ASX: IGE

MARKET UPDATE

The Board of Integrated Green Energy Solutions Ltd ("**IGES**" or "**the Company**") would like to advise that the relisting process for the Company is at its final stages of completion. All questions raised by the ASX have been answered and we expect to have a final determination from them regarding escrow and other items, in a matter of days. We will then be in a position to issue shares to all new shareholders. That is, there is still some further administration to attend to, but the re-listing of the entity is imminent.
