,182 Equity Securities under Listing Rule 7.1; and

Subject to shareholder approval being obtained under resolution 3, a further 44,292,788 Equity Securities under Listing Rule 7.1A. However, the actual number of Equity Securities that the Company will have capacity to issue under Listing Rule 7.1A will be calculated at the date of issue of the Equity Securities in accordance with the formula prescribed in Listing Rule 7.1A.2 (refer to Section 1.2(3) above).

(5) Minimum Issue Price

The issue price of Equity Securities issued under Listing Rule 7.1A must be not less than 75% of the VWAP of Equity Securities in the same class calculated over the 15 Trading Days immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
- (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.

(6) 10% Placement Period

Shareholder approval of the 10% Placement Facility under Listing Rule 7.1A is valid from the date of the annual general meeting at which the approval is obtained and expires on the earlier to occur of:

- (i) the date that is 12 months after the date of the annual general meeting at which the approval is obtained; or
- (ii) the date of the approval by shareholders of a transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking), or such longer period if allowed by ASX (**10% Placement Period**).

1.3 Listing Rule 7.1A

The effect of Resolution 3 will be to allow the Directors to issue the Equity Securities under Listing Rule 7.1A during the 10% Placement Period without using the Company's 15% placement capacity under Listing Rule 7.1. Resolution 3 is a special resolution and therefore requires approval of 75% of the votes cast by shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate shareholder, by a corporate representative).

1.4 Specific Information Required by Listing Rule 7.3A

Pursuant to and in accordance with Listing Rule 7.3A, information is provided in relation to the approval of the 10% Placement Facility as follows:

- (1) The Equity Securities will be issued at an issue price of not less than 75% of the VWAP for the Company's Equity Securities over the 15 Trading Days immediately before:
 - (i) the date on which the price at which the Equity Securities are to be issued is agreed; or
 - (ii) if the Equity Securities are not issued within 5 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (2) If resolution 3 is approved by shareholders and the Company issues Equity Securities under the 10% Placement Facility, the existing shareholders' voting power in the Company will be diluted as shown in the below table (in the case of Listed Options, only if the Listed Options are exercised). There is a risk that:

- (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date or the Equity Securities are issued as part of consideration for the acquisition of a new asset, which may have an effect on the amount of funds raised by the issue of the Equity Securities. The below table shows the dilution of existing shareholders on the basis of the closing price of the Company's Shares of \$0.057 each on 15 September 2017 and the current number of ordinary securities for variable "A" calculated in accordance with the formula in Listing Rule 7.1A(2) as at the date of this Notice.

Variable "A" in Listing Rule 7.1A.2		Dilution		
		\$0.0285 50% decrease in issue price	\$0.057 Issue price	\$0.114 100% increase in issue price

The table also shows:

- (i) two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require shareholder approval (for example, a pro rata entitlements issue or scrip issued under a takeover offer) or future specific placements under Listing Rule 7.1 that are approved at a future shareholders' meeting; and
- (ii) two examples of where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market price.
- (3) The Company will only issue and allot the Equity Securities during the 10% Placement Period. The approval under Resolution 3 for the issue of the Equity Securities will cease to be valid in the event that shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or Listing Rule 11.2 (disposal of main undertaking).
- (4) The Company may seek to issue the Equity Securities for the following purposes including but not limited to:

EXPLANATORY MEMORANDUM

The Company will comply with the disclosure obligations under Listing Rules 7.1A(4) and 3.10.5A upon issue of any Equity Securities. The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to the 10% Placement Facility. The identity of the allottees of Equity Securities will be determined on a case-by-case basis having regard to the factors including but not limited to the following:

- (i) the methods of raising funds that are available to the Company, including but not limited to, rights issue or other issue in which existing security holders can participate;
- (ii) the effect of the issue of the Equity Securities on the control of the Company;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from corporate, financial and broking advisers (if applicable).

The allottees under the 10% Placement Facility have not been determined as at the date of this Notice but may include existing substantial shareholders and/or new shareholders who are not related parties or associates of a related party of the Company.

Further, if the Company is successful in acquiring new businesses, assets or investments, it is likely that the allottees under the 10% Placement Facility will be the vendors of these assets or investments.

- (5) The Company obtained shareholder approval under Listing Rule 7.1A at its 2012, 2013, 2014, 2015 and 2016 AGM's and provides the following information pursuant to Listing Rule 7.3A.6 (a):

The total number of equity securities issued in the 12 months preceding the date of meeting is nil.

There is no information to be provided pursuant to Listing Rule 7.3A.6 (b).

- (6) A voting exclusion statement is included in the Notice. At the date of the Notice, the Company has not approached any particular existing shareholder or security holder or an identifiable class of existing security holder to participate in the issue of the Equity Securities. No existing shareholder's votes will therefore be excluded under the voting exclusion in the Notice.

Directors' Recommendation

The Board unanimously recommends that shareholders vote in favour of the 10% Placement Facility.

Resolution 4: Approval of Change of Company Name

Section 157 (1) (a) of the Corporations Act provides that a Company may change its name if the Company passes a special resolution adopting a new name. Resolution 4 seeks the approval of shareholders to change the name of the Company to "Impelus Limited".

If Resolution 4 is passed, the change of name will take effect when ASIC has officially updated the details of the Company's registration on the ASIC register. The purpose of the proposed name change is to better reflect the Company's core focus as a technology led Digital Performance Marketing business and adopt its branding accordingly.

As the Company is transitioning from a Carrier Billing and Mobile Marketing business to a technology led Digital Performance Marketing business, the Company needs to reposition itself accordingly and ensure its branding is in line with this.

This new direction enables the Company to utilise a name that doesn't limit itself to one particular area within the mobile industry but rather the broader Digital Performance Marketing industry. The Company's proposed new name change is definitive of the space in which the Company operates and is aligned with its value proposition to its business and clients.

The change of name to "Impelus Limited" is the product of a specialist rebranding process.

As digital communications are now rapidly moving multi or omnichannel, the industry environment has changed such that 'mobile' is no longer a word that needs to be isolated, it is now taken as the norm in the Digital Marketing industry.

The Company utilises its proprietary technology, tools and data assets from its offices in Australia, New Zealand and the UK to seamlessly target and "impel" consumers by connecting them to products they value, generating high quality customer acquisitions for businesses at scale, via online and mobile devices.

EXPLANATORY MEMORANDUM

CONTINUED

Repositioning the Company name and brand as "Impelus" is aligned with the Company's drive to be at the forefront of the Digital Performance Marketing industry and represents its growing value proposition to clients.

If resolution 4 is passed as special resolution, the Company will lodge a copy of resolution with ASIC within 14 days after approval from shareholders and the name will officially change to "Impelus Limited" when ASIC issues the Certificate of Incorporation thereafter. The name "Impelus Limited" has been reserved with ASIC.

On receipt of the new name certificate, the Company will notify the ASX of the change and trading under the new name and proposed ASX code of "IMS" will commence within a few days of notification. The ASX code "IMS" has been reserved as the new code of the Company.

Resolution 4 is not conditional upon any other resolution.

Directors' Recommendation

The Board unanimously recommends that shareholders vote in favour of the Change of the Name of the Company.

If you have any queries, please contact the Company Secretary on + 61 2 9360 3385.
