Consolidated Constitution of the SPDR S&P/ASX 200 Fund¹

This is a consolidation of the original constitution dated 31 July 2001 which established the streetTRACKS™ S&P/ASX200 Fund and supplemental deeds dated 14 August 2001, 22 August 2001, 28 June 2005, 26 April 2007, 3 March 2016 and 22 December 2017.

Operative Provisions:

This deed poll is declared by State Street Services Limited (ABN 31 087 786 123) to be the constitution of the streetTRACKS S&P/ASX200 Fund.

1 Name of Trust

- 1.1 The Trust is called the streetTRACKS S&P/ASX200 Fund or such other name as the Responsible Entity determines from time to time.²
- 1.2 If the Responsible Entity retires or is removed, its successor as Responsible Entity must, unless otherwise approved by the former Responsible Entity, change the name of the Trust to a name that does not include the term “streetTRACKS” or otherwise imply an association with the former Responsible Entity or its business.

2 Assets held on trust

- 2.1 The Responsible Entity must hold the Assets on trust for the Members. The Assets vest in the Responsible Entity and must be clearly identified as property of the Trust and held separately from the assets of the Responsible Entity and any other managed investment scheme if and to the extent that the Corporations Act so requires.

3 Units

Nature of Units

- 3.1 The beneficial interest in the Trust is divided into Units.
- 3.2 A Unit confers an equal undivided, vested and indefeasible interest in the Assets as a whole, subject to the Liabilities.
- 3.3 A Unit does not confer an interest in a particular Asset.

¹ The Responsible Entity renamed the fund “SPDR S&P/ASX 50 Fund” effective from 26 April 2007.

² See footnote 1.
35241892_7

Fractions of Units

- 3.4 Fractions of a Unit may not be issued.
- 3.5 Where any calculation performed under this constitution or the terms of a withdrawal offer results in the issue or redemption of a fraction of one Unit, the number of Units to be issued or redeemed must be rounded up or down to the nearest number of whole Units as the Responsible Entity determines.
- 3.6 Any excess application or other money or property which results from rounding becomes an Asset.

Consolidation and division of Units

- 3.7 Units may be consolidated or divided as determined by the Responsible Entity.

Transfer of Units

- 3.8 Members may transfer Units.
- 3.9 Subject to the rules applicable while the Trust is admitted to an uncertificated trading system, transfers must be in a form approved by the Responsible Entity and be presented for Registration duly stamped as required by law.
- 3.10 A transfer is not effective until Registered.
- 3.11 Subject to the Listing Rules (if applicable) and this constitution, the Responsible Entity may refuse to record any transfer in the Register without giving any reason for the refusal.

Joint tenancy

- 3.12 Persons Registered jointly as the holder of a Unit hold as joint tenants and not as tenants in common unless the Responsible Entity otherwise agrees.

Legal interest

- 3.13 Subject to the Corporations Act, only the persons Registered are recognised as having any interest in a Unit.

Death, legal disability of Member

- 3.14 If a Member dies or becomes subject to a legal disability such as bankruptcy or insanity, only the survivor (where the deceased was a joint holder) or the legal personal representative (in any other case) or any other person determined by the Responsible Entity are recognised as having any claim to Units Registered in the Member's name.

4 Issue Price and Cash Component

Issue Price

- 4.1 Subject to clause 21.1, a Unit must only be issued in respect of an application received on or before the Initial Application Day at the Issue Price calculated as follows:

$$\frac{A}{100} \times \$1.00$$

where A is the level of the Index as at the Close of Trading on the Initial Application Day.

- 4.2 A Unit must only be issued in respect of an application received after the Initial Application Day at an Issue Price calculated as:

$$\frac{\text{Net Asset Value}}{\text{Number of Units in Issue}}$$

- 4.3 Each of the variables in clause 4.2 must be determined as at the next Valuation Time after the Responsible Entity receives or is deemed to receive the application for Units.
- 4.4 Subject to clauses 5.7 and 10.24, the day and time of receipt of an application for Units is:
- (a) the day and time of actual receipt if the application is received before the Prescribed Time on a Business Day; or
 - (b) the commencement of business on the next following Business Day if received on a day which is not a Business Day or received on or after the Prescribed Time on a Business Day.
- 4.5 The Issue Price may be rounded as the Responsible Entity determines. The amount of the rounding must not be more than 1% of the Issue Price.

Cash Component

- 4.6 With respect to the issue of Units the Responsible Entity must calculate a Cash Component in respect of a Creation Unit Amount as at each Valuation Time, equal to the difference between:
- (a) the Issue Price calculated as at that Valuation Time multiplied by the number of Units in the Creation Unit Amount; and
 - (b) the value of prevailing Index Basket calculated as at that Valuation Time.³

Minimum amount, eligibility and withdrawal of application

- 5.2 An application must be in respect of a whole multiple of the Creation Unit Amount, unless the Responsible Entity agrees otherwise.

- 5.7 The Responsible Entity may suspend the issue of Units by publishing a notice to that effect in a manner determined by the Responsible Entity. The Responsible Entity may cancel the suspension by publishing a further notice in the same manner. Any Application Form received by the Responsible Entity during a period of suspension of issue of Units must be either:
- (a) rejected; or
 - (b) held and not processed until the period of suspension ceases.

⁴ Supplemental Deed dated 14 August 2001 (insertion)

⁵ Supplemental Deed dated 14 August 2001 (substitution)

Application Forms received by the Responsible Entity outside the period of suspension are not affected by the suspension. Where an Application Form is held under (b), the time of cessation of the period of suspension is taken to be the time of receipt of the Application Form by the Responsible Entity.

Payment

- 5.8 Except in the case of a reinvestment in accordance with clauses 10.22 and 10.23 or where the Responsible Entity agrees otherwise, the aggregate Issue Price due from the applicant in respect of an application must be satisfied by:
- (a) where the Cash Component is positive, payment to the Responsible Entity (or a Custodian) in a manner acceptable to the Responsible Entity of a multiple of the Cash Component equal to the multiple of the Creation Unit Amount to which the application relates; and
 - (b) by transfer to the Responsible Entity (or a Custodian) in accordance with the Issue and Redemption Procedures of a multiple of Index Baskets equal to the multiple of the Creation Unit Amount to which the application relates.

For the purposes of this clause and clause 5.9:

 - (d) the Index Basket is that prevailing as at the Valuation Time as at which the relevant Issue Price is calculated.
- 5.9 Where the Cash Component is negative, the Responsible Entity must in a manner acceptable to the Responsible Entity pay an amount to the applicant equal to a multiple of the Cash Component equal to the multiple of the Creation Unit Amount to which the application relates.

Timing

- 5.10 Except in the case of a reinvestment in accordance with clauses 10.22 and 10.23, the required payment of the Cash Component (where positive) and Transaction Fee⁶ and transfer of the Index Basket must:
- (a) in the case of an application received before or during the Initial Application Day, be received by or made available to the Responsible Entity or a Custodian on or before the Settlement Time on the fourth Business Day after the Initial Application Day; or
 - (b) in any other case, be received by or made available to the Responsible Entity or a Custodian on or before the Settlement Time on the day which is:

⁶ Supplemental Deed dated 14 August 2001 (insertion)
35241892_7

-
- (i) the number of Business Days after receipt of the application that is the same as the applicable ASX Settlement Cycle; or

Issue and Redemption Procedures

- 5.11 Units (other than Units which are issued on a reinvestment of distribution in accordance with clauses 10.22 and 10.23) are taken to be issued at the time they are issued in accordance with the Issue and Redemption Procedures.

Units which are issued on a reinvestment of distributions in accordance with clauses 10.22 and 10.23 are taken to be issued on the first Valuation Time after the end of the Distribution Period to which the distribution relates.

Nomination of Member

- 5.12 The Responsible Entity alone may nominate the person to be registered as the holder of a Unit, and may treat the registered holder as the absolute owner of it. The Responsible Entity's power of nomination ceases once a person has been registered as the holder of a Unit. The Responsible Entity need not recognise any claim or interest in a Unit by another person, even if they have notice of it.

Transaction Fee

- 5.13 An applicant for Units must pay to the Responsible Entity (or a Custodian) in a manner acceptable to the Responsible Entity the Transaction Fee. The Transaction Fee paid is an Asset. The Responsible Entity may determine that the Transaction Fee due is to be set off against the Cash Component (if negative) payable in respect of the application.⁸

6 Redemption Price

Redemption Price

- 6.1 A Unit must only be redeemed at a Redemption Price.

7 Withdrawal Amount & Cash Component

Withdrawal Amount

- 7.1 Each of the variables in calculating the Withdrawal Amount must be determined as at the next Valuation Time after the Responsible Entity receives or is deemed to receive the withdrawal request for redemption of Units.

⁸ Supplemental Deed dated 14 August 2001 (clause inserted)
35241892_7

- 7.2 The day⁹ and time of receipt of a withdrawal request for Units is:
- (a) the day and time of actual receipt if the withdrawal request is received before the Prescribed Time on a Business Day; or
 - (b) the commencement of business on the next following Business Day if received on a day which is not a Business Day or received on or after the Prescribed Time on a Business Day.
- 7.3 The Withdrawal Amount may be rounded as the Responsible Entity determines. The amount of the rounding must not be more than 1% of the Withdrawal Amount.

Cash Component

- 7.4 With respect to the redemption of Units the Responsible Entity must calculate a Cash Component in respect of a Creation Unit Amount as at each Valuation Time, equal to the difference between:
- (a) the Withdrawal Amount calculated as at that Valuation Time multiplied by the number of Units in the Creation Unit Amount; and
 - (b) the value of prevailing Index Basket calculated as at that Valuation Time.¹⁰

8 Withdrawal procedures

Request for withdrawal

- 8.1 A Member may make a withdrawal request for the redemption of some or all of its Units in the manner and on such conditions as approved by the Responsible Entity, and the Responsible Entity must give effect to that request at the time and in the manner set out in this clause 8.
- 8.2 Unless the Responsible Entity agrees otherwise, a withdrawal request must be in respect of a whole multiple of the Creation Unit Amount.
- 8.3 A Member may not:
- (a) withdraw a withdrawal request unless the Responsible Entity agrees;
 - (b) give the Responsible Entity a withdrawal request unless the Member is a Qualifying Australian Resident;
 - (c) give the Responsible Entity a withdrawal request unless the Member is a Participating Organisation acting as principal, provided that this paragraph (c) is of no effect unless:
 - (i) the Responsible Entity makes a determination to the contrary; and

⁹ Supplemental Deed dated 22 August 2001 (substitution)

¹⁰ Supplemental Deed dated 14 August 2001 (clause inserted)

-
- (ii) the Corporations Act does not prohibit such a determination; or
 - (d) give the Responsible Entity a withdrawal request before the first Business Day after the Initial Application Day.

Transaction Fee

- 8.3A A Member lodging a withdrawal request must pay to the Responsible Entity (or a Custodian) in a manner acceptable to the Responsible Entity the Transaction Fee. The Transaction Fee paid is an Asset. The Responsible Entity may determine that the Transaction Fee due is to be set off against the Cash Component (if positive) payable in respect of the withdrawal.¹¹
- 8.3B The Transaction Fee must be received by or made available to the Responsible Entity or a Custodian on or before the Settlement Time on the day on which the withdrawal request is to be satisfied under clause 8.10.¹²

Entitlement Upon Withdrawal

- 8.4 If the Responsible Entity gives effect to a redemption of a Member's Unit, the Responsible Entity must pay to the Member the Redemption Price in respect of that Unit.

When Trust is Liquid

- 8.5 Clauses 8.4 and 8.6¹³ to 8.13 apply only while the Trust is Liquid.
- 8.6 The Responsible Entity must satisfy a withdrawal request in respect of a Unit by a payment or transfer (or both) from the Assets of a value totalling the Redemption Price, in accordance with this clause 8 and the Issue and Redemption Procedures.
- 8.7 The Responsible Entity must satisfy a Member's entitlement to the aggregate Redemption Price and Withdrawal Unit Income Entitlement arising as a result of a withdrawal request by the payment or transfer (or both) from the Assets of a value totalling the aggregate Withdrawal Amount in respect of Units redeemed as a result of the withdrawal request.
- 8.8 Except where the Responsible Entity agrees otherwise, the Responsible Entity must satisfy a Member's entitlement to the aggregate Withdrawal Amount arising as a result of a withdrawal request by:
 - (a) where the Cash Component is positive:
 - (i) payment from the Assets in a manner acceptable to the Responsible Entity of a multiple of the Cash Component equal to the multiple of the Creation Unit Amount to which the withdrawal relates; and

¹¹ Supplemental Deed dated 14 August 2001 (clause inserted)

¹² Supplemental Deed dated 3 March 2016 (addition)

¹³ Supplemental Deed dated 14 August 2001 (insertion)

-
- (ii) by transfer from the Assets in accordance with the Issue and Redemption Procedures of a multiple of Index Baskets equal to the multiple of the Creation Unit Amount to which the withdrawal relates; and
 - (b) where the Cash Component is negative, by transfer from the Assets in accordance with the Issue and Redemption Procedures of a multiple of Index Baskets equal to the multiple of the Creation Unit Amount to which the withdrawal relates.

For the purposes of this clause and clause 8.9:

- (c) the Cash Component is that calculated as at the Valuation Time as at which the relevant Withdrawal Amount is calculated; and
- (d) the Index Basket is that prevailing as at the Valuation Time as at which the relevant Withdrawal Amount is calculated.

8.9 Where the Cash Component is negative, the Member must in a manner acceptable to the Responsible Entity pay an amount to the Responsible Entity equal to a multiple of the Cash Component equal to the multiple of the Creation Unit Amount to which the withdrawal relates.

8.10 Subject to clause 8.11, a withdrawal request must be satisfied on or before the Settlement Time on the day which is:

- (i) the number of Business Days after receipt of the withdrawal request that is the same as the applicable ASX Settlement Cycle; or
- (ii) is a Business Day earlier than the applicable ASX Settlement Cycle as determined by the Responsible Entity, but only if requested by the applicant and agreed by the Responsible Entity¹⁴.

8.11 If:

- (a) the Responsible Entity has taken all reasonable steps to realise sufficient Assets to pay the Redemption Price and the Withdrawal Unit Income Entitlement in respect of Units to which a withdrawal request applies and is unable to do so due to circumstances outside its control such as restricted or suspended trading in the market for an Asset;
- (b) the Responsible Entity believes that it is impracticable or not possible to transfer, in the manner acceptable to the Responsible Entity, sufficient Assets to satisfy the entitlement to the Redemption Price and the Withdrawal Unit Income Entitlement in respect of Units to which a withdrawal request applies (for example, because of disruption to a settlement or clearing system);

¹⁴ Supplemental Deed dated 3 March 2016 (addition)

-
- (c) the Responsible Entity believes that it is not practicable to publish an Index Basket or carry out the calculations necessary to satisfy an entitlement to the Redemption Price and the Withdrawal Unit Income Entitlement in respect of Units to which a withdrawal request applies (for example, because a market index on which the Index Basket is to be based is not compiled or published, or it is impracticable to calculate Net Asset Value because of restricted or suspended trading in the market for an Asset);
 - (d) the Official Quotation of any Units is suspended or the trading of any Units is otherwise halted, interrupted or restricted by the ASX;
 - (e) the Trust is removed from the Official List;
 - (f) a withdrawal request is received in a Financial Year and the Responsible Entity determines that the date on which the completion of the redemption of the Units would otherwise occur would be in the next Financial Year;
 - (g) a withdrawal request is received during the period commencing on an Ex Date for a Distribution Period and expiring on the Distribution Date of that Distribution Period (both inclusive); or
 - (h) the Responsible Entity does not consider that it is in the best interests of Members taken as a whole to transfer or realise sufficient Assets to satisfy the entitlement to the Redemption Price and the Withdrawal Unit Income Entitlement in respect of Units to which a withdrawal request applies,

the Responsible Entity may either:

- (i) extend the period allowed for satisfaction of the withdrawal request by the number of days during which such circumstances apply; or
- (j) reject the withdrawal request.

8.12 Unless the Responsible Entity agrees otherwise, a Member which makes a withdrawal request, and any Participating Organisation acting on their behalf, must comply with their obligations under the Issue and Redemption Procedures in relation to the withdrawal request.

8.13 The Responsible Entity is not required to satisfy a withdrawal request under clauses 8.6 to 8.12 if the request is made while the Trust is Liquid and the Trust ceases to be Liquid before the request is satisfied.

When Trust is not Liquid

8.14 Clauses 8.15 to 8.19 apply only while the Trust is not Liquid.

8.15 A Member may withdraw from the Trust in accordance with the terms of any current withdrawal offer made by the Responsible Entity under the Corporations Act and this constitution regulating offers of that kind.
