Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. #### PRINCIPLE 1 – LAY SOLID FOUNDATIONS FOR MANAGEMENT AND OVERSIGHT

1.1	A listed entity should disclose:  (a) the respective roles and responsibilities of its board and management; and  (b) those matters expressly reserved to the board and those delegated to management.	The Board of Bojun is responsible for setting the strategic objectives of the Company and management is responsible for implementing these strategic objectives. Information about the respective roles and responsibilities of the Bojun Board and management (including those matters expressly reserved to the Board and those delegated to management) is found under the Board Charter located at <a href="http://www.bojunagriculture.com">http://www.bojunagriculture.com</a> under Corporate Governance.
1.2	A listed entity should:  (a) undertake appropriate checks before appointing a person, or putting forward to security holders a candidate for election, as a director; and  (b) provide security holders with all material information in its possession relevant to a decision on whether or not to elect or re-elect a director.	The Nomination and Remuneration Committee (NRC) of the Board identifies and recommends candidates to fill vacancies and to determine the appropriateness of director nominees for election to the Board. The NRC or the Board will undertake reference checks prior to putting that person forward as a candidate to ensure that person is competent, experienced, and would not be impaired in any way from undertaking the duties of a director. Candidates for the role of non-executive directors are also required to provide the Chairman with details of other commitments and an indication of time involved, and to acknowledge that they will have adequate time to fulfil their responsibilities as a non-executive director of the Company.  The NRC recognizes the benefits arising from diversity and aims to promote an environment conducive to the appointment of well qualified Board candidates so that there is appropriate diversity to maximize the achievement of corporate goals.  As required under the ASX Listing rules and the Corporations Act, election or re-election of directors is a resolution put to members at each Annual General meeting. The notice of meeting contains all material information relevant to a decision on whether or not to elect or re-elect a director as well whether the board recommends such election or re-election.
1.3	A listed entity should have a written agreement with each director and senior executive setting out the terms of their appointment. 1.4	The company secretary of a listed entity should be accountable directly to the board, through the chair, on all matters to do with the proper functioning of the Board.	The Company Secretary is responsible for all matters relating to the functions of the Board and the Committees of the Board and reports directly to the Board via the Chairman. Each Director has access to the Company Secretary.

1.5	<ul> <li>A listed entity should:</li> <li>(a) have a diversity policy which includes requirements for the Board or a relevant committee of the board to set measurable objectives for achieving gender diversity and to assess annually both the objectives and the entity's progress in achieving them;</li> <li>(b) disclose that policy or a summary of it; and</li> <li>(c) disclose as at the end of each reporting period the measurable objectives for achieving gender diversity set by the Board or a relevant committee of the board in accordance with the entity's diversity policy and its progress towards achieving them and either:</li> <li>(1) the respective proportions of men and women on the board, in senior executive positions and across the whole organisation (including how the entity has defined "senior executive" for these purposes); or</li> <li>(2) if the entity is a "relevant employer" under the Workplace Gender Equality Act, the entity's most recent "Gender Equality Indicators", as defined in and published under that Act.</li> </ul>	The Company has a Diversity policy which can be found on its website at <a href="http://www.bojunagriculture.com">http://www.bojunagriculture.com</a> under Corporate Governance.  The Company recognises that a diverse and talented workforce is a competitive advantage and that the Company's success is the result of the quality and skills of our people. The Company's policy is to recruit and manage on the basis of qualification for the position and performance, regardless of gender, age, nationality, race, religious beliefs, cultural background, sexuality or physical ability. It is essential that the Company employs the appropriate person for each job and that each person strives for a high level of performance.  The Company has not set measurable objectives for achieving gender diversity during the reporting period of 2016 – 2017.  The percentage of women employees in the whole organisation, senior executive and the Board are as follows:  Whole Organisation: 43%  Senior Executive: 10% (Senior executive includes all executives reporting directly to the Chief Executive Officer, Chief Technology Officer, Chief Operations Officer, Chief Investments Officer and the Chief Financial Officer)  Bojun Board 20% (1 out of 5 Board members)
1.6	A listed entity should:  (a) have and disclose a process for periodically evaluating the performance of the Board, its committees and individual directors; and  (b) disclose, in relation to each reporting period, whether a performance evaluation was undertaken in the reporting period in accordance with that process.	The process for evaluating board performance is detailed in the Board Charter located at <a href="http://www.bojunagriculture.com">http://www.bojunagriculture.com</a> under Corporate Governance.
1.7	<ul> <li>A listed entity should:         <ul> <li>(a) have and disclose a process for periodically evaluating the performance of its senior executives; and</li> <li>(b) disclose, in relation to each reporting period, whether a performance evaluation was undertaken in the reporting period in accordance with that process.</li> </ul> </li> </ul>	It is the Company's policy that performance evaluations of senior executives are undertaken on an annual basis where performance is measured against set key performance indicators and such a review forms part of the remuneration assessment.  A formal performance evaluation process for senior executives was undertaken during the period under review, where performance was discussed and feedback was provided to them.
