NOTES TO THE FINANCIAL STATEMENTS FOR THE HALF-YEAR ENDED 31 DECEMBER 2017

5. FINANCIAL INSTRUMENTS MEASURED AT FAIR VALUE

AASB 13: Fair Value Measurement requires the disclosure of fair value information using a fair value hierarchy reflecting the significance of the inputs in making the measurements. The fair value hierarchy consists of the following levels:

Level 1: Quoted prices in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included within Level 1 that are observable for the

asset or liability either directly (as prices) or indirectly (derived from prices).

Level 3: Inputs for the asset or liability are not based on observable market data (unobservable

inputs).

Included within Level 1 of the hierarchy are listed investments. The fair values of these financial assets and liabilities have been based on the closing quoted last prices at the end of the reporting period, excluding transaction costs.

In valuing unlisted investments, included in Level 2 of the hierarchy, valuation techniques such as those using comparisons to similar investments for which market observable prices are available or the last sale price have been adopted to determine the fair value of these investments.

The following table presents the Company's financial assets and liabilities measured and recognised at fair value at 31 December 2017:

31 December 2017	Level 1 \$	Level 2 \$	Level 3 \$	Total \$
Financial assets	370,225,497	511,875	-	370,737,372

Total	283,575,662	511,875	-	284,087,537

Total	205,574,466	370,122	-	205,944,588

The Board declared a 4.0 cents fully franked interim dividend per share on 7th February 2018 payable on 23rd April 2018. The Ex Date for the dividend is 9th April 2018.

Other than the above, there has not arisen in the interval between the end of the year and the date of this report any item, transaction or event of material and unusual nature likely, in the opinion of the Company, to significantly affect the operations of the entity, the results of those operations, or the state of affairs of the entity, in future financial years.

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410: "Review of a Financial Report Performed by the Independent Auditor of the Entity", in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of the company's financial position as at 31 December 2017 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134: "Interim Financial Reporting" and the Corporations Regulations 2001. As the auditor of Cadence Capital Limited, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of the half-year financial report consists of making enquiries, primarily of persons responsible for the financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
