### **Substantial Shareholder Increases Holding in BIG**

The Board of Big Un Limited (ASX: BIG, or 'the Company') would like to thank our largest shareholder Anthony Meyer for his ongoing support including the recent increase in shareholding purchased on market in November.

Anthony Meyer and his associates increased their total shareholding by 512,308 shares purchased throughout November 2017, bringing total shareholding to 17,133,160 shares. This equates to a total holding of 11.74% in Big Un Limited. No substantial shareholder form is required to be lodged to reflect the change as the overall shareholding of Anthony Meyer and his associates has not increased above the lodgement threshold.

Anthony Meyer, Director of A.P. Reyem Pty Ltd, said, "It is with great pleasure that I announce my increasing support of BIG. As a long standing and top 3 shareholder in BIG, I am proud to increase my support by exercising all of my options and additionally by buying an additional 512,308 shares on market within the last month. I would like to thank management and Board for their continued efforts in efficient and strategised growth."

The Board notes that of the 2,436,187 BIGUO unlisted options, more than 50% are held by the Board and key management personnel, who all intend to exercise these options prior to 31 December 2017.

Yours faithfully,  
for Big Un Limited
