<sup>+</sup> See chapter 19 for defined terms.

Principal terms of the \*securities (e.g. if options, exercise price and expiry date; if partly paid \*securities, the amount outstanding and due dates for payment; if \*convertible securities, the conversion price and dates for conversion)

Performance Rights Exercise price - Nil; Expiry date – 8 December 2021

Each Performance Right entitles the Participant to receive, upon vesting and exercise, one fully paid ordinary share in the Company ("MTR Share").

Vesting conditions are summarised below.

#### **Vesting Conditions**

Performance Rights are divided into two tranches.

Each tranche will be subject to separate vesting conditions, as set out below.

Relative Total Shareholder Return (TSR) Vesting Condition: 50% of the Performance Rights are subject to a vesting condition relating to the Company's TSR performance over a 3 year performance period from 1 July 2017 to 30 June 2020 (Performance Period), when ranked against the TSR of the ASX 200 Industrials Index (excluding Resources) (collectively, the Comparator Group).

TSR for the Company will be determined by reference to:

- the changes in VWAP of the shares of the Company traded on the ASX in the 5 trading days up to and including the trading day prior to 1 July 2017, to the VWAP of the shares of the Company on the ASX in the 5 trading days up to and including 30 June 2020; and
- the value (on a basis determined by the Board from time to time) of any shareholder benefits (including dividends or any other benefits that the Board determines from time to time are to be taken into account) paid or otherwise made available generally to shareholders in the Company during the Performance Period.

**Earnings Per Share (EPS) Vesting Condition**: The remaining 50% of the Performance Rights are subject to a vesting condition relating to the growth in the Company's EPS over the Performance Period, compounded annually.

EPS will be determined by reference to the underlying net profit attributable to the Company during the Performance Period. The Board may from time to time adjust the EPS to exclude the effects of material business acquisitions or divestments and for certain one-off costs. The baseline EPS for the year ended 30 June 2017 is 15.9 cents per share.

Do the +securities rank equally 4 in all respects from the +issue date with an existing +class of quoted +securities?

> If the additional +securities do not rank equally, please state:

- the date from which they do
- the extent to which they participate for the next dividend, (in the case of a trust, distribution) interest payment
- the extent to which they do not rank equally, other than in relation to the next dividend, distribution interest payment

No - following vesting and exercise in accordance with the LTIP rules, the shares will be allocated and registered in the respective Participant's names these shares will then rank equally with existing MTR Until such time, the holders of the shares Performance Rights will not be entitled to dividend participation, voting or other rights attaching to MTR Shares.

Issue price or consideration 5

No consideration is payable on grant or exercise of the Performance Rights

6 Purpose of the issue (If issued as consideration for the acquisition of assets, clearly identify those assets)

Performance Rights granted in accordance with the Company's LTIP. The Company's LTIP is designed to assist with attraction, motivation and retention of key employees and executive Directors of the Company (or a subsidiary of the Company), and to align the interests of those employees and Directors with the interests of shareholders by matching rewards with the long term performance of the Company.

#### **Quotation agreement**

- <sup>†</sup>Quotation of our additional <sup>†</sup>securities is in ASX's absolute discretion. ASX may quote the <sup>†</sup>securities on any conditions it decides.
- 2 We warrant the following to ASX.
  - The issue of the +securities to be quoted complies with the law and is not for an illegal purpose.
  - There is no reason why those \*securities should not be granted \*quotation.
  - An offer of the \*securities for sale within 12 months after their issue will not require disclosure under section 707(3) or section 1012C(6) of the Corporations Act.

Note: An entity may need to obtain appropriate warranties from subscribers for the securities in order to be able to give this warranty

- Section 724 or section 1016E of the Corporations Act does not apply to any applications received by us in relation to any \*securities to be quoted and that no-one has any right to return any \*securities to be quoted under sections 737, 738 or 1016F of the Corporations Act at the time that we request that the \*securities be quoted.
- If we are a trust, we warrant that no person has the right to return the \*securities to be quoted under section 1019B of the Corporations Act at the time that we request that the \*securities be quoted.
- We will indemnify ASX to the fullest extent permitted by law in respect of any claim, action or expense arising from or connected with any breach of the warranties in this agreement.
- We give ASX the information and documents required by this form. If any information or document is not available now, we will give it to ASX before <sup>†</sup>quotation of the <sup>†</sup>securities begins. We acknowledge that ASX is relying on the information and documents. We warrant that they are (will be) true and complete.
