## Notice of Director Appointment

12 February 2018

Martin Aircraft Company Limited (ASX:MJP) announced today that it has appointed Mr. Vincent Leung as an Independent, Non-Executive director of Martin Aircraft.

Vincent Leung is a director at a boutique consultancy firm in Hong Kong. He has over a decade of management, finance and commercial experience across Australia, Hong Kong and mainland China. Vincent also serves as a director for a Hong Kong exchange listed printing company. He previously worked for a big four accounting firm in both Sydney and Hong Kong.

Vincent brings skills in management, accounting and a wide business network in corporate transactions. He is a member of Chartered Accountants in Australia and New Zealand and is a member of the Hong Kong Committee. Vincent obtained his Bachelor of Commerce degree from the University of New South Wales.

The Martin Aircraft Board now comprises three non-independent directors and two independent directors.

Yours faithfully

James West  
CEO

## **ABOUT THE MARTIN AIRCRAFT COMPANY LIMITED**

The Martin Aircraft Company has evolved to become the world leader in jetpack development and commercialisation. Initially conceived to be the ultimate in personal transportation, the Martin Jetpack's potential for alternative applications soon became clear and led the company to refocus its vision to include being part of the global crusade to save and improve lives.

The Martin Jetpack has the pedigree of design ingenuity and innovation for which New Zealand is renowned. Designed with the goal to be the world's safest light aircraft, its potential applications span first response, search and rescue, military operations and commercial operations. It has the capability to be used in both a manned and unmanned capacity, which makes it the world's smallest and most practical Optionally Piloted Hovering Air Vehicle (OPHAV).
