Dear Chris,

REQUEST FOR TRADING HALT: MOX

The Directors of Monax Mining Limited request ASX grant an immediate trading halt to the Company's securities, ASX code: MOX, pending an announcement regarding the Western Queen Gold Project drilling results.

The Company requests that the trading halt remains in place until the earlier of the commencement of trading on Thursday, 4 January 2018 or the announcement to the market in relation to this matter.

The Directors confirm that there is no reason as to why this should not be granted by ASX.

Yours Faithfully

Kaitlin Smith

Company Secretary
