ASX Release

Wind-up of APDC Trust – Legal Proceedings

NEXTDC Limited (ASX: NXT) (“**NEXTDC**” or “the **Company**”) refers to its Notice of Meeting and Explanatory Memorandum calling an extraordinary general meeting (“**EGM**”) of members of the Asia Pacific Data Centre Trust (“**APDC Trust**”) to vote on an extraordinary resolution to wind-up the APDC Trust (“**Resolution**”) on 31 January 2018.

Legal Proceedings

APDC’s controlling securityholder, 360 Capital FM Limited (“**360 FM**”) has today commenced legal proceedings in the Supreme Court of New South Wales to determine its eligibility to vote on the Resolution (the “**Legal Proceedings**”).

Notwithstanding the recent sale of the APDC Responsible Entity (“**APDC RE**”), NEXTDC remains of the view that 360 FM is an associate of the APDC RE and is therefore *not eligible* to vote on the Resolution, on the basis that the APDC RE and 360 FM are acting in concert in relation to the affairs of the APDC Trust.

NEXTDC also notes a recently published report dated 18 January 2018 prepared by independent proxy adviser Institutional Shareholder Services (“**ISS**”), which highlighted the last-minute sale of the APDC RE and outsourcing of management back to an entity associated with 360 Capital and recommends APDC securityholders vote in favour of the NEXTDC Resolution to wind up the APDC Trust, citing several reasons including “*corporate governance concerns*”.

APDC Trust EGM

The EGM remains scheduled for 31 January 2018, though may be impacted by the Legal Proceedings now afoot. NEXTDC will update the market if the EGM is to be postponed or adjourned.
