IOT retail network expands into Argentina – South America

The IOT Group Limited (ASX: IOT) (“IOT Group” or “the Company”) is pleased to advise that It has expanded its global distribution network into Argentina by signing a Distribution Agreement with Agro & Tec - Buenos Aires, Argentina, South América.

Agro &Tech, based in Buenos Aires, Argentina, is one of the top consumer electronics distribution partners being signed by the IOT Group in Latin America. Agro & Tech will service the SouthCone markets, comprised of Uruguay, Paraguay, and particularly Argentina, a 44 million consumer market, that in recent years has seen an opening and opportunity to new brands, product and consumer technologies.

Agro & Tec’s team is comprised of experienced people in the market of consumer technology retail. Agro & Tec is a value-added distribution partner for the IOT Group. By adding the product lines from the IOT Group, Agro & Tec reinforce its focus on the representation and distribution of exclusive, innovative consumer technology brands.

All LATAM/South American payment terms is cash up front prior to delivery and product is to be shipped out of Miami - USA. This will continue to bolster IOT Group Cash flows.

The IOT products will be marketed and sold via those consumer retail channels that target early adopters, particularly e-commerce channels and consumer electronics retailers.

The IOT Group will manage the relationship with Agro & Tec via its sales accelerator partner for Latin America - Maximum Export Import LLC. (MEI)

Other Latin American/South American markets such as Mexico, Colombia and Brazil are in final negotiations and distribution deals will be signed in January 2018.

Commentary

Mr. Jan-Luc Blakborn, Head of Maximum Export Import's operation for Latin America.

"Agro & Tec has an experienced team which will help with a successful retail placement and sales in key consumer channels in Argentina."

Executive Director of IOT Group, Mr. Sean Neylon comments:

"This is IOT's first of many deals in Latin America. IOT see Latin America / South America as a major Market for Selfie Drones and IOT devices. Over 500 million people populate this region and we have a great sales accelerator in Maximum Export Import LLC in this region that will build a very strategic distribution Network for IOT Products. Orders are expected over the next 14 days for immediate delivery.

The IOT global distributors are positioning themselves for a great 2018."
