FOR PUBLIC RELEASE

Manager - ASX Market Announcements
Australian Securities Exchange
20 Bridge Street
Sydney NSW 2000

Dear Madam

QUARTERLY ACTIVITIES REPORT FOR THE QUARTER ENDED 31 DECEMBER 2017

(ASX code: LGO)

OIL & GAS

Longreach Oil (ASX: LGO) holds a 50% interest in Petroleum Lease 280 in the Surat Basin, Queensland. The Company also has a 20% shareholding in unlisted Brisbane Petroleum Limited (BPL), which in turn holds the other 50% interest in P.L. 280. BPL also holds Petroleum Leases 18 and 40. P.L. 280 - which comprises 90 sq. kms (about 22,000 acres) was granted by the Queensland Government on 1 August 2010 for a period of twenty-one years (21 years).

The sale of BPL's interest to Chelsea Oil Australia Pty Ltd has not yet been settled and the transfer application in respect of BPL's interest is still pending.

There was no expenditure on oil and gas exploration during the quarter.

There were no acquisitions or disposals of any interests in any exploration projects during the quarter.

INVESTMENT - STARLOGIK

LGO owns 5% of Starlogik IP LLC, a US company specialising in advanced telecommunications.

Starlogik is demonstrating its core signalling capabilities to carriers and has successfully completed multiple product and technical due diligence phases at leading carriers across S.E Asian, Indian and African markets.

Several additional global carriers have become interested in their Star switched platform and we're looking forward to announcing their strategic developments and growing carrier partnerships.

On 26 February 2016, the Company signed a term sheet to acquire the remaining 95% of Starlogik IP LLC ("Starlogik") it does not currently own. Further details of the proposed acquisition of Starlogik are disclosed in the company's release to the ASX made on 26 February 2016. We are in advanced stages of negotiations with alternative acquisitions, in case we are unable to conclude the Starlogik transaction.

On 29 May 2017, the securities of LGO were suspended from quotation on the ASX due to LGO having insufficient level of operations to be quoted on the exchange. If we were to complete any of the transactions under negotiation, LGO would be eligible for reinstatement to the ASX.
