Companies Announcements Office
Australian Securities Exchange

09 February 2018

Dear Sir/Madam,

No threat from bushfire on Kangaroo Island

The Company (KPT) is aware of a scrub and grass fire on the North Coast of Kangaroo Island in the Middle River area. None of the Company's plantations are threatened by the fire.

The Company maintains firebreaks around and within its plantations. It has its own firefighting equipment and personnel. The plantations are insured for an amount exceeding their book value.

Should any of the Company's plantations be affected or threatened by fire, the Company will notify the market.

Yours sincerely,

Ms Vicky Allinson
Company Secretary
